Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

Statements in this press release regarding IntercontinentalExchange's business that are not historical facts are "forward-looking statements" that involve risks and uncertainties. For a discussion of such risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see ICE's Securities and Exchange Commission (SEC) filings, including, but not limited to, the risk factors in ICE's Annual Report on Form 10-K for the year ended December 31, 2006, and the Quarterly Reports on Form 10-Q for the quarters ended March 31 and June 30, 2007, each as filed with the SEC on February 26, 2007, May 4, 2007 and July 27, 2007, respectively.

About IntercontinentalExchange

IntercontinentalExchange® (NYSE: ICE) operates the leading global, electronic marketplace for trading both futures and OTC energy contracts and the leading soft commodity exchange. ICE's markets offer access to a range of contracts based on crude oil and refined products, natural gas, power and emissions, as well as soft commodities including cocoa, coffee, cotton, ethanol, orange juice, wood pulp and sugar, in addition to currency and index futures and options. ICE® conducts its energy futures markets through its U.K. regulated London-based subsidiary, ICE Futures, Europe's leading energy exchange. ICE Futures offers liquid markets in the world's leading oil benchmarks, Brent Crude futures and West Texas Intermediate (WTI) Crude futures, trading nearly half of the world's global crude futures by volume of commodity traded. ICE conducts its soft commodity futures and options markets through its U.S. regulated subsidiary, the New York Board of Trade®. For more than a century, the NYBOT® has provided global markets for food, fiber and financial products. ICE was added to the Russell 1000® Index on June 30, 2006. Headquartered in Atlanta, ICE also has offices in Calgary, Chicago, Houston, London, New York and Singapore. For more information, please visit **www.theice.com** and **www.nybot.com**.
