The notice also contains instructions on how each of those stockholders can receive a paper copy of our proxy materials, including our Proxy Statement, our 2016 Annual Report and a proxy card or voting instruction form. Stockholders who do not receive a notice will receive a paper copy of the proxy materials by mail.

Your vote is important. Whether or not you plan to attend the Annual Meeting, we hope you will vote as soon as possible.

Thank you for your ongoing support of InfraREIT, Inc.

Note About Forward-Looking Statements

Certain statements in this Proxy Statement, other than purely historical information, are “forward-looking statements” within the meaning of applicable securities law. Please see “Forward-Looking Statements” in the 2016 Annual Report for more information.

VOTING RIGHTS

Right to Vote and Record Date

Our voting securities consist solely of shares of our common stock, par value \$0.01 per share (“Common Stock”).

The record date for stockholders entitled to notice of and to vote at the meeting was the close of business on March 13, 2017, at which time there were 43,775,383 shares of Common Stock entitled to vote at the meeting. Stockholders are entitled to one vote, in person or by proxy, for each share of Common Stock held in their name on the record date.

Quorum

Stockholders holding a majority of the shares of Common Stock outstanding and entitled to vote must be present or represented by proxy to constitute a quorum.

Voting at the Annual Meeting

If your shares of Common Stock are registered directly with Wells Fargo Shareowner Services, you are a “record holder” and may vote in person at the meeting. If a bank, broker or other nominee holds your shares for your benefit but not in your own name, your shares are in “street name.” If your shares are held in street name and you wish to vote in person at the meeting, you must contact your bank, broker or other nominee and request a document called a “legal proxy.” You must bring this legal proxy to the meeting in order to vote in person.

Voting by Proxy

Whether or not you are able to attend the meeting, we urge you to vote by proxy. If you are a record holder, you may vote by proxy by mailing back your proxy card, or you may vote by telephone or by Internet by following the instructions set forth in the proxy card. If your shares are held in street name, your bank, broker or other nominee will send you a voting instruction form to use in voting your shares. The availability of telephone and Internet voting depends on the voting procedures of your bank, broker or other nominee. Please follow the instructions on the voting instruction form they send you.

Vote Required

All proposals other than the election of directors will require the affirmative vote of a majority of the votes cast at the meeting. Directors are elected by a plurality of all the votes cast. This means that the director nominees with the most votes are elected, regardless of whether any nominee receives a majority of votes cast.

With regard to the election of directors, votes may be cast in favor of or withheld from each nominee. Votes that are withheld will be excluded entirely from the vote and will have no effect. Broker non-votes and other limited proxies will have no effect on the outcome of the election of directors. Cumulative voting for election of directors is not authorized.

With regard to the proposal to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, an abstention will have no effect because it will not be a vote cast on the proposal. Broker non-votes, if any, will have no effect on the outcome of the vote with respect to such proposal.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. Abstentions are also considered to be present at the meeting and entitled to vote on any matter from which the stockholder abstains. Generally, a bank, broker or other nominee may vote the shares that it holds for you only in accordance with your instructions. However, if your bank, broker or other nominee has not received your instructions, your bank, broker or other nominee has the discretion to vote only on certain matters that are routine, such as Proposal 2. A “broker non-vote” occurs if your bank, broker or other nominee cannot vote on a particular matter because your bank, broker or other nominee has not received instructions from you and because the proposal is not routine.

If the proxy is properly executed and returned prior to the Annual Meeting, the shares represented thereby will be voted as specified therein. IF A STOCKHOLDER DOES NOT SPECIFY OTHERWISE ON THE RETURNED PROXY, THE SHARES REPRESENTED BY THE STOCKHOLDER’S PROXY WILL BE VOTED: **FOR THE ELECTION OF THE NOMINEES LISTED BELOW UNDER “PROPOSAL 1: ELECTION OF DIRECTORS”**; **FOR THE APPOINTMENT OF ERNST & YOUNG LLP AS SET FORTH UNDER “PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM”**; AND IN THE DISCRETION OF THE PROXY HOLDERS ON SUCH OTHER BUSINESS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY POSTPONEMENT(S) OR ADJOURNMENT(S) THEREOF.

Proposal 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has selected Ernst & Young LLP (“EY”) for appointment as our independent registered public accounting firm for the fiscal year ending December 31, 2017, subject to ratification by our stockholders. EY has served as our independent registered public accounting firm since 2015, and previously EY had served as the principal accountant for InfraREIT, L.L.C. for the years ended December 31, 2010 through December 31, 2014. Representatives of EY are expected to be present at the 2017 Annual Meeting of Stockholders to respond to appropriate questions and will have an opportunity to make a statement if they desire to do so.

We are asking our stockholders to ratify the appointment of EY as our independent registered public accounting firm as a matter of good corporate governance even though ratification is not required by our charter or bylaws. If our stockholders fail to ratify the appointment, the Audit Committee will reconsider whether to retain EY as our independent registered public accounting firm for the fiscal year ending December 31, 2017. However, because of the difficulty and expense of making any substitution of auditors after the beginning of the current fiscal year, it is contemplated that the appointment for the fiscal year ending December 31, 2017 will be permitted to stand unless the Audit Committee finds other reasons for making a change. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the fiscal year ending December 31, 2017 if it is determined that such a change would be in the best interest of the Company.

Principal Accountant Fees and Services

Fees for professional services provided by EY in its capacity as our independent registered public accounting firm in each of the last two fiscal years were as follows:

<i>(In thousands)</i>	Years Ended December 31,	
	2016	2015
Audit fees	\$ 923	\$ 728
Audit-related fees	–	–
Tax fees	105	40
All other fees	–	–
Total	\$ 1,028	\$ 768

Audit Fees

Audit fees consisted of the aggregate fees, including expenses, billed in connection with the audits of our annual financial statements, including the integrated audit of internal control over financial reporting and quarterly financial reviews, and services that are normally provided by the independent registered public accounting firm.

Audit-Related Fees

Audit-related fees would consist of the aggregate fees, including expenses, billed in the respective year for assurance and related services and are not reported under “Audit Fees.”

Tax Fees

Tax fees consisted of the aggregate fees, including expenses, billed in the respective year for professional services rendered for income tax compliance, tax advice and tax planning.

All Other Fees

All other fees would consist of fees billed in the respective year for products and services other than services reported above.

Pre-Approval Policy and Procedures

Our Audit Committee charter requires that our Audit Committee pre-approve all audit and non-audit services to be provided by our independent registered public accounting firm, subject to, and in compliance with, the de minimis exception for non-audit services described in Section 10A(i)(1)(B) of the Securities Act of 1933, as amended (the “Securities Act”), and the applicable rules and regulations of the Securities and Exchange Commission (the “SEC”). The Audit Committee pre-approved fees for all audit and non-audit services provided by EY during the years ended December 31, 2016 and 2015.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.

Our Board of Directors consists of nine directors, six of whom are independent within the meaning of the listing standards of the NYSE. Our charter provides for a classified Board of Directors, with three directors in each class serving for a three year term. Directors may be removed from our Board of Directors only for cause, and then only by the affirmative vote of holders of shares entitled to cast at least two-thirds of all the votes entitled to be cast generally in the election of directors.

Our directors stay informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our non-executive directors meet regularly in executive sessions without the presence of management. Our Board of Directors may conduct business through meetings and actions taken by written consent in lieu of meetings. Our Board of Directors' policy, as set forth in our corporate governance guidelines, is to encourage and promote the attendance by each director at all scheduled meetings of the Board of Directors and stockholders.

