GENERAL

Introduction

The Board of Directors (the “Board”) of Speedway Motorsports, Inc. (“SMI” or the “Company”) is soliciting your proxy to be voted at the 2018 Annual Meeting of Stockholders to be held on Monday, April 23, 2018, at 3:00 p.m., Eastern Daylight Time (the “Annual Meeting”). The Annual Meeting will be held at the Smith Tower located at Charlotte Motor Speedway, 5555 Concord Parkway South, Concord, North Carolina 28027. Only holders of record of SMI’s common stock, par value \$.01 per share (the “Common Stock”), at the close of business on March 1, 2018 (the “Record Date”) are entitled to receive notice of the Annual Meeting, to receive this Proxy Statement, including the accompanying proxy card, and to vote at the Annual Meeting.

How to Vote

This Proxy Statement, including the accompanying proxy card, is first being sent to stockholders on or about the date hereof.

Stockholders may vote using any of the following methods:

- *By Mail.* Be sure to complete, sign and date the proxy card and return it in the prepaid envelope. If you are a “holder of record” (i.e., your shares are registered directly in your name with American Stock Transfer & Trust Company, SMI’s transfer agent), and you return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by that proxy as recommended by the Board.
- *By Telephone or on the Internet.* If you are a “beneficial owner” (i.e., your shares are held in a stock brokerage account or by a bank or other holder of record), telephone and Internet voting may be available to you depending on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your proxy card.
- *In Person at the Annual Meeting.* All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

If you are a holder of record, you can revoke your proxy before your shares are voted at the Annual Meeting by:

- Written notice to SMI’s Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212, received prior to the date of the Annual Meeting;
- Timely delivery of a valid, later-dated proxy; or
- Voting by ballot at the Annual Meeting.

If you are a beneficial owner, you may submit new voting instructions by contacting your bank, broker or other holder of record. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above.

All shares that have been properly voted and not revoked will count as voted at the Annual Meeting.

Representatives of SMI’s transfer agent, American Stock Transfer & Trust Company, will tabulate the votes and act as inspectors of election.

Number of Shares Outstanding and Voting

SMI had 40,950,754 shares issued and outstanding as of the Record Date and entitled to be voted at the Annual Meeting. At the Annual Meeting, holders of Common Stock will have one vote per share.

In order to establish a quorum at the Annual Meeting, a majority of the shares entitled to vote must be present either in person or by proxy.

Abstentions and “uninstructed shares” that are voted by the holder of record are counted as present and entitled to vote for purposes of determining a quorum. An “uninstructed share” occurs when a bank, broker or other holder of record holding shares for a beneficial owner may exercise discretionary voting authority on routine proposals because that holder of record has not received voting instructions from the beneficial owner.

If you are a beneficial owner, your bank, broker or other holder of record may not vote on the election of directors, the approval of the Speedway Motorsports, Inc. 2018 Formula Restricted Stock Plan for Non-Employee Directors (the “2018 Formula Plan”) or any stockholder proposals properly brought before the meeting absent instructions from you. As of the date of this Proxy Statement, the Company was not aware of any stockholder proposals for the Annual Meeting.

Proposal 1 - Election of Directors. A plurality of the votes cast is required for the election of directors to the Board. This means that the director-nominee with the most votes for a particular slot is elected for that slot. You may vote “for” or “withheld” with respect to the election of directors. Only votes “for” or “withheld” are counted in determining whether a plurality has been cast in favor of a director-nominee. Abstentions are not counted for purposes of the election of directors. In addition, broker non-votes are not entitled to vote on this proposal and will not be counted in evaluating the results of the vote. A “broker non-vote” occurs if the holder of record chooses not to vote the uninstructed shares on a routine matter or is not permitted to vote the uninstructed shares on a non-routine matter.

Proposal 2 - Approval of the Speedway Motorsports, Inc. 2018 Formula Restricted Stock Plan for Non-Employee Directors. The votes cast “for” must exceed the votes “against” to approve the 2018 Formula Restricted Stock Plan. You may vote “for” or “against” the proposal, or you may abstain from voting on the proposal. Abstentions, and if applicable, broker non-votes are not counted for this proposal.

CORPORATE GOVERNANCE

Corporate Governance Guidelines and Code of Business Conduct and Ethics

The Board follows the procedures and standards that are set forth in the Company's Corporate Governance Guidelines. In addition, SMI is committed to conducting business ethically and legally throughout the organization. The Company's Code of Business Conduct and Ethics guides the Company's directors, officers (including our executive chairman, chief executive officer, chief financial officer and treasurer, and chief accounting officer) and employees to live up to SMI's high ethical standards. Our Corporate Governance Guidelines and our Code of Business Conduct and Ethics are available on the Investors-Governance page of our website at www.speedwaymotorsports.com. Printed copies may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212. We post any amendments to the Code of Business Conduct and Ethics, as well as any waivers that are required to be disclosed by SEC or NYSE rules, on our website.

Board and Committee Member Independence

SMI qualifies as a "controlled company" for purposes of the listing standards of the NYSE and is, therefore, not required to comply with the NYSE requirement that a listed company have a majority of independent directors. Notwithstanding SMI being a controlled-company, SMI is committed to having its Board membership comprised of a majority of independent directors as evidenced by SMI's Corporate Governance Guidelines.

SMI's non-management directors hold meetings, separate from management, at least four times per year. Those meetings are presided over by the Company's Lead Independent Director, Mr. James P. Holden. In Mr. Holden's absence, the other independent directors will choose a different independent director to preside over such meetings. (See more about the role of the Lead Independent Director in "Board Leadership Structure and Role in Risk Oversight" below.)

