Floor-based Pulp Options Contract to be Delisted

New York, NY (August 3, 2007) – The New York Board of Trade (NYBOT), a wholly-owned subsidiary of IntercontinentalExchange (NYSE: ICE), announced today that, effective on Friday, September 28, 2007, the Exchange will list the Pulp futures contract for trading on the ICE electronic platform. Trading hours will be from 7:00 a.m. to 3:15 p.m. ET. With the start of electronic trading for the contract, the floor trading session will no longer be held after September 27. Daily settlement prices for the Pulp futures contract will be determined at the end of the electronic trading session.

Effective immediately, the Exchange is delisting all listed Pulp options contract months with no open interest; additional options contracts will not be listed at this time. It is expected that Pulp options will be listed for trading on the ICE platform in the future.

NYBOT recently announced that it has added China as a delivery point on its Pulp futures contract, beginning with the June 2008 delivery. The Exchange has certified Changshu Westerlund Terminals in the Port of Changshu Xingao, China, as a licensed Pulp warehouse.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

Statements in this press release regarding IntercontinentalExchange's business that are not historical facts are "forward-looking statements" that involve risks and uncertainties. For a discussion of such risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see ICE's Securities and Exchange Commission (SEC) filings, including, but not limited to, the risk factors in ICE's Annual Report on Form 10-K for the year ended December 31, 2006, and the Quarterly Reports on Form 10-Q for the quarters ended March 31 and June 30, 2007, each as filed with the SEC on February 26, 2007, May 4, 2007 and July 27, 2007, respectively.

About IntercontinentalExchange

IntercontinentalExchange® (NYSE: ICE) operates the leading global, electronic marketplace for trading both futures and OTC energy contracts and the leading soft commodity exchange. ICE's markets offer access to a range of contracts based on crude oil and refined products, natural gas, power and emissions, as well as soft commodities including cocoa, coffee, cotton, ethanol, orange juice, wood pulp and sugar, in addition to currency and index futures and options. ICE® conducts its energy futures markets through its U.K. regulated London-based subsidiary, ICE Futures, Europe's leading energy exchange. ICE Futures offers liquid markets in the world's leading oil benchmarks, Brent Crude futures and West Texas Intermediate (WTI) Crude futures, trading nearly half of the world's global crude futures by volume of commodity traded. ICE conducts its soft commodity futures and options markets through its U.S. regulated subsidiary, the New York Board of Trade®. For more than a century, the NYBOT® has provided global markets for food, fiber and financial products. ICE was added to the Russell 1000® Index on June 30, 2006. Headquartered in Atlanta, ICE also has offices in Calgary, Chicago, Houston, London, New York and Singapore. For more information, please visit **www.theice.com** and **www.nybot.com.**
