ABOUT SUNCOKE ENERGY PARTNERS, L.P.

SunCoke Energy Partners, L.P. (NYSE: SXCP) is a publicly traded master limited partnership that manufactures high-quality coke used in the blast furnace production of steel and provides export and domestic coal handling services to the coke, coal, steel and power industries. In our cokemaking business, we utilize an innovative heat-recovery technology that captures excess heat for steam or electrical power generation and have long-term, take-or-pay coke contracts that pass through commodity and certain operating costs. Our coal handling terminals have the collective capacity to blend and transload more than 40 million tons of coal each year and are strategically located to reach Gulf Coast, East Coast, Great Lakes and international ports. SXCP's General Partner is a wholly owned subsidiary of SunCoke Energy, Inc. (NYSE: SXC), which has more than 50 years of cokemaking experience serving the integrated steel industry.
