NYSE MKT Issues Short Interest Report

7/10/2015

NEW YORK – NYSE MKT (formerly known as NYSE Amex) today reported short interest as of the close of business on the settlement date of June 30, 2015.

Based on information received from member and non-member organizations, short interest increased to 488,243,721 from 493,101,919 shares (revised) on June 15, 2015.

This reflects short interest reported by all broker-dealers (not only NYSE MKT member firms) in NYSE MKT-listed securities. A short position of 5,000 or more shares existed in 301 issues. Some short position was shown in 397 issues.

This short interest report was compiled by NYSE Amex on the basis on information obtained from its member and non-member organizations covering all securities traded on the Exchange in both round and odd-lots.

A short sale is any sale of a security that the seller does not own or any sale that is completed by the delivery of a borrowed security.