Code of Business Conduct and Ethics

We have a Code of Business Conduct and Ethics that applies to all of our directors and officers, including Hunt Manager. The code addresses, among other things, honesty and ethical conduct, conflicts of interest, compliance with laws, regulations and policies, including disclosure requirements under the federal securities laws, confidentiality, trading on insider information and reporting of violations of the code. However, we cannot assure you that these policies or provisions of law will always be successful in eliminating or minimizing the influence of such conflicts of interest, and if they are not successful, decisions could be made that might fail to reflect fully our interests or the interests of stockholders. Under our bylaws, our directors and officers may have business interests and engage in business activities similar to, in addition to or in competition with those of or relating to our business. Our Code of Business Conduct and Ethics is a "code of ethics," as defined in Item 406(b) of Regulation S-K. We will generally make any legally required disclosures regarding amendments to, or waivers of, provisions of our code of ethics on our website.

Board Determination of Independence

NYSE rules require that a majority of a company's board of directors be composed of "independent directors." For a director to be "independent" under the NYSE standards, the Board of Directors must affirmatively determine that the director has no material relationship with us that, in the opinion of our Board of Directors, would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. In addition, the director must meet specific independence standards prescribed by the NYSE, including a requirement that the director was not an executive officer or employee of the Company or engaged in certain business dealings with us or our affiliates.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, our Board of Directors has affirmatively determined that Mr. Gates, Ms. Gordon, Ms. Harper, Mr. Logan, Dr. Rosenblum and Ms. Wolf are independent directors within the meaning of the applicable NYSE listing standards. In making this determination, our Board of Directors found that none of these directors had a material or other disqualifying relationship with us.

Our Board of Directors elected Mr. Logan to serve as our lead director, as contemplated by our corporate governance guidelines. Mr. Logan has clearly defined leadership authority and responsibilities, which include:

- presiding at all Board of Directors meetings at which the Chairman is not present;
- serving as a liaison between the Chairman, the Chief Executive Officer and the independent directors;
- consulting with the Chairman and the Chief Executive Officer on meeting agendas and information provided to the directors; and
- serving as the Board of Directors representative for consultation and direct communication with major stockholders on issues that the Board of Directors determines may not be addressed by the Chairman or other Board of Directors designees and as otherwise deemed appropriate by the Board of Directors.

Family Relationships

There are no family relationships among any of our executive officers and directors.

Identification of Director Candidates

In accordance with our corporate governance guidelines and our written Compensation, Nominating and Corporate Governance Committee charter, the Compensation, Nominating and Corporate Governance Committee is responsible for identifying director candidates for our Board of Directors and for recommending director candidates to our Board of Directors for consideration as nominees to stand for election at our annual meetings of stockholders. Director candidates are recommended for nomination for election as directors in accordance with the procedures set forth in the written charter of the Compensation, Nominating and Corporate Governance Committee.

We seek highly qualified director candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. The Compensation, Nominating and Corporate Governance Committee periodically reviews the appropriate skills and characteristics required of our directors in the context of the current composition of our Board of Directors, operating requirements and the long-term interests of our stockholders. In accordance with our corporate governance guidelines, directors should possess the highest personal and professional ethics, integrity and values, exercise good business judgment and be committed to representing the long-term interests of us and our stockholders and have an inquisitive and objective perspective, practical wisdom and mature judgment. The Compensation, Nominating and Corporate Governance Committee reviews director candidates with the objective of assembling a slate of directors that can best fulfill and promote our goals, regardless of gender, age or race, and recommends director candidates based upon contributions they can make to our Board of Directors and management, and their ability to represent our long-term interests and those of our stockholders.

Upon determining the need for additional or replacement board members, the Compensation, Nominating and Corporate Governance Committee will identify director candidates and assess such director candidates based upon information it receives in connection with the recommendation or otherwise possesses, which assessment may be supplemented by additional inquiries. In conducting this assessment, the Compensation, Nominating and Corporate Governance Committee considers knowledge, experience, skills, diversity and such other factors as it deems appropriate in light of our current needs and those of our Board of Directors. The Compensation, Nominating and Corporate Governance Committee may seek input on such director candidates from other directors and recommends director candidates to the Board of Directors for nomination. The Compensation, Nominating and Corporate Governance Committee does not solicit director nominations, but it will consider

recommendations by stockholders with respect to elections to be held at an annual meeting, so long as such recommendations are sent on a timely basis and in accordance with applicable law. The Compensation, Nominating and Corporate Governance Committee will evaluate nominees recommended by stockholders against the same criteria that it uses to evaluate other nominees. The Compensation, Nominating and Corporate Governance Committee may, in its sole discretion, engage one or more search firms or other consultants, experts or professionals to assist in, among other things, identifying director candidates or gathering information regarding the background and experience of director candidates. If the Compensation, Nominating and Corporate Governance Committee engages any such third party, the Compensation, Nominating and Corporate Governance Committee will have sole authority to approve any fees or terms of retention relating to these services, which we will pay.

Our stockholders of record who comply with the advance notice procedures set forth in our bylaws may nominate candidates for election as directors. Our bylaws currently provide that stockholder nominations of director candidates for an annual meeting of stockholders must be received no earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the immediately preceding year's annual meeting of stockholders; provided, however, that in the event that the annual meeting is advanced or delayed by more than 30 days before or after the anniversary of the preceding year's annual meeting of stockholders, to be timely, notice by the stockholder must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or the tenth day following the day on which public announcement of the date of such meeting is first made. The written notice must set forth the information and include the materials required by our bylaws. The advance notice procedures set forth in our bylaws do not affect the right of stockholders to request the inclusion of proposals in our proxy statement pursuant to SEC rules. Any such nomination or proposal should be sent to our corporate secretary at our mailing address (see "Contact the Company" below) and, to the extent applicable, must include the information and other materials required by our bylaws.

Role of Board of Directors in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors will administer this oversight function directly, with support from our three standing committees, the Audit Committee, the Compensation, Nominating and Corporate Governance Committee and the Conflicts Committee, each of which will address risks specific to its respective areas of oversight. In particular, as more fully described below, our Audit Committee will have the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also will monitor compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Compensation, Nominating and Corporate Governance Committee will assess and monitor whether any of the compensation policies and programs the Company directly administers, including our director compensation policy and any other compensation policy we may adopt in the future, has the potential to encourage excessive risk taking and will provide oversight with respect to corporate governance and ethical conduct and monitor the effectiveness of our corporate governance guidelines, including whether such guidelines are successful in preventing illegal or improper liability creating conduct. Our Conflicts Committee will review and advise our Board of Directors on specific matters that our Board of Directors believes may involve conflicts of interest.

Committees of Our Board of Directors

Our Board of Directors has three standing committees: the Audit Committee, the Conflicts Committee and the Compensation, Nominating and Corporate Governance Committee. Each of these committees has a written charter approved by our Board of Directors. A copy of each charter can be found on our website.

COMMITTEE	MEMBERS
Audit	Ellen C. Wolf (Chair) John Gates Harold R. Logan, Jr. Harvey Rosenblum
Conflicts	Storrow M. Gordon (Chair) John Gates Trudy A. Harper Harold R. Logan, Jr. Harvey Rosenblum Ellen C. Wolf
Compensation, Nominating and Corporate Governance	Harold R. Logan, Jr. (Chair) Trudy A. Harper Storrow M. Gordon

Audit Committee

The current members of our Audit Committee are Ms. Wolf (Chair), Mr. Gates, Mr. Logan and Dr. Rosenblum. Our Board of Directors has determined that all of the members of the Audit Committee are independent as required by the NYSE listing standards, SEC rules governing the qualifications of Audit Committee members, our corporate governance guidelines and the written charter of the Audit Committee. Our Board of Directors has also determined, based upon its qualitative assessment of their relevant levels of knowledge and business experience, that all of the members of the Audit Committee are “financially literate” as required by the NYSE listing standards.