The Nominating/Corporate Governance Committee regularly reviews the independence of all directors on the Board and reports its findings to the Board, which then makes regular determinations as to director independence as described below. The Board relies upon the Company's Categorical Standards for Director Independence, which the Board adopted to assist in evaluating the independence of each of its directors. SMI's Categorical Standards for Director Independence are available on the Investors-Governance page of our website at www.speedwaymotorsports.com. The Board has determined that Mr. Bernard C. Byrd, Jr., Mr. Mark M. Gambill, Mr. James P. Holden and Mr. Tom E. Smith are currently independent within the meaning of the NYSE's current listing standards and SMI's Categorical Standards for Director Independence. In addition, the Board has determined that all members of the Audit Committee are independent under SEC Rule 10A-3 and that all members of the Compensation Committee are independent in accordance with Section 16 of the Exchange Act, Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") and NYSE independence standards specific to the compensation committee. The Board's determination was based, in part, upon its assessment of each director's relationship with SMI and the materiality of that relationship in light of all relevant facts and circumstances from the standpoint of the director in his individual capacity and the persons to whom the director is related and organizations with which the director is affiliated. In reaching this determination, the Board has relied upon representations made by its directors and executive officers in questionnaires and discussions between the foregoing individuals, the Nominating/Corporate Governance Committee and the Board. With respect to Mr. Holden, the Board considered his service as a member of the board of directors of SiriusXM Radio, Inc., a sponsor of NASCAR and a contract party with the Company's subsidiary, Performance Racing Network, and the board of directors of Snap-on, Inc., a contract party with several of the Company's subsidiaries. The Board determined that the relationships were immaterial and that Mr. Holden remains independent. The Board also considered Mr. Byrd's prior service on the board of directors for Sonic Automotive, Inc. ("SAI"), a company controlled by Mr. O. Bruton Smith and Mr. Marcus G. Smith, and his current employment as a division vice president for SAI. The Board concluded that such service and employment did not compromise his independence as a Board member for the Company. Mr. Tom E. Smith is not related to Messrs. O. Bruton Smith or Marcus G. Smith.

Board Leadership Structure and Role in Risk Oversight

The Company's Executive Chairman, Mr. O. Bruton Smith, serves as the Chairman of the Board, and Marcus G. Smith serves as Chief Executive Officer. The Board believes that this leadership structure is optimal for the Company at this time because Mr. O. Bruton Smith's extensive experience and status as a pioneer in the motorsports industry and founder of the Company provides SMI with strong and consistent leadership, while Mr. Marcus G. Smith's years of experience in various leadership positions with the Company provide an appropriate balance in the Company's overall leadership. Mr. Holden is the Company's Lead Independent Director. Mr. Holden coordinates providing feedback from other non-management members of the Board to the Executive Chairman, the Chief Executive Officer, and other Company management regarding business issues. Mr. Holden is also the director who presides over the regularly scheduled meetings of the Company's non-management directors.

The Board has not adopted a policy regarding the separation of the position of Chairman of the Board from the Chief Executive Officer. The Board believes that the absence of a policy requiring either the separation or combination of the positions provides the Board with the flexibility to determine the leadership structure that is in the best interests of the Company and its stockholders at the time.

Management is responsible for managing the Company's risk and for bringing to the Board's attention areas of risk that are material to the Company. The Board, including through its committees, all of which are comprised solely of independent directors, and through regular meetings of the independent directors without management present, regularly reviews areas of risk to the Company and advises and directs management on the scope and implementation of policies, strategy and other actions designed to address risk. The Company's Audit Committee also reviews risks and works with management and the Company's independent auditors to identify and address areas of significant risk to the Company. Specific examples of risks primarily overseen by the Audit Committee include risks related to the preparation of the Company's financial statements, disclosure controls and procedures, internal controls and procedures required by the Sarbanes-Oxley Act, accounting, financial and auditing risks, cybersecurity and data privacy risks, treasury risks (insurance, credit and debt), matters reported to the Audit Committee through the Company's Internal Audit Department and through anonymous reporting procedures, risks posed by significant litigation matters, compliance with applicable laws and regulations and risks associated with related person transactions and potential conflicts of interest. The Nominating/Corporate Governance Committee monitors the Company's compliance with its Corporate Governance Guidelines and Code of Business Conduct and Ethics. The Company's Compensation Committee reviews and evaluates potential risks related to compensation programs for executive officers of the Company, and the risks to the Company from SMI's compensation policies and practices generally.

Communications to the Board

Stockholders and other parties interested in communicating with the Board as a group regarding Board-related matters may do so by writing to the Executive Chairman, c/o J. Cary Tharrington IV, Senior Vice President and General Counsel, Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212. The Company's General Counsel will review the facts and circumstances outlined in the communication and pass appropriate materials on to the Board. In that regard, items that are unrelated to the duties and responsibilities of the Board generally will be excluded. Any correspondence relating to accounting, internal controls or auditing matters will be immediately brought to the attention of the members of the Company's Audit Committee for consideration in accordance with established procedures. Communications intended for the Lead Independent Director or other non-management directors should be directed to the Lead Independent Director at the address above.

COMMITTEES OF THE BOARD AND BOARD MEETINGS

There are three standing committees of the Board: the Audit Committee, Nominating/Corporate Governance Committee and Compensation Committee. The Audit Committee is currently comprised of Messrs. Mark M. Gambill (Chairman), Bernard C. Byrd, Jr., James P. Holden and Tom E. Smith. The Nominating/Corporate Governance Committee is currently comprised of Messrs. James P. Holden (Chairman), Bernard C. Byrd, Jr. and Tom E. Smith. The Compensation Committee is currently comprised of Messrs. Tom E. Smith (Chairman), Bernard C. Byrd, Jr., Mark M. Gambill and James P. Holden. (See "Board and Committee Member Independence" above for details regarding the Board's independence determinations with respect to the members of each of the committees.)

