Imron Elite 8831S is formulated to provide additional productivity and handling and for application over both Imron basecoats and single

stage topcoats. Available in a 2.1 lbs/gal format, Imron 8831S delivers premium appearance and excellent chemical resistance.

"Axalta's Imron Elite 8831S clearcoat is an excellent addition to our product portfolio for the transportation market," said James Fawcett, Axalta Commercial Transportation Product Manager. "Customers who manufacture or repair heavy-duty trucks, transit buses, coaches and other commercial vehicles will find value in the durability, weatherability and flexibility properties of Imron Elite 8831S. We are excited to bring this product to our customers."