In addition, our Board of Directors has determined that Ms. Wolf and Mr. Logan each qualify as an “audit committee financial expert” for purposes of, and as defined by, the SEC rules and has the requisite accounting or related financial management expertise required by NYSE listing standards. The Audit Committee, among other things, acts on behalf of our Board of Directors to discharge the Board of Directors’ responsibilities relating to our corporate accounting and reporting practices; the quality and integrity of our consolidated financial statements; our compliance with applicable legal and regulatory requirements; the performance, qualifications and independence of our external auditors; the staffing, performance, budget, responsibilities and qualifications of our internal audit function; and our policies with respect to risk assessment and risk management. The Audit Committee is also responsible for reviewing with management and external auditors our interim and audited annual consolidated financial statements, meeting with officers responsible for certifying our Annual Report on Form 10-K or any quarterly report on Form 10-Q prior to any such certification and reviewing with such officers disclosures related to any significant deficiencies in the design or operation of internal controls. The Audit Committee is charged with periodically discussing with our external auditors such auditors’ judgments about the quality, not just the acceptability, of our accounting principles as applied in our consolidated financial statements. The Audit Committee has the authority to select, retain, terminate and approve the fees and other retention terms of independent or outside counsel or advisors, in each case of its choice and as it determines to be necessary or appropriate to carry out its duties.

The Audit Committee Report for the fiscal year ended December 31, 2016 is included in this Proxy Statement beginning on page 22.

Conflicts Committee

Our Board of Directors appointed a Conflicts Committee that currently consists of each of our independent directors, with Ms. Gordon as Chair. All of the members of the Conflicts Committee are independent within the meaning of the NYSE listing standards. The Conflicts Committee reviews and advises our Board of Directors on specific matters that our Board of Directors believes may involve conflicts of interest. Our Board of Directors has approved a conflict of interest policy that requires, among other things, that the Conflicts Committee approve any new lease or lease renewals, any acquisition by us of a ROFO Project (as defined below) and arrangements with Hunt Manager. The Conflicts Committee has the authority to retain and terminate (or obtain the advice of) any independent legal counsel, financial or other advisor or any other expert as the Conflicts Committee deems necessary or appropriate to fulfill its responsibilities.

Compensation, Nominating and Corporate Governance Committee

Mr. Logan (Chair), Ms. Harper and Ms. Gordon are the current members of our Compensation, Nominating and Corporate Governance Committee. Our Board of Directors has determined that all of the members of the Compensation, Nominating and Corporate Governance Committee are independent as required by the NYSE listing standards, SEC rules, our corporate governance guidelines and the written charter of the Compensation, Nominating and Corporate Governance Committee. The Compensation, Nominating and Corporate Governance Committee is responsible for, among other things, evaluating the performance of Hunt Manager, reviewing the compensation and fees payable to Hunt Manager under the management agreement and administering the InfraREIT, Inc. 2015 Equity Incentive Plan (the "Equity Incentive Plan"). Because the management agreement provides that Hunt Manager is responsible for managing our affairs, our officers, who are employees of Hunt Manager, do not receive compensation from us for serving as our officers. To the extent that the terms of the management agreement change and we become responsible for paying the compensation or any other employee benefits of our Chief Executive Officer, the Compensation, Nominating and Corporate Governance Committee will review and approve corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluate the performance of our Chief Executive Officer in light of those goals and objectives and determine our Chief Executive Officer's compensation level based on this evaluation. The Compensation, Nominating and Corporate Governance Committee has the authority to retain or obtain the advice of and terminate such consultants, outside counsel and other advisors with respect to the Compensation, Nominating and Corporate Governance Committee's compensation functions as it may deem appropriate in its sole discretion.

The Compensation, Nominating and Corporate Governance Committee is also responsible for, among other things, periodically reviewing and making recommendations to our Board of Directors on the range of qualifications that should be represented on our Board of Directors and eligibility criteria for individual board membership, as well as seeking, considering and recommending to our Board of Directors qualified candidates for election as directors and approving and recommending to our full Board of Directors the appointment of each of our officers. The Compensation, Nominating and Corporate Governance Committee reviews and makes recommendations on matters involving the general operation of our Board of Directors and corporate governance and annually recommends to our Board of Directors nominees for each committee of our Board of Directors. In addition, the Compensation, Nominating and Corporate Governance Committee annually facilitates the assessment of our Board of Directors' performance and reports thereon to our Board of Directors.

Subcommittees

From time to time, the Board of Directors or the standing committees may delegate authority to a subcommittee of one or more of its members, to the extent permitted by the applicable committee charter. In this respect, during 2016, the Conflicts Committee formed a Rate Case Subcommittee, comprised of Ms. Gordon (Chair), Ms. Harper and Ms. Wolf, to evaluate and make recommendations to the Conflicts Committee regarding certain matters in the pending rate case (the “Rate Case”) of our regulated subsidiary, Sharyland Distribution & Transmission Services, L.L.C. (“SDTS”).

Board of Directors and Committee Meetings

During 2016, our Board of Directors held nine meetings, the Audit Committee held eight meetings, the Compensation, Nominating and Corporate Governance Committee held five meetings and the Conflicts Committee held ten meetings. Each of our directors attended 75% or more of the total meetings of the Board of Directors and of the committees on which they served during 2016.

Stock Ownership Guidelines

Our Board of Directors believes that directors more effectively represent the best interests of the Company if they are stockholders themselves. Thus, our non-executive directors (as defined below) are encouraged to own shares of our Common Stock equal in value to five times the annual cash retainer for the Board of Directors (which was \$60,000 for 2016), on an after tax basis assuming a 35% tax rate, within the later of five years of joining the Board of Directors and February 4, 2020. The minimum number of shares to be held by the non-executive directors will be calculated at least annually by the Compensation, Nominating and Corporate Governance Committee, based on the average closing price of our Common Stock for the previous calendar year. In calculating the number of shares held by each non-executive director for purposes of these guidelines, restricted stock, profits interest partnership units in our Operating Partnership (“LTIP Units”), other partnership units in our Operating Partnership (“OP Units”) and shares of Common Stock owned by a spouse or trust will be included. At any time during which the director is not in compliance with the stock ownership guidelines, the director must retain 50% (after tax) of his or her Annual Equity Award (as defined below). All of our non-executive directors satisfied our stock ownership guidelines as of March 13, 2017. The Compensation, Nominating and Corporate Governance Committee is responsible for monitoring the application of the stock ownership guidelines and may waive or modify these requirements in certain situations.

EXECUTIVE AND DIRECTOR COMPENSATION

Executive Compensation

Because our management agreement provides that Hunt Manager is responsible for managing our affairs, our executive officers, who are employees of Hunt Manager, do not receive compensation from us for serving as our officers. Hunt Manager or one of its affiliates compensates each of our executive officers. Pursuant to the management agreement, we pay Hunt Manager a management fee, and we have no control over the amount or form of consideration Hunt Manager pays our executive officers.

We believe that Hunt's shared alignment with our stockholders through Hunt's ownership of equity in us and our Operating Partnership and the manner in which the incentive payment to Hunt Manager provided for in the management agreement is calculated will help mitigate any conflicts of interests. In addition, consistent with NYSE listing standards, a majority of our directors are independent, and our conflict of interest policy is designed to ensure that our Conflicts Committee, which is comprised solely of independent directors, reviews and approves all material potential conflict transactions.