Audit Committee

The Audit Committee, which held eight meetings in 2017, is responsible for the selection of the Company's independent registered public accounting firm; reviews and approves the scope of the annual audit; approves annual audit fees and services; reviews the conclusions of the auditors and reports the findings and recommendations thereof to the Board; reviews with the Company's auditors the effectiveness of the Company's system of internal control over financial reporting, disclosure controls and procedures and the associated role of management; reviews transactions between the Company and its officers, directors and principal stockholders; reviews and discusses with management and the auditors the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and interim financial information included in quarterly earnings announcements; approves non-audit fees and services rendered by the auditors and performs such other functions and exercises such other powers as the Board from time to time may determine. The committee's role in risk oversight is set forth above in the "Board Leadership Structure and Role in Risk Oversight" section of this Proxy Statement. The Audit Committee operates under a formal charter that governs its duties and conduct. The charter is available on the Investors-Governance page of our website at www.speedwaymotorsports.com. A printed copy may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212. The Board has determined in the exercise of its business judgment that Messrs. Gambill, Byrd and Holden each is an "audit committee financial expert" under applicable SEC regulations, and that all members of the Audit Committee are financially literate.

The following is the Audit Committee Report for the year ended December 31, 2017.

Audit Committee Report

In accordance with its written charter, the Audit Committee of the Board assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence, consistent with Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, discussed with the independent registered public accounting firm any relationships or services that might impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed and reviewed with management, and the independent registered public accounting firm, the quality and adequacy of the Company's internal control over financial reporting, and discussed and reviewed with management the effectiveness of the Company's disclosure controls and procedures used for periodic public reporting. The Audit Committee reviewed with the independent registered public accounting firm their audit plans, audit scope and identification of audit risks.

The Audit Committee discussed and reviewed with the independent registered public accounting firm all communications required by generally accepted auditing standards and the Public Company Accounting Oversight Board, with and without management present. The Audit Committee discussed and reviewed the results of the independent registered public accounting firm's audit of the Company's financial statements and reviewed the Company's audited financial statements as of and for the year ended December 31, 2017 with management and the independent registered public accounting firm.

Management is responsible for the Company's financial reporting process, including its system of internal control over financial reporting and disclosure controls and procedures, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles in the United States of America. The Company's independent registered public accounting firm is responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the Audit Committee are not employees of the Company, and they may or may not be experts in the fields of accounting or auditing. Therefore, the Audit Committee has relied, without independent verification, on (a) management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and (b) the representations of the independent registered public accounting firm appearing in the auditors' report on the Company's financial statements. The Audit Committee's oversight does not provide the Audit Committee with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting and auditing standards and applicable laws and regulations.

Based on the above-mentioned review and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee, which held two meetings in 2017, assists the Board in identifying and recommending individuals qualified to become members of the Board, monitors and reviews corporate governance issues and develops and recommends to the Board corporate governance principles applicable to the Board, the Company and its business strategy and operations, including those set forth in SMI's Corporate Governance Guidelines and Code of Business Conduct and Ethics. Messrs. Marcus G. Smith and Tom E. Smith were recommended to the Board as director-nominees to stand for election at the Annual Meeting by the Nominating/Corporate Governance Committee. The committee's role in risk oversight is set forth above in the "Board Leadership Structure and Role in Risk Oversight" section of this Proxy Statement. The Nominating/Corporate Governance Committee operates under a formal charter that governs its duties and conduct. The charter is available on the Investors-Governance page of our website at www.speedwaymotorsports.com. A printed copy may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212.

Director Nomination Criteria and Process

Directors may be nominated by the Board in accordance with the Company's Certificate of Incorporation and Bylaws, as both have been amended to date. The procedures used by the Nominating/Corporate Governance Committee to identify and evaluate nominees for director positions involve members of the committee drawing on their contacts in the business community and directly soliciting and interviewing candidates and reviewing director questionnaire responses and background checks of prospective nominees. The Nominating/Corporate Governance Committee reviews all nominees for the Board in accordance with the committee's charter. Given the size and resources of the Nominating/Corporate Governance Committee as well as the number of Company stockholders, the Board believes the committee does not have the resources to thoroughly review the number of Board nominations that would likely be received if the committee accepted unsolicited nominations from stockholders. Accordingly, it is the Nominating/Corporate Governance Committee's policy not to accept unsolicited nominations to the Board from stockholders.

The assessment of a nominee's qualifications will include, at a minimum, a review of Board member criteria listed in the Company's Corporate Governance Guidelines including, among other things, the following:

- Ability to use sound judgment;
- Substantive knowledge in areas of importance to the Company (such as accounting or finance, business or management, industry knowledge, customer-based perspective, sponsorship relationships, strategic planning and leadership);
- Diversity (skills, background and experience);
- Skills (financial literacy and financial expertise for members of the Audit Committee, management and consulting experience for members of the Compensation Committee and leadership and strategic planning for members of the Nominating/Corporate Governance Committee);
- Service on the boards of directors of other public companies;
- Integrity, honesty and fairness;
- Thorough understanding of the Company's business;
- Independence under the various applicable standards; and
- Such other factors as the Nominating/Corporate Governance Committee concludes are pertinent in light of the Board's current needs at the time such director is nominated.

