ICE ANNOUNCES NOVEMBER 7 LAUNCH OF 29 NEW ENERGY CONTRACTS

Released : 17 October 2011

ATLANTA, Oct. 17, 2011 /PRNewswire/ -- IntercontinentalExchange (NYSE: ICE), a leading operator of global regulated futures exchanges, clearing houses and over-the-counter (OTC) markets, today announced the launch of 22 new cleared OTC contracts for global refined petroleum products, North American power and North American natural gas. ICE also announced the introduction on ICE Futures Europe of single-expiry coal options, as well as Dutch TTF Natural Gas options.

(Logo: **http://photos.prnewswire.com/prnh/20090727/CL51999LOGO**)

All of the new forward contracts will be available for the trade date of Monday, November 7, 2011, subject to Energy Risk Committee approval and regulatory non-objection. With the **products announced today**, ICE will offer over 600 cleared OTC energy contracts, including more than 510 new cleared OTC contracts since the launch of ICE Clear Europe in November 2008.

The new contracts are:

ICE Clear Europe enables the efficient development of new products to support the risk management needs of member firms and customers in ICE's global energy futures and OTC markets. In 2002, ICE pioneered the concept of cleared OTC energy contracts, which provide participants with access to centralized clearing and settlement arrangements while reducing bilateral credit risk and capital required for each OTC trade.

About IntercontinentalExchange

IntercontinentalExchange (NYSE: ICE) is a leading operator of regulated futures exchanges and over-the-counter markets for agricultural, credit, currency, emissions, energy and equity index contracts. ICE Futures Europe hosts trade in half of the world's crude and refined oil futures. ICE Futures U.S. and ICE Futures Canada list agricultural, currencies and Russell Index markets. ICE is also a leading operator of central clearing services for the futures and over-the-counter markets, with five regulated clearing houses across North America and Europe. ICE serves customers in more than 70 countries. **www.theice.com**