Director Compensation

We pay director compensation to each of our directors other than David A. Campbell and Hunter L. Hunt, who do not receive compensation from InfraREIT for serving on our Board of Directors. Each other director (our "non-executive directors") receives an annual base fee for his or her services of \$60,000, payable in equal quarterly installments on the first business day of each quarter. Each non-executive director also receives an annual award (the "Annual Equity Award") of shares of our Common Stock or, at the election of the non-executive director, a number of LTIP Units, in each case equal to \$80,000 divided by the volume weighted price of the shares of our Common Stock on the NYSE during the 15 consecutive trading days prior to January 1 of the year in which granted. The Annual Equity Awards will vest one year from the date of grant, and unvested Annual Equity Awards will be forfeited if the recipient ceases to be one of our directors for a reason other than death, disability or a change in control. In addition, our lead director receives an additional annual cash retainer of \$25,000 and the Chairs of our Audit Committee, Conflicts Committee, Compensation, Nominating and Corporate Governance Committee and Rate Case Subcommittee each receive an additional annual cash retainer of \$10,000, \$10,000, \$10,000 and \$4,000, respectively, payable in equal quarterly installments. Further, each member of the Audit Committee, Conflicts Committee, Compensation, Nominating and Corporate Governance Committee and Rate Case Subcommittee receives an additional annual cash retainer of \$12,000, \$12,000, \$6,000 and \$7,500, respectively, payable in equal quarterly installments. In lieu of receiving the cash fees described above, each non-executive director is entitled, subject to certain exceptions, to elect to receive fees in shares of our Common Stock. If a director makes this election, the number of shares of Common Stock issued will be calculated by dividing the cash value of the payment by the volume weighted price of our Common Stock on the NYSE during the 15 consecutive trading days prior to the first day of each quarter. We also reimburse each of our directors for their travel expenses incurred in connection with their attendance at Board of Directors and committee meetings.

The following table sets forth the compensation received by each of our non-executive directors during 2016:

<u>Name</u>	<u>Fees Earned or Paid in Cash (\$)</u>	<u>Equity Awards (\$)</u> (1)	<u>Total (\$)</u>
W. Kirk Baker	-	139,151	139,151
John Gates	-	163,230	163,230
Storrow M. Gordon	64,750	106,980	171,730
Trudy A. Harper	21,750	139,151	160,901
Harold (Hal) R. Logan, Jr.	-	204,428	204,428
Harvey Rosenblum	84,000	78,891	162,891
Ellen C. Wolf	97,750	78,891	176,641

- (1) Represents the total fair value of equity awards received by non-executive directors in 2016, either in the form of LTIP Units or shares of Common Stock. A discussion of the assumptions used in calculating these values can be found in Note 17 to our 2016 audited consolidated financial statements beginning on page F-1 of our 2016 Annual Report.

Role of Compensation Consultant

The Compensation, Nominating and Governance Committee engaged the services of an independent compensation consultant, Pearl Meyer, with respect to reviewing and benchmarking the compensation paid to our non-executive directors. The Compensation, Nominating and Governance Committee reviewed Pearl Meyer's independence and determined that Pearl Meyer's work for the Compensation, Nominating and Governance Committee in 2016 did not raise any conflict of interest pursuant to the SEC and NYSE rules.

Equity Incentive Plan

Prior to our IPO, we adopted the Equity Incentive Plan which permits us to provide equity-based compensation to certain personnel who provide services to us, Hunt Manager or an affiliate of either in the form of stock options, stock appreciation rights, dividend equivalent rights, restricted stock, stock units, performance-based awards, unrestricted stock, LTIP Units and other awards. We utilize the Equity Incentive Plan to compensate our non-executive directors for their service on our Board of Directors. No awards have been made under the Equity Incentive Plan to our executive officers or any other employees of Hunt Manager.

General

The Equity Incentive Plan provides for the grant of options to purchase shares of Common Stock, share awards (including restricted stock and stock units), stock appreciation rights, performance-based awards and annual incentive awards, unrestricted awards, dividend equivalent rights, LTIP Units, cash and other equity-based awards up to an aggregate of 375,000 shares. LTIP Units are a special class of partnership interests in our Operating Partnership. Each LTIP Unit awarded will be deemed to be equivalent to an award of one share of our Common Stock reserved under the Equity Incentive Plan and will reduce the amount of shares of Common Stock available for other equity awards on a one-for-one basis. As of March 13, 2017, 265,353 shares remain available for future awards under the Equity Incentive Plan. The Equity Incentive Plan provides, among other things, that no participant in the plan will be permitted to acquire, or will have any right to acquire, shares thereunder if such acquisition would be prohibited by the ownership limits contained in our charter or would impair our status as a REIT.

Administration of the Equity Incentive Plan

The Equity Incentive Plan is administered by our Compensation, Nominating and Corporate Governance Committee. Subject to the terms of the Equity Incentive Plan, our Compensation, Nominating and Corporate Governance Committee will determine all terms and conditions of awards, who will receive awards, the type of award and the number of shares of Common Stock subject to the award, if the award is equity based. Our Compensation, Nominating and Corporate Governance Committee may also interpret the provisions of the Equity Incentive Plan and the award agreements thereunder. References below to our Compensation, Nominating and Corporate Governance Committee refer to our Board of Directors or another committee appointed by our Board of Directors for those periods in which our Board of Directors or such other committee is acting. Each member of our Compensation, Nominating and Corporate Governance Committee that administers the Equity Incentive Plan (i) is a “non-employee director” within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and (ii) will, at such times as we are subject to Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), and to the extent it is intended that awards will be treated as performance-based compensation for purposes of Section 162(m), qualify as an outside director for purposes of Section 162(m) of the Code.

Eligibility

Awards under the Equity Incentive Plan may be granted to our employees (if any), directors and officers and any employees, directors and officers of our affiliates. Hunt Manager and its affiliates and other personnel of Hunt Manager and its affiliates are also eligible to receive awards under the Equity Incentive Plan, although we have not granted any awards to our executive officers or to any other Hunt Manager employees. In addition, consultants and advisers who perform services for us and our affiliates may receive awards under the Equity Incentive Plan, although we have not granted any awards to consultants or our other advisers. Similarly, consultants and advisers who perform services for Hunt Manager and its affiliates are also eligible to receive awards under the Equity Incentive Plan.

Share Usage

Shares of Common Stock that are subject to awards will be counted as used as of the grant date. If any award expires, is forfeited or is terminated without having been exercised or is paid without delivery of stock, then any shares of stock covered by such lapsed, cancelled, expired, unexercised or cash-settled portion of such award or grant will be available for the grant or settlement of other awards under the Equity Incentive Plan.

Recoupment

Shares or payments received by award recipients under award agreements for awards granted pursuant to the Equity Incentive Plan may be subject to mandatory repayment by the recipient to us of any gain realized by the recipient to the extent the recipient is in violation of or in conflict with certain agreements (including but not limited to an employment or noncompetition agreement with us, Hunt Manager or an affiliate of either) or upon termination for cause as defined in the Equity Incentive Plan, any applicable award agreement or any other agreement between us, Hunt Manager or an affiliate of either and the recipient. Reimbursement or forfeiture may also apply if we are required to prepare an accounting restatement due to a material noncompliance by us, as a result of misconduct, with any financial reporting requirement under the securities laws or if an award was earned or vested based on achievement of pre-established performance goals that are later determined, as a result of the accounting restatement, not to have been achieved.

Change in Control

Except as otherwise provided in an applicable award agreement, if we experience a change in control in which the applicable outstanding awards that are not exercised prior to the change in control will not be assumed or continued by the surviving entity: (i) except for performance awards, all restricted stock and unvested LTIP Units will vest, and all stock units and dividend equivalent rights will vest and the underlying shares will be delivered immediately before the change in control and (ii) at our Board of Directors' discretion, either all options and stock appreciation rights will become exercisable 15 days before the change in control and terminate upon the consummation of the change in control (to the extent such awards are not exercised as of the change in control) or all options, stock appreciation rights, restricted stock and stock units will be cashed out or redeemed for securities of equivalent value before the change in control. In the case of performance awards denominated in stock, stock units or LTIP Units, if half or more of the performance period has lapsed, the performance award will be converted into restricted stock or stock units based on actual performance to date. If less than half of the performance period has lapsed, or if actual performance is not determinable, the performance award will be converted into restricted stock or stock units assuming target performance has been achieved. Other equity-based awards will be governed by the terms of the applicable award agreement.