The Nominating/Corporate Governance Committee will select qualified nominees and review its recommendations with the full Board, which will decide whether to nominate a Board candidate. The Board intends that each director contribute knowledge, experience and skill in at least one area of importance to the Company. Nominees should neither have nor appear to have a conflict of interest that would impair the nominee's ability to represent the interests of all Company stockholders and to otherwise fulfill the stated responsibilities of a director. A nominee should also be able to work well with other directors and executives of the Company and should have independent opinions and be willing to state them in a constructive manner and be willing to comply with other guidelines as adopted by the Board.

As part of the Nominating/Corporate Governance Committee's assessment of a prospective director-nominee's skill, experience, knowledge and judgment, the committee considers diversity of background and personal experience. The Board should be composed ideally of persons having a diversity of skills, background and experience that are useful to SMI and its present and future needs. However, the Nominating/Corporate Governance Committee does not have a formal policy specifying how diversity of background and personal experience should be applied in identifying or evaluating director-nominees, and a nominee's background and personal experience, while important, do not necessarily outweigh other attributes or factors the committee may consider.

When considering potential nominees for the Board, the Nominating/Corporate Governance Committee considers the standards above and each potential nominee's individual qualifications in light of the needs of the Board at such time and its anticipated needs in the future.

Compensation Committee

The Compensation Committee, which held four meetings in 2017, administers certain compensation and employee benefit plans of the Company, reviews and determines executive officer compensation, including annual salaries, bonus performance goals, bonus plan allocations, equity-based compensation and other benefits of all executive officers and certain other non-executive employees of the Company. The Compensation Committee administers the 2004 Stock Incentive Plan, Amended and Restated as of April 27, 2009 (the "2004 Stock Incentive Plan") the Speedway Motorsports, Inc. Employee Stock Purchase Plan (the "Employee Stock Purchase Plan"), the 2013 Stock Incentive Plan, Amended and Restated as of April 19, 2017 (the "2013 Stock Incentive Plan") and the Speedway Motorsports, Inc. Incentive Compensation Plan (the "Incentive Compensation

Plan"). The Compensation Committee periodically reviews the Company's executive development and succession planning and executive compensation programs.

The Compensation Committee also takes action to modify programs that yield payments or benefits not closely related to Company or executive performance. The policy of the Compensation Committee's program for executive officers is set forth below in "Compensation Discussion and Analysis" in the "2017 Executive Compensation" section of this Proxy Statement. The committee's role in risk oversight is set forth above in the "Board Leadership Structure and Role in Risk Oversight" section of this Proxy Statement. The Compensation Committee operates under a formal charter that governs its duties and conduct, which expressly allows the committee to delegate to a subcommittee consisting of Compensation Committee members such duties and responsibilities that the majority of the committee approves. The charter is available on the Investors-Governance page of our website at www.speedwaymotorsports.com. A printed copy may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212.

Compensation Committee Interlocks and Insider Participation

Messrs. Tom E. Smith, Bernard C. Byrd, Jr., Mark M. Gambill, and James P. Holden served on the Company's Compensation Committee in 2017. No member of the Compensation Committee was an officer or employee of the Company, no executive officer of the Company served on the compensation committee or board of directors of any company one of whose executive officers served on the Company's Compensation Committee, and no executive officer of the Company served as a member of the compensation committee of another company one of whose executive officers served as a director of the Company.

Attendance at Board and Committee Meetings

During 2017, there were four meetings of the Board, with all directors attending at least 75% of all Board meetings and of all meetings held by committees of the Board on which they served. The Company encourages all Board members to attend its annual meeting of stockholders. However, SMI does not have a policy regarding director attendance at annual meetings of stockholders. All directors attended the Company's 2017 annual meeting of stockholders.

PROPOSAL 1 — ELECTION OF DIRECTORS

Nominees for Election to the Board

Directors of SMI are elected at the annual meeting of stockholders to serve staggered terms of three years and until their successors are elected and qualified. The Board currently consists of seven directors.

- The terms of Messrs. William R. Brooks, Mark M. Gambill and James P. Holden expire at the 2020 annual meeting of stockholders;
- The terms of Messrs. O. Bruton Smith and Bernard C. Byrd, Jr. expire at the 2019 annual meeting of stockholders;
- The terms of Messrs. Marcus G. Smith and Tom E. Smith expire at the Annual Meeting.

If elected, each director-nominee will serve until the 2021 annual meeting of stockholders and until his successor is elected and qualified, except as otherwise provided in SMI's Certificate of Incorporation and Bylaws, as both have been amended to date. If for any reason a director-nominee is not a candidate when the election occurs, proxies will be voted in favor of the other director-nominee and may be voted for a substitute director-nominee, unless the Board chooses to reduce the number of directors serving on the Board.

The Board unanimously recommends a vote FOR the election of Messrs. Marcus G. Smith and Tom E. Smith as members of the Board.

Directors, Director-Nominees and Executive Officers

Marcus G. Smith, 44, became a director of SMI in 2004 and was appointed Chief Executive Officer in February 2015. Mr. Smith continues to serve as President of SMI, a position he has held since May 2008. Mr. Smith previously served as Chief Operating Officer from May 2008 to February 2015. Mr. Brooks was the Company’s Chief Financial Officer when it went public in 1995. Mr. Brooks’ strong background in accounting and financial reporting, and detailed knowledge of the motorsports industry and SMI, led the Board to conclude that he is qualified to serve as a Board member.

Mr. Holden retired in 2000 after completing 27 distinguished years in the auto industry, including 19 years with DaimlerChrysler and its predecessor Chrysler Corp. (“Chrysler”). Mr. Smith is standing for reelection as a director at the Annual Meeting.

