Axalta Coating Systems Cycles 1,000kms in Belgium for Cancer Charity

6/1/2017

BASEL, Switzerland--(BUSINESS WIRE)-- For the seventh consecutive year, Axalta Coating Systems (NYSE: AXTA), a leading global supplier of liquid and powder coatings, has taken part in a 1,000km bike ride to raise money for Kom op tegen Kanker (KOTK), a leading Belgian cancer charity. From May 25 to 28, 2017, three teams from Axalta cycled 250 kilometres on each of the four days, with all of the routes ending in Mechelen, Belgium, where Axalta's Belgian office and production site is located. Axalta's participation reflects the company's strong commitment to its corporate social responsibility initiatives.

Axalta employees from Belgium raised 15,000 Euros for KOTK through a range of fundraising

activities including selling flowers and home-made goods such as Easter eggs and pancakes. The charity will use the proceeds on clinical research to achieve higher survivability and better quality of life for cancer patients.

Luc van den Hemel, Plant Manager at Axalta in Mechelen, says, "Our cyclists should be proud not only of their physical achievement but also of the money raised for such a worthwhile cause. Thank you to everyone who supported our efforts for this outstanding charity."

The more than 800 teams that took part in the KOTK 1,000km bike ride in 2017 raised 4,085,000 Euros.