Adjustments for Stock Dividends and Similar Events

Our Compensation, Nominating and Corporate Governance Committee will make appropriate adjustments in outstanding awards and the number of shares available for issuance under the Equity Incentive Plan, including the individual limitations on awards, to reflect stock splits and other similar events.

Amendment and Termination

Our Board of Directors may amend or terminate the Equity Incentive Plan at any time; provided that no amendment may adversely impair the benefits of a participant, without his or her consent, with respect to his or her outstanding awards. Our stockholders must approve any amendment if such approval is required by our Board of Directors or under applicable law or stock exchange requirements. Our stockholders also must approve any amendment that changes the no-repricing provisions of the Equity Incentive Plan. Unless terminated sooner by our Board of Directors or extended with stockholder approval, the Equity Incentive Plan will terminate on December 1, 2024.

Employee Stock Purchase Plan

We have adopted the InfraREIT, Inc. 2015 Non-Qualified Employee Stock Purchase Plan ("ESPP") that will allow employees of Hunt Manager or its affiliates whose principal duties include the management and operation of our business to purchase shares of our Common Stock at a discount. Pursuant to the management agreement, Hunt Manager is obligated to fund all of the costs associated with the ESPP, including the funds necessary to purchase shares of our Common Stock in the open market pursuant to the plan. A total of 250,000 shares of Common Stock are reserved for sale and authorized for issuance under the ESPP. As of December 31, 2016, no shares have been purchased or offered for purchase under the ESPP.

Compensation Committee Interlocks and Insider Participation

None of the individuals who serve as a member of our Compensation, Nominating and Corporate Governance Committee has at any time been one of our executive officers or employees. None of the individuals who serve as our executive officers currently serves, or has served during the last completed fiscal year, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors.

AUDIT COMMITTEE REPORT

It is the responsibility of the members of the Audit Committee of our Board of Directors to contribute to the reliability of the Company's consolidated financial statements. In keeping with this goal, the Audit Committee charter, as approved by the Board of Directors on January 29, 2015, sets forth the duties and responsibilities of the Audit Committee. The members of the Audit Committee are independent directors.

The Company's management has primary responsibility for the preparation of the consolidated financial statements, completeness and accuracy of financial reporting and the overall system of internal control over financial reporting. EY, as the Company's independent registered public accounting firm, is responsible for expressing an opinion on the Company's audited consolidated financial statements and the fair presentation, in all material respects, of the Company's consolidated financial statements in accordance with generally accepted accounting principles in the United States ("U.S. GAAP"). Internal audit is responsible to the Audit Committee for testing the integrity of the financial accounting and reporting control systems and such other matters as the Audit Committee determines. The Audit Committee's responsibility is oversight. Therefore, the Audit Committee is not responsible for preparing the Company's consolidated financial statements, planning or conducting audits or determining that the Company's consolidated financial statements and disclosures are complete and accurate and are in accordance with U.S. GAAP. The Audit Committee does not provide any expert or special assurance as to the Company's consolidated financial statements or any professional certification as to the independent auditors' work.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and EY the quarterly and audited consolidated financial statements, and has discussed with EY, with and without management present, the financial statement audit and the overall quality, not just the acceptability, of the Company's financial reporting. The Company also reviewed with management and EY each press release concerning earnings prior to it being released.

During 2016, the Audit Committee was provided updates on, monitored and discussed with management the status of the Company's compliance with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. In addition, the Audit Committee reviewed management's evaluation and assessment of the effectiveness of internal control over financial reporting as of December 31, 2016. EY has audited and also expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting as of December 31, 2016.

EY has delivered to the Audit Committee the written disclosures and the letter required by the Public Company Accounting Oversight Board ("PCAOB"), including Auditing Standard No. 16. EY has provided to the Audit Committee the communication required by PCAOB Ethics and Independence Rule 3526, *Communications with Audit Committees Concerning Independence* and informed the Audit Committee that, with respect to the Company, it is independent under the SEC rules and the independence requirements of the PCAOB. The Audit Committee has discussed with EY the written disclosures and the letter regarding their independence. The Audit Committee also oversees the rotation of key EY partners assigned to our audit as required at least every five years, and the Audit Committee and its chair participate in selecting each new lead engagement partner.

Management Agreement

We are externally managed by Hunt Manager pursuant to a management agreement, which we entered into in January 2015 in connection with our IPO, pursuant to which Hunt Manager manages our day-to-day operations, subject to oversight from our Board of Directors. During the year ended December 31, 2016, we made payments to Hunt Manager of \$10.3 million of fees and \$0.5 million for reimbursement of annual software license and maintenance fees and other expenses under the management agreement.

Under the management agreement, Hunt Manager is responsible for presenting to us and managing our investment opportunities, conducting our investor relations, implementing our financial policies and practices and generally administering our day-to-day operations. Hunt Manager is required to provide us with a management team, including a chief executive officer, president and chief financial officer, along with appropriate support personnel. The members of our management team are required to devote such time to their management of us as is necessary and appropriate, commensurate with their level of activity, but are otherwise permitted to engage in other activities unrelated to our business, including rendering services similar to those provided to us pursuant to the management agreement or investing in, or rendering advisory services to others investing in, acquisitions of assets that would meet our principal investment objectives.

We paid Hunt Manager an annual base fee of \$13.1 million for April 1, 2015 through March 31, 2016, and, effective as of April 1, 2016, the annual base fee was adjusted to \$14.0 million through March 31, 2017. Effective April 1, 2017, the annual base fee will adjust to \$14.2 million through March 31, 2018, which equals 1.50% of our total equity as reflected on our consolidated balance sheet (including non-controlling interest) as of December 31, 2016. The base fee for each twelve month period beginning on each April 1 thereafter will equal 1.50% of our total equity as reflected on our consolidated balance sheet (including non-controlling interest) as of December 31 of the immediately preceding year. The fee is subject to a \$30.0 million cap, unless a greater amount is approved by a majority of our independent directors (or a committee comprised solely of independent directors).

We will pay Hunt Manager an incentive payment, payable quarterly, equal to 20% of (i) quarterly per OP Unit distributions (inclusive of the incentive payment) in excess of \$0.27 per quarter multiplied by (ii) the aggregate number of OP Units outstanding. For purposes of calculating the incentive payment, distributions in excess of 100% of our cash available for distribution will not be included in the calculation. Cash available for distribution, as defined in the management agreement, is an amount equal to (A) net income before noncontrolling interest, plus (B) depreciation, plus (C) amortization of deferred financing costs, if any, minus (D) allowance for funds used during construction – other funds, minus (E) capital expenditures necessary to maintain net assets, subject to adjustments to eliminate the impact of certain other non-cash items. For purposes of calculating cash available for distribution, capital expenditures necessary to maintain net assets are equal to the amount of our depreciation expense. The non-cash adjustments to be made include additions or subtractions related to (1) the effect of our percentage rent calculation method, which represents the difference between the quarterly cash payments due on percentage rent and the revenue included in net income; (2) the effect of straight-line rents, which represents the difference between the timing of cash-based rent payments and the recognition of base rent revenue in accordance with U.S. GAAP; (3) the fair value adjustment of balance sheet items such as contingent consideration and hedges; (4) non-cash equity compensation; (5) goodwill impairment; and (6) subject to the approval of the Audit Committee of our

Board of Directors, such other adjustments as Hunt Manager may recommend from time to time to give effect to the intent in the calculation of cash available for distribution under the management agreement or to reflect changes in our public reporting practices.