Jerry N. Caldwell, 42, became Executive Vice President and General Manager of BMS in November 2010. PROPOSAL 2 — APPROVAL OF THE 2018 FORMULA RESTRICTED STOCK PLAN FOR NON-EMPLOYEE DIRECTORS

The Board of Directors proposes that stockholders approve the 2018 Formula Restricted Stock Plan for Non-Employee Directors. On March 7, 2018, and following the recommendation of the Compensation Committee, the Board of Directors adopted the 2018 Formula Plan, subject to and to be effective upon stockholder approval at the Annual Meeting. The 2018 Formula Plan is intended to replace the 2008 Formula Restricted Stock Plan for Non-Employee Directors, as amended and restated as of April 17, 2012 (the “2008 Formula Plan”) which terminated on February 12, 2018 upon the expiration of its ten-year term. The Board of Directors believes that it is in the best interests of the Company and its stockholders to adopt a new plan to provide non-employee directors with an ownership interest in the Company and to enhance our ability to attract and retain highly qualified individuals to serve as directors on our Board.

The following is a summary of the 2018 Formula Plan submitted for stockholder approval. The summary describes the principal features of the 2018 Formula Plan, but it is qualified by reference to the full text of the 2018 Formula Plan, which is included in this Proxy Statement as Appendix A.

Summary of Proposed 2018 Formula Plan

Administration

Awards under the 2018 Formula Plan generally are intended to occur automatically without any discretion or additional approval necessary for grants to occur. Otherwise, the 2018 Formula Plan is administered by the Board of Directors. Subject to the terms of the 2018 Formula Plan (which dictates the recipients, amount and timing of restricted stock awards to be granted), the Board of Directors has the full authority to construe and interpret the 2018 Formula Plan and any related award agreement, to establish rules and regulations relating to plan administration, to review and determine all claims made under or with respect to the 2018 Formula Plan, to determine all questions arising under the 2018 Formula Plan, and to delegate routine administrative and record keeping responsibilities. Determinations made with respect to an individual non-employee director will be made without participation by such director.

Eligibility

Members of the Board who are not employed by SMI or any of its subsidiaries are eligible to participate in the 2018 Formula Plan. SMI currently has four non-employee directors who are eligible to participate in the 2018 Formula Plan.

Shares Subject to the 2018 Formula Plan

If the 2018 Formula Plan is approved by stockholders, the number of shares of SMI’s Common Stock that will be available for issuance under the 2018 Formula Plan is 250,000 shares, subject to adjustment as described below. Shares of Common Stock covered by restricted stock awards that are forfeited, canceled or otherwise terminated in whole or in part for any reason will be available for further grants under the 2018 Formula Plan.

In the event of a reorganization, recapitalization, stock split, stock dividend, extraordinary dividend, spin-off, combination of shares, merger, consolidation or similar transaction or other change in corporate capitalization affecting the Common Stock, equitable adjustments and/or substitutions, as applicable, to prevent the dilution or enlargement of rights will be made by the Board to the shares that may be issued under the 2018 Formula Plan and that are subject to outstanding awards under the 2018 Formula Plan.

Formula Grants of Restricted Stock

If the 2018 Formula Plan is approved by stockholders, an annual grant of restricted stock will be made to each eligible non-employee director on the first business day following each annual meeting of SMI's stockholders, beginning with the 2018 Annual Meeting. The number of restricted shares of Common Stock to be granted to an eligible non-employee director will equal \$75,000 divided by the average closing sale price of the Common Stock on the NYSE for the twenty trading days immediately prior to the grant date (rounded up to the nearest whole share). Generally subject to the director's continued service on the Board, the restricted stock will vest in full on the first anniversary of the grant date or, if earlier, the day before the next annual meeting of SMI's stockholders following the grant date.

The 2018 Formula Plan also provides that if a non-employee director initially becomes a member of the Board after the annual meeting of SMI's stockholders has been held for the year in which such initial appointment occurs, the non-employee director will receive a restricted stock grant effective on the date of his or her initial appointment to the Board. The number of restricted shares of Common Stock subject to the award will equal \$75,000 divided by the average closing sale price of the Common Stock on the NYSE for the twenty trading days immediately prior to the grant date (rounded up to the nearest whole share). Generally subject to the director's continued service on the Board, the restricted stock will vest in full on the first anniversary of the grant date.

Except in the event of the director's termination of service immediately prior to or upon a change in control (as described below) or due to the director's death or disability, if a director's service on the Board terminates, all of the director's shares of restricted stock not vested at the time of such termination are forfeited. If the director's service on the Board terminates due to his death or disability or immediately prior to or upon a change of control, the director's restricted stock will become fully vested.

If, on any grant date, the number of restricted shares of Common Stock to be granted exceeds the number of shares then available for issuance under the 2018 Formula Plan, the number of shares of restricted stock to be granted to the non-employee directors on that grant date will be reduced on a pro rata basis.

Shares of restricted stock may not be sold, assigned, pledged, or transferred to the extent they remain unvested. A director holding restricted stock will have the right to vote such shares of restricted stock and to receive dividends (if and when declared by the Board of Directors), although dividends paid in shares will be considered restricted stock. Except in the event of a termination of service immediately prior to or upon a change in control (as described below), if a director's service on the Board terminates for any reason other than death or disability, all shares of restricted stock not vested at the time of such termination are forfeited.

All restricted stock awards granted under the 2018 Formula Plan shall be subject to the terms and conditions of any applicable policy regarding clawbacks, forfeitures or recoupments adopted by the Company.