We reimburse Hunt Manager for all third-party expenses incurred on our behalf or otherwise in connection with the operation of our business, other than: compensation expenses related to Hunt Manager's personnel (including our officers), occupancy costs incurred by Hunt Manager related to its place of business, time or project-based billing for work done by Hunt affiliates, travel and expenses for Hunt Manager's employees, fees or costs associated with professional service organizations, publications, periodicals, professional development or related matters for Hunt Manager employees and income or franchise taxes payable by Hunt Manager, all of which will be the exclusive responsibility of Hunt Manager. Additionally, we are required to include, and have included, Hunt Manager and its affiliates under our directors and officers insurance policy, including professional liability coverage, with limits of \$50.0 million. In the event that Hunt Manager requests that additional professional liability insurance be purchased and added to our policy, Hunt Manager will bear any additional premium costs.

Pursuant to the management agreement, Hunt Manager does not assume any responsibility other than to render the services called for thereunder and will not be responsible for any action of our Board of Directors in following or declining to follow its advice or recommendations. Further, Hunt Manager, its affiliates and their respective officers, directors, stockholders and employees will not be liable to us, our directors, our stockholders or any partners of our Operating Partnership for acts or omissions performed in accordance with and pursuant to the management agreement, except where such liability arises as a result of acts constituting gross negligence, willful misconduct, bad faith or reckless disregard of their duties under the management agreement. Hunt Manager has agreed to indemnify us and each of our officers, directors, employees and agents from and against any claims or liabilities arising out of or in connection with acts of Hunt Manager constituting gross negligence, willful misconduct, bad faith or reckless disregard of their duties under the management agreement or any claims by Hunt Manager's employees relating to the terms and conditions of their employment by Hunt Manager.

The term of the management agreement expires December 31, 2019, and will automatically renew for successive five year terms unless a majority of our independent directors decides to terminate the agreement. If our independent directors decide to terminate the agreement, we must give Hunt Manager notice of the termination at least one year in advance of the scheduled termination date and pay Hunt Manager a termination fee, in cash or equity, at our election, in an amount equal to three times the most recent annualized base management fee and incentive payment amount. If we elect to pay the termination fee in equity, the fee will be paid in OP Units, which will be issued five days after the effective date of termination, with the number of OP Units based on the volume weighted average price of our Common Stock during the 10 trading day period that precedes such effective date of termination.

We also have the right to terminate the management agreement at any time for cause (as defined in the management agreement), and Hunt Manager may terminate the agreement at any time upon 365 days' prior notice to us, provided that Hunt Manager may not terminate the agreement effective before December 31, 2019. In these circumstances, the termination fee would not be owed to Hunt Manager.

Development Agreement

Pursuant to the development agreement with Hunt Developer and Sharyland, which we entered into in January 2015 in connection with our IPO, we have the exclusive right to fund the construction of Footprint Projects, and Hunt and its affiliates have the exclusive right to fund the development and construction of ROFO Projects during the term of the development agreement. "Footprint Projects" are defined in the

development agreement to include transmission and distribution (“T&D”) projects primarily situated within our distribution service territory, or that physically hang from our existing transmission assets, such as the addition of another circuit to our existing transmission lines, or that are physically located within one of our substations. Footprint Projects do not include the addition of a new substation on our existing transmission lines or generation interconnects to our existing transmission lines, unless the addition or interconnection occurred within our distribution service territory. “ROFO Projects” are certain identified projects that are being developed by Hunt and its affiliates with respect to which we have a right of first offer under the development agreement. Once a ROFO Project is acquired and the applicable T&D assets are added to our rate base, we will have the exclusive right to fund any future additions to those T&D assets that constitute Footprint Projects with respect to the acquired assets.

Our development agreement requires Hunt to offer ROFO Projects to us at least 90 days prior to the date on which such assets are expected to be placed in service. Hunt’s offer of a ROFO Project will commence a 75-day negotiation period; however, in certain circumstances, the parties may agree to extend the negotiation period past 75 days. Following this period, if we are unable to reach an agreement on the terms of such purchase, the ROFO Project may be retained by Hunt or one of its affiliates or it may be transferred to a third-party, but only on terms and conditions generally no more favorable than those offered to us. If the ROFO Project is not transferred to a third-party within 18 months of the end of the prior negotiation period, Hunt would then be required to make a new offer and start a new 75-day negotiation period with the Conflicts Committee before transferring the ROFO Project to a third party. Two such ROFO Projects, the Golden Spread Electric Cooperative interconnection (“Golden Spread Project”) and Cross Valley transmission line (“Cross Valley Project”), were previously offered to us, but were subsequently transferred to Sharyland following our Conflicts Committee’s decision in 2016 to postpone consideration of the purchase of those projects at that time. Hunt has informed us that it expects to offer the Golden Spread Project and Cross Valley Project to us again in the future.

Additionally, under the terms of our development agreement, we are required to give Sharyland a right of first offer to lease any assets we acquire or develop, subject to limited exceptions. If we and Sharyland are unable to agree on lease terms, we will only be able to lease the assets to other tenants on terms that are more favorable to us than Sharyland’s best offer.

The term of the development agreement expires December 31, 2019 and will automatically renew for successive five year terms. However, our rights under the development agreement will expire effective upon any termination of the management agreement.

Hunt has informed us that it has funded and in the future intends to fund the development and construction of the ROFO Projects through development companies in which John Hancock Life Insurance Company (U.S.A.), OpTrust Infrastructure N.A. Inc. and Teachers Insurance and Annuity Association of America (collectively, our “continuing founding investors”), each of which holds more than 5% of our outstanding shares of Common Stock, have the opportunity to invest capital. Accordingly, Hunt and our continuing founding investors own or may own interests in ROFO Projects that we may acquire pursuant to the development agreement and therefore may benefit from any consideration that we pay in connection with our acquisition of these projects.

Leases with Sharyland

We lease our T&D assets to Sharyland under five separate lease agreements. For the year ended December 31, 2016, we recognized revenue from Sharyland in an amount equal to \$172.1 million. During the year ended December 31, 2016, we made payments of \$231.6 million to Sharyland to fund capital expenditures under the leases. However, we have proposed as part of our pending Rate Case to replace our five existing lease agreements with two new leases. See “—Proposed Arrangements—New Leases” below.

License Agreement

We have a perpetual, non-exclusive license from Hunt Manager to use certain methods, processes, trade secrets and other intellectual property rights utilized in managing and operating our assets. We do not pay a separate fee to Hunt Manager under the license agreement.

Proposed Arrangements

New Leases

In October 2016, the Public Utility Commission of Texas (“PUCT”) issued a preliminary order (“Preliminary Order”) that, among other things, required SDTS to request PUCT approval in the Rate Case of an SDTS tariff establishing terms and conditions for the leases between Sharyland and SDTS. Consistent with the Preliminary Order, SDTS and Sharyland have proposed as part of the Rate Case to replace their five existing lease agreements with two leases, one for transmission assets and one for distribution assets. Each of the new leases, if approved by the PUCT, will be executed upon the effectiveness of the Rate Case and will have an initial four year term.

The proposed lease payments will include both base and percentage rent as established by the PUCT. Base rent under the leases is a fixed amount. Percentage rent will be an annual amount equal to a percentage (the “percentage rent rate”) of gross revenues collected by Sharyland during the year, subject to certain adjustments as described in the leases, in excess of applicable annual percentage rent breakpoints.

The transmission lease, as proposed, will have one annual percentage rent breakpoint and one percentage rent rate. The distribution lease, as proposed, will have two annual percentage rent breakpoints and two percentage rent rates. Sharyland will owe percentage rent based on the percentage rent rate on the portion of Sharyland’s adjusted gross revenues in excess of the applicable annual percentage rent breakpoint.

The following table depicts the proposed rates in the SDTS tariff that Sharyland will pay SDTS based on the 2015 test year data:

(In thousands, except percentages)

	Rates
Transmission Lease	
Monthly base rent	\$ 8,270
Percentage rent rate	35.0%
Annual percentage rent breakpoint	\$ 99,243
Distribution Lease	
Monthly base rent	\$ 3,247
<i>Initial</i>	
Percentage rent rate	15.4%
Annual percentage rent breakpoint	\$ 38,973
<i>Secondary</i>	
Percentage rent rate	39.9%
Annual percentage rent breakpoint	\$ 102,247

As proposed in the Rate Case, lease payments under the transmission lease will be updated upon the effectiveness of the Rate Case to give effect to interim transmission cost of service (“TCOS”) filings that have been approved by the PUCT after the 2015 test year. The base rent payments will also be updated on an ongoing basis through TCOS and distribution cost recovery factor (“DCRF”) filings with the PUCT. These updates will replace the current rent supplements and validation process in our existing lease structure.

The final provisions of the two new leases are subject to the approval of the PUCT and may vary from the terms that we have proposed. Additional information regarding the Rate Case and the proposed new leases is provided in our 2016 Annual Report.

Transition Payment Agreement

Our Rate Case filings also reference a transition payment agreement (the “Transition Payment Agreement”), which will be executed upon conclusion of the Rate Case. The Transition Payment Agreement is intended to allocate the growth in Sharyland’s distribution revenues as additional assets are placed in service after the 2015 test year between InfraREIT’s subsidiary, Transmission and Distribution Company, L.L.C. (“TDC”), as the unregulated parent company of SDTS, and an unregulated parent company of Sharyland. The Transition Payment Agreement will provide us the opportunity to realize an additional portion of Sharyland’s revenue growth to mitigate the regulatory lag on our assets placed in service between rate cases, similar to the opportunity that integrated utilities enjoy. We expect the payments under the Transition Payment Agreement to be based on a variety of factors, including Sharyland’s distribution revenue growth and the amount of distribution assets placed in service, but the amount of the payments expected under the Transition Payment Agreement is uncertain at this time. However, without the Transition Payment Agreement in place, we would be subject to considerable regulatory lag related to our distribution assets and, accordingly, the potential for reduced revenue related to our incremental distribution capital expenditures. The Transition Payment Agreement will relate only to the distribution portion of our business, and not to transmission.

Other Agreements or Transactions

Registration Rights

On March 1, 2016, we entered into a second amended and restated registration rights agreement (the “Registration Rights Agreement”), which amended and restated the agreement that we entered into in connection with our IPO, with certain of our pre-IPO investors (including Hunt, W. Kirk Baker, who is the Chairman of our Board of Directors, and our continuing founding investors). Pursuant to the Registration Rights Agreement, on February 18, 2016 we filed a registration statement that registers the issuance of shares upon the redemption by certain of our limited partners, including Hunt, of their OP Units to the extent they exercise such right and we decide to redeem such shares for stock in lieu of cash, and on March 3, 2016 we filed a registration statement that registers for resale shares of our Common Stock held (either of record or beneficially) by Hunt and our continuing founding investors. Pursuant to the Registration Rights Agreement, we have also agreed to effect up to four underwritten offerings upon notice by parties holding at least 5% of the securities subject to the Registration Rights Agreement, subject to certain limitations. We also have the obligation, in 2018 and 2020, to register additional shares of Common Stock beneficially owned by Hunt as Hunt’s lock-up obligations with respect to those shares, as described below, expire. InfraREIT will not receive any cash proceeds from the issuance or resale of shares of our Common Stock pursuant to the registration statements.

Lock-Up Agreement with Hunt

We have entered into a lock-up agreement with HCI and certain of its subsidiaries, which became effective upon the consummation of our IPO on February 4, 2015. The lock-up agreement originally applied to 100% of the shares of Common Stock and OP Units that Hunt beneficially owned. On February 4, 2016, the lock-up expired with respect to 20% of Hunt’s holdings, and 13,471,978 of the shares of our Common Stock and OP Units that Hunt owns remain subject to the lock-up. After February 4, 2018, this lock-up will

continue to apply to an aggregate of approximately 8,419,987 shares of our Common Stock and OP Units until February 4, 2020, at which time all transfer restrictions will expire. The lock-up agreement is subject to exceptions permitting Hunt to transfer its equity to affiliates, provided that the transferee must assume the applicable lock-up restrictions. Hunt's lock-up agreement with us will terminate upon the termination or nonrenewal of the management agreement and development agreement. Hunt has informed us that it currently intends to hold a substantial portion of its equity in us for the foreseeable future.

Partnership Agreement of the Operating Partnership

All of our assets are held by, and all of our business activities, including all activities pertaining to the acquisition or disposition of properties, are conducted through our Operating Partnership, either directly or through its subsidiaries. On March 10, 2015, a third amended and restated agreement of limited partnership became effective. Hunt owns of record an approximate 27.5% limited partner interest in the Operating Partnership as of March 13, 2017. Each of our directors, other than Hunter L. Hunt (except through his beneficial ownership of Hunt's OP Units), also is a limited partner in the Operating Partnership. Subject to the terms of the partnership agreement, a limited partner of our Operating Partnership may at any time require us to redeem the OP Units it holds for cash at a per OP Unit value equal to the 10-day trailing trading average of a share of our Common Stock at the time of the requested redemption. At our election, we may satisfy the redemption through the issuance of shares of our Common Stock on a one-for-one basis. However, the limited partners' redemption right may not be exercised if and to the extent that the delivery of the shares upon such exercise would result in any person violating the ownership and transfer restrictions set forth in our charter.

Ownership of Sharyland Distribution & Transmission Services, L.L.C.; Delegation Agreement

Together with Sharyland, our Operating Partnership's wholly-owned subsidiary, TDC, owns SDTS. TDC owns substantially all of the economic interests in SDTS, and SDTS owns all of our T&D assets. Pursuant to the third amended and restated company agreement of SDTS (the "SDTS Company Agreement"), Sharyland is the managing member of SDTS, and we are not able to remove Sharyland as managing member without prior PUCT permission. As the managing member, Sharyland has the exclusive power and authority on behalf of SDTS to manage, control, administer and operate the properties, business and affairs of SDTS in accordance with the SDTS Company Agreement, subject to a variety of negative control rights in favor of TDC.

However, to the extent that day-to-day operations of SDTS involve matters primarily related to passive ownership of the assets, Sharyland has delegated those responsibilities and authorities to InfraREIT pursuant to a delegation agreement entered into in connection with our IPO. Under this agreement, Sharyland expressly reserves certain rights related to the management of SDTS, including the right to cause SDTS to fund its obligations under the leases if we fail to do so. Subject to this reservation, the delegation agreement generally gives us primary responsibility for capital sourcing, financing, cash management and investor relations, including: raising equity and debt capital for SDTS and its subsidiaries; opening bank accounts; preparing and obtaining approval for annual business plans (with Sharyland's assistance); managing external auditor and law firm relationships; preparing financial statements; communicating with external equity and debt financing sources; acting as the tax matters partner of SDTS; and other day-to-day operational matters. The delegation agreement also delegates to us the right to elect officers of SDTS to carry out the responsibilities and obligations delegated to us pursuant to the delegation agreement, provided that we have agreed that one designee from Sharyland will be elected as a senior vice president of SDTS.

Conflicts of Interest

General

In connection with our IPO, our Board of Directors adopted policies and procedures designed to protect our stockholders against conflicts of interest. These policies and procedures, among other things, require the approval of our Conflicts Committee for ROFO Project acquisitions and for certain decisions related to our leases, the development agreement and the management agreement, including negotiations with Sharyland regarding lease renewals. Our Conflicts Committee consists solely of members who are independent within the meaning of the NYSE listing standards. We cannot assure you that these policies and provisions of law will always be successful in eliminating or minimizing the influence of such conflicts of interest, and if they are not successful, decisions could be made that might fail to reflect fully the interests of stockholders. The arrangements described above that were entered into prior to or in connection with our IPO were approved prior to the implementation of these policies and procedures.