Change in Control

Upon a change in control of SMI, all outstanding restricted stock generally will become fully vested. Under the 2018 Formula Plan, "change in control" is a defined term and generally includes:

- the acquisition of 50.1% of either SMI's Common Stock or the combined voting power of the outstanding voting securities entitled to vote generally in the election of directors (subject to certain exceptions);
- a change in the composition of the Board during any two-year period such that the individuals who, at the beginning of such two-year period, constitute the Board cease for any reason to constitute at least a majority of the Board (subject to certain exceptions);
- approval by the stockholders of SMI of a merger, reorganization or consolidation or a sale or other disposition of all or substantially all of SMI's assets (subject to certain exceptions); or
- approval by SMI's stockholders of a complete liquidation or dissolution of the Company.

Amendment, Suspension or Termination

The Board of Directors may at any time amend, suspend, or terminate the 2018 Formula Plan in whole or in part for any reason, although such action may be subject to stockholder approval if necessary to comply with legal, regulatory, or securities exchange listing requirements. Unless terminated earlier, the 2018 Formula Plan will terminate on March 7, 2028, a term of ten years from its initial adoption by the Board. No amendment, suspension or termination of the 2018 Formula Plan may adversely affect in any material way the rights of a director under any outstanding award without the director's consent. Notwithstanding the foregoing, the Board of Directors may amend the 2018 Formula Plan and any outstanding awards in any respect it deems necessary or advisable to comply with exchange listing requirements, applicable law, or regulatory requirements without obtaining the individual consent of any director who holds an outstanding award.

Market Price of Common Stock

The closing price of a share of SMI's Common Stock on the NYSE on March 7, 2018 was \$18.33.

Plan Benefits

As described above, only non-employee directors of SMI are eligible to participate in the 2018 Formula Plan. Accordingly, none of our executive officers (including our named executive officers) or other employees are eligible to participate in the 2018 Formula Plan. The following table sets forth information about the restricted stock awards that will automatically be made to non-employee directors following the Annual Meeting if the 2018 Formula Plan is approved by our stockholders.

Name and Position	Dollar Value (\$) ⁽¹⁾	Number of Units ⁽¹⁾
All current non-employee directors as a group	300,000	—

- (1) The dollar value shown is based on the formula for determining the number of restricted shares of Common Stock to be granted to each non-employee director following the Annual Meeting. Each grant would consist of that number of shares that equals \$75,000 divided by the average closing sale price of the Common Stock on the NYSE for the twenty trading days immediately prior to the grant date (rounded up to the nearest whole share).

Federal Income Tax Consequences

The following is a brief summary of the current federal income tax consequences that generally apply with respect to restricted stock granted under the 2018 Formula Plan. Applicable laws and regulations may change in the future. This summary is not intended to be exhaustive and does not describe a number of various tax rules, including any foreign, state, or local tax consequences that could apply to a particular individual or to SMI under certain circumstances. This summary is not intended or written to be used (and cannot be used by any taxpayer) to avoid penalties that may be imposed on a taxpayer. Tax implications may vary due to individual circumstances. Award recipients are urged to consult their independent tax advisors about the tax consequences related to restricted stock awards under the 2018 Formula Plan.

The director normally will recognize ordinary income when the restrictions on the restricted stock lapse (i.e., at the time the restricted shares are no longer subject to a substantial risk of forfeiture or become transferable, whichever occurs first). However, a director may elect to recognize ordinary income at the time of grant by making an election under Section 83(b) of the Internal Revenue Code within 30 days after the grant date. In either case, the director will recognize as ordinary income the fair market value of such shares of stock at the time the income is recognized and SMI generally will be entitled to a corresponding tax deduction. If the director subsequently disposes of the shares of Common Stock, any additional gain or loss should be eligible for short-term or long-term capital gain or loss tax treatment depending on how long the shares were held after the ordinary income was recognized. If a director makes an "83(b) election" and then forfeits the shares of Common Stock, the director generally will not be entitled to any tax refund with respect to the tax already paid.

The Board unanimously recommends a vote FOR the approval of the Speedway Motorsports, Inc. 2018 Formula Restricted Stock Plan for Non-Employee Directors.

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth information regarding the shares of Common Stock issuable under all of SMI's equity compensation plans as of December 31, 2017.

The 2004 Stock Incentive Plan and the 2008 Formula Restricted Stock Plan expired in February 2014 and February 2018, respectively, after which no further securities can be granted under either plan. - (4) This fee category consists of fees billed for services other than the services reported in other categories, and consists of accounting resource technology in 2017 and 2016.

The Audit Committee has considered whether the non-audit services provided were compatible with maintaining the principal independent registered public accounting firm's independence, and believes that such services and related fees, due to, among other things, the nature and scope of the services provided and the fact that different PwC personnel provided audit and non-audit services, have not impaired the independence of the Company's principal independent registered public accounting firm. All services provided by PwC in 2017 and 2016 were approved by the Audit Committee.

2017 EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

2017 EXECUTIVE OFFICER COMPENSATION PROGRAM

The Company's objectives with respect to compensation of its executive officers are to: (1) link executive compensation to SMI's business strategy execution and performance; (2) offer compensation designed to attract, retain and reward key executive officers; (3) offer salary, cash bonus and incentive compensation pay opportunities that are competitive in the marketplace and recognize achievement of SMI's business strategy objectives; and (4) provide performance incentives and equity-based compensation intended to align the long-term interests of executive officers with those of SMI's stockholders. At the 2017 Annual Meeting, the Company held a stockholder advisory vote to approve our executive compensation policies and decisions. Stockholders voted overwhelmingly in support of the proposal, and therefore the advisory resolution regarding executive compensation was approved. Although the vote was non-binding, the Committee believes that our stockholders generally support the Company's executive compensation philosophy, program and decisions.

The Company's executive compensation program is designed to reward successful achievement of the Company's objectives, which we believe will return value to the stockholders. The Company's objectives include: revenue growth; operating earnings growth; earnings per share growth; increased shareholder return through dividends and share repurchases; and growth of return on average equity.

SMI has three executive officers: Mr. O. Bruton Smith, the Company's Executive Chairman, Mr. Marcus G. Smith, the Company's Chief Executive Officer and President, and Mr. William R. Brooks, the Company's Vice Chairman, Chief Financial Officer and Treasurer.

SMI's executive compensation program is comprised of two components:

- Annual cash compensation, paid in the form of annual salary, objective performance-based incentive compensation payments under the Incentive Compensation Plan and possible discretionary bonuses; and
- Long-term compensation paid in the form of options to purchase Common Stock or through the grant of performance-based restricted stock or restricted stock units.

None of the Company's executive officers currently have an employment agreement, severance agreement or any retirement plans other than the Speedway Motorsports, Inc. 401(k) Plan and Trust (the "401(k) Plan"), which is available to all employees. None of the Company's executive officers have any agreement pursuant to which there is an accelerated vesting of outstanding equity awards in the event of termination of employment.

SMI's executive compensation tends to favor current cash payments in the form of annual salary, incentive compensation under the Incentive Compensation Plan and a possible discretionary bonus consistent with the Company's earnings, margins and cash flows. The Compensation Committee believes current cash compensation is the most effective tool to generate and enhance high earnings, margins and cash flows.

The Compensation Committee also believes that a certain level of equity ownership is beneficial in an effort to align executive officer long-term interests with those of its stockholders. The Compensation Committee believes the Company's executive officer compensation program adequately achieves this goal through the periodic awards of equity compensation, taking into account the executive officers' existing equity ownership and the desired mix of cash and equity compensation. The Compensation Committee also considered the effects of applicable accounting guidance on equity-based payments, which require the Company to currently expense an estimated future value of equity compensation. Retention and long-term focus of the Company's executive officers has not historically been an area of concern, evidenced by the more than 35-year average tenure of the current executive officers of the Company and its predecessors. The Compensation Committee reviews base salaries, awards of cash bonuses, awards of incentive cash compensation and equity-based compensation in the first quarter of each year. In 2017, Mr. Brooks presented the Compensation Committee with a report of the Company's financial results for the prior year, recommendations regarding compensation, including recommended base salaries, recommended discretionary bonus payments and management's rationale for such recommendations. The Compensation Committee is required to certify the Company's results for purposes of the Incentive

Compensation Plan, and must decide whether to approve the incentive compensation award yielded under the Incentive Compensation Plan, and whether to reduce that award, and whether circumstances justify a discretionary bonus award. See “Performance-Based Incentive Compensation” below. Mr. Marcus G. Smith did not make any recommendation regarding his own compensation.

ANNUAL CASH COMPENSATION

Annual cash compensation for SMI’s executive officers consists of a base salary, payments earned under the Incentive Compensation Plan and a possible discretionary bonus. Executive officer cash compensation has been weighted in favor of incentive compensation dependent upon the Company’s and each executive officer’s performance for the particular year. Although the Company does not engage in compensation benchmarking, the Compensation Committee has engaged Pearl Meyer, an independent consultant, to assist the Committee with its review of comparative pay data for companies that share industry or financial characteristics similar to the Company to better understand the marketplace. The independent consulting firm did not provide any personal services for any of the Company’s executive officers, nor did it provide any other services to the Company. The Compensation Committee has assessed the independence of Pearl Meyer pursuant to SEC and NYSE rules and concluded that no conflict of interest exists that would prevent Pearl Meyer from independently advising the Compensation Committee.

ANNUAL SALARY

The base salaries of SMI’s executive officers and adjustments to executive officers’ base salaries are generally based upon a subjective evaluation of the executive officer’s performance by the Compensation Committee in light of the Company’s compensation objectives. The Compensation Committee’s evaluation is also based upon factors such as the current responsibilities of each executive officer, the compensation of similarly situated executive officers of comparable companies, the performance of each executive officer during the prior calendar year, the Company’s performance during the prior calendar year and management’s recommendations submitted to the Compensation Committee by management, as described above. The 2018 base salaries of the executive officers were established in March 2018 using the referenced criteria, and remained unchanged from the prior year.

PERFORMANCE-BASED INCENTIVE COMPENSATION

Each of SMI’s executive officers was eligible to participate in the Incentive Compensation Plan in 2017. Compensation under the Incentive Compensation Plan is intended to provide the Company’s executive officers an incentive to enhance the Company’s value for the benefit of stockholders. In March 2017, the Compensation Committee established objective, performance-based goals, reflective of the Company’s projected earnings for 2017, and potential incentive compensation payouts to the eligible executive officers. The performance period was January 1, 2017 through December 31, 2017. Earnings per share, with certain adjustments designed to more accurately reflect the Company’s and the eligible executive officers’ performance was selected as the performance goal (“Plan EPS”). For purposes of the Company’s 2017 performance goal, Plan EPS was, consistent with the Incentive Compensation Plan, defined as:

- The Company’s net income as determined in accordance with U.S. generally accepted accounting principles (GAAP), excluding (a) any gain or loss on asset/goodwill impairment or expense charges, litigation or claim expenses, or judgments or settlements, (b) restructuring charges, (c) refinance charges, (d) extraordinary non-recurring items as described in Management’s Discussion and Analysis of Financial Condition and Results of Operations appearing in the Company’s Annual Report on Form 10-K for the applicable year, and (e) the cumulative effect of any changes in GAAP during 2017; divided by
- A share count of 41,000,000 shares.

The exclusions from the calculation of the Company’s earnings were selected to more accurately reflect the Company’s normalized performance in 2017, leading to a fairer and more accurate incentive compensation award.