ROFO Transactions

We expect our Conflicts Committee to evaluate whether we should acquire an offered ROFO Project based on whether it believes that the acquisition will be in our best interest, taking into account the offered price and its analysis of the fair market value of the project. We expect the purchase price for any ROFO Project will be negotiated by our Conflicts Committee, on the one hand, and Hunt or its affiliates, on the other, and will be based on a number of factors, such as the cash flow and rate base for the assets, market conditions, potential for incremental Footprint Projects, the terms of any related lease and the regulatory return we expect the assets will earn.

Hunt

Hunt indirectly owns Hunt Manager and Hunt Developer and is deemed to be a beneficial owner of more than 5% of our Common Stock as a result of its subsidiaries' ownership of shares of our Common Stock and OP Units. Hunter L. Hunt, a member of our Board of Directors, may also be deemed to be a beneficial owner of more than 5% of our Common Stock through his indirect control of Hunt. Additionally, Sharyland, our sole tenant, is privately owned by Hunter L. Hunt and other members of the family of Ray L. Hunt and is controlled by Hunter L. Hunt. Both Hunt and Hunter L. Hunt, through his affiliation with both the Hunt and Sharyland organizations, have financial and controlling interests in any of the transactions described above to which Sharyland or a Hunt affiliated entity is a party.

Our Chairman and Our Executive Officers

Hunt controls the compensation of the employees of Hunt Manager, including our executive officers. Furthermore, Mr. David A. Campbell, our President and Chief Executive Officer, is the President and Chief Executive Officer of Sharyland, and Mr. W. Kirk Baker, the Chairman of our Board of Directors, is the Chief Executive Officer and Principal of Captra Capital, an investment and strategic advisory firm in which Hunt previously was an investor and is presently a client. Neither Mr. Baker nor any of our executive officers own a beneficial interest in Hunt, but they are or were Hunt executive officers and are participants in various Hunt benefit and incentive programs. Our Chairman and each of our executive officers have affirmatively waived any benefit they may receive under Hunt incentive plans from any sale of the Golden Spread or Cross Valley Projects to InfraREIT, other than benefits under plans where the effect of those transactions will be immaterial to such individuals. In determining these individuals' compensation, Hunt has indicated it will take into account the performance of InfraREIT, but that Hunt may also take into account the performance of other entities, including Hunt Manager, Hunt Developer, Sharyland and Hunt generally, and there is no contractual or other restriction that would prevent Hunt from doing so.

Indemnification

Charter and Bylaws

In our charter and bylaws we have agreed to indemnify our directors and certain of our officers by providing, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of ours, and otherwise to the fullest extent permitted under the Maryland General Corporation Law and our bylaws. Notwithstanding the foregoing, the indemnification provisions will not protect any officer or director from liability to us or our stockholders: (1) as a result of any action or omission of the director or officer that was material to the matter giving rise to the proceeding and (a) was committed in bad faith or (b) was the result of active and deliberate dishonesty; (2) where the director or officer actually received an improper personal benefit in money, property or services; or (3) in the case of any criminal proceeding, if the director or officer had reasonable cause to believe that the act or omission was unlawful.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers that obligate us to indemnify and advance expenses to them to the maximum extent permitted by Maryland law. The indemnification agreements provide that, if a director or executive officer is a party or is threatened to be made a party to or a witness in any proceeding by reason of his or her service as a director, officer, employee or agent of us or as a director, officer, partner, managing member, manager, fiduciary, employee, agent or trustee of any other corporation, partnership, limited liability company, joint venture, trust, employee benefit plan or other enterprise that he or she is or was serving in such capacity at our request, we must indemnify the director or executive officer for all expenses and liabilities actually and reasonably incurred by him or her, or on his or her behalf, to the maximum extent permitted under Maryland law, including in any proceeding brought by the director or executive officer to enforce his or her rights under the indemnification agreement, to the extent provided by the agreement. The indemnification agreements also require us to advance reasonable expenses incurred by the indemnitee within ten days of the receipt by us of a statement from the indemnitee requesting the advance, provided the statement evidences the expenses and is accompanied or preceded by:

- a written affirmation of the indemnitee's good faith belief that he or she has met the standard of conduct necessary for indemnification; and
- a written undertaking, which may be unsecured, by the indemnitee or on his or her behalf to repay the amount paid if it is ultimately established that the standard of conduct has not been met.

The indemnification agreements also provide for procedures for the determination of entitlement to indemnification, including requiring such determination be made by independent counsel after a change of control of us.

Management Agreement

Pursuant to the management agreement, we have agreed to indemnify Hunt Manager, its affiliates and each of their respective officers, directors, stockholders and employees from and against any claims or liabilities, including reasonable legal fees and other expenses reasonably incurred, arising out of or in connection with its business and operations or any action taken or omitted on its behalf pursuant to authority granted by the management agreement, except where attributable to gross negligence, willful misconduct, bad faith or reckless disregard of their duties under the management agreement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than 10% of our outstanding Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock held by such persons. These persons are also required to furnish us with copies of all forms they file under this regulation.

To our knowledge, based solely on a review of the copies of such reports furnished to us and without further inquiry, during the fiscal year ended December 31, 2016, all of our directors, officers and beneficial owners of more than 10% of Common Stock complied with all applicable Section 16(a) filing requirements.

STOCKHOLDER PROPOSALS FOR 2018 ANNUAL MEETING

The next Annual Meeting of the Company's stockholders is expected to be held on May 16, 2018. Stockholders may submit proposals appropriate for stockholder action at the 2018 Annual Meeting consistent with the regulations of the SEC and Rule 14a-8 under the Exchange Act. To be eligible for inclusion in the proxy statement and form of proxy distributed by the Board of Directors with respect to such meeting, the proposal must be received at our principal executive offices no later than November 24, 2017. See "Contact the Company" below.

In addition, our current bylaws establish advance notice procedures with regard to certain matters, including stockholder proposals not included in our Proxy Statement, to be brought before an Annual Meeting. In general, our corporate secretary must receive notice of any such proposal (see "Contact the Company" below) not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials for the preceding Annual Meeting (in the case of the 2018 Annual Meeting, not before October 25, 2017 and not later than November 24, 2017). Such notice must include the information specified in our bylaws.

HOUSEHOLDING

The SEC permits a single set of annual reports and proxy statements to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding.

As a result, if you hold your shares through a broker and you reside at an address at which two or more stockholders reside, you will likely be receiving only one annual report and proxy statement unless any stockholder at that address has given the broker contrary instructions. However, if any such beneficial stockholder residing at such an address wishes to receive a separate annual report or proxy statement in the future, or if any such beneficial stockholder that elected to continue to receive separate annual reports or proxy statements wishes to receive a single annual report or proxy statement in the future, that stockholder should contact their broker or send a request to: InfraREIT, Inc., Attention: Corporate Secretary, 1900 North Akard Street, Dallas, Texas 75201, telephone number (214) 855-6700. We will deliver, promptly upon written or oral request to the corporate secretary, a separate copy of the 2016 Annual Report and this Proxy Statement to a beneficial stockholder at a shared address to which a single copy of the documents was delivered. Similarly, you may also contact us if you received multiple copies of such materials and would prefer to receive a single copy in the future.

OTHER MATTERS

We know of no other business that will be presented at the Annual Meeting or any postponement(s) or adjournment(s) thereof other than as explained herein. We encourage all members of the Board of Directors to attend the Annual Meeting of Stockholders, although we have no formal policy requiring attendance. All communications received in the mail will be opened by our Corporate Secretary, Greg Imhoff, for the purpose of determining whether the contents represent a message to the Board of Directors. The contents of communications to the Board of Directors will be promptly relayed to the appropriate members.