In accordance with the Incentive Compensation Plan for the fiscal year ended December 31, 2017, the incentive compensation awarded to Messrs. O. Bruton Smith, Marcus G. Smith and Brooks was calculated by comparing Plan EPS to the target Plan EPS of \$1.10 selected by the Compensation Committee (“Target EPS”). The Target EPS selected was at the high end of the Company’s announced 2017 earnings guidance range of \$0.90 to \$1.10.

If the Company achieved exactly the Target EPS, the following incentive compensation awards would have been earned (for each of Messrs. O. Bruton Smith, Marcus G. Smith and Brooks, the “Target EPS Incentive Compensation Award”):

- O. Bruton Smith = 3.0 times current annual base salary (i.e., $3.0 \times \$650,000 = \$1,950,000$)
- Marcus G. Smith = 2.0 times current annual base salary (i.e., $2.0 \times \$600,000 = \$1,200,000$)
- William R. Brooks = 2.0 times current annual base salary (i.e., $2.0 \times \$550,000 = \$1,100,000$)

However, if the Company achieved more or less than the Target EPS, the amounts payable to Messrs. O. Bruton Smith, Marcus G. Smith and Brooks based on the Plan EPS performance objective would have been the Target EPS Incentive Compensation Award increased or reduced (as the case may be) by the percentage by which the Company’s achieved Plan EPS for 2017 was greater than or less than the Target EPS. However, no incentive compensation award would be payable if the Company achieved less than the minimum Plan EPS threshold of \$0.55 selected by the Compensation Committee or 50% of the Target EPS (the “Minimum EPS Threshold”). The maximum amount payable under the Incentive Compensation Plan to any one named executive officer is \$10,000,000.

The following examples illustrate the incentive compensation award calculation for achieved Plan EPS other than the Target EPS:

If the Company’s achieved Plan EPS was \$2.20 (or 200% of Target EPS), then the following Plan EPS incentive compensation awards would have been earned:

- O. Bruton Smith = \$3,900,000 (or 200% of the Target EPS Incentive Compensation Award)
- Marcus G. Smith = \$2,400,000 (or 200% of the Target EPS Incentive Compensation Award)
- William R. Brooks = \$2,200,000 (or 200% of the Target EPS Incentive Compensation Award)

If the Company’s achieved Plan EPS was \$0.55 (or 50% of Target EPS), then the following Plan EPS incentive compensation awards would have been earned:

- O. Bruton Smith = \$975,000 (or 50% of the Target EPS Incentive Compensation Award)
- Marcus G. Smith = \$600,000 (or 50% of the Target EPS Incentive Compensation Award)
- William R. Brooks = \$550,000 (or 50% of the Target EPS Incentive Compensation Award)

The Compensation Committee determined that the Company achieved Plan EPS of \$0.92 for the fiscal year ended December 31, 2017. Accordingly, Messrs. O. Bruton Smith, Marcus G. Smith and Brooks earned Plan EPS incentive compensation awards of \$1,630,909, \$1,003,636, and \$920,000, respectively.

LONG-TERM EQUITY COMPENSATION

The Compensation Committee believes that an appropriate level of equity-based compensation or equity holdings is part of a balanced and effective compensation program designed to align the interests of executive officers with those of stockholders.

In March 2017, the Compensation Committee made restricted stock grants of 35,000 shares of performance-based restricted stock to Mr. Brooks and 35,000 performance-based restricted stock units to Mr. Marcus G. Smith under the 2013 Stock Incentive Plan (each a “Restricted Stock Award”) for the fiscal year ended December 31, 2017. The Compensation Committee determined that the Restricted Stock Awards would be subject to forfeiture based on the extent to which Plan EPS for the fiscal year ended December 31, 2017 fell short of Target EPS as follows:

If Plan EPS was less than the Minimum EPS Threshold, then the Restricted Stock Awards would not vest and would be forfeited in their entirety.

If Plan EPS met or exceeded the Minimum EPS Threshold, the number of shares of Common Stock or restricted stock units, as applicable, that would remain outstanding under each Restricted Stock Award for the remainder of the restricted period (the outstanding shares being scheduled to vest in increments of one-third on each anniversary of the grant date) would equal:

- The applicable Target Grant Amount; multiplied by
- Plan EPS expressed as a percentage of Target EPS (however, the percentage cannot exceed 100%).

As discussed above in “Performance-Based Incentive Compensation,” the Compensation Committee determined that the Plan EPS was \$0.92 for the fiscal year ended December 31, 2017, exceeding the Minimum EPS Threshold. As such, Mr. Marcus G. Smith retained 29,273 restricted stock units with respect to his Restricted Stock Award with the remaining 5,727 restricted stock units being forfeited in their entirety, all of which units are to be settled in Common Stock. Mr. Brooks retained ownership of 29,273 restricted shares of Common Stock with the remaining 5,727 restricted shares being forfeited in their entirety.

The Compensation Committee has broad discretion regarding the types of long-term incentive compensation awarded to named executive officers and other employees of the Company, typically using either restricted stock, restricted stock units, stock option awards or some combination thereof. Depending upon circumstances in the future, the Compensation Committee may exercise its discretion and award all stock options, all restricted stock, all restricted stock units or a mixture thereof.

OTHER BENEFIT PLANS

Each executive officer of SMI was also eligible in 2017 to participate in various benefit plans provided to other employees of SMI. These benefit plans are intended to provide a safety net of coverage for various events, such as death, disability and retirement.

Senior level highly compensated Company employees, including the executive officers of SMI, were also eligible to participate in the Speedway Motorsports, Inc. Deferred Compensation Plan (the “Deferred Plan”) during the 2017 calendar year. Under the Deferred Plan, eligible employees could elect to defer up to 75% of their annual base salary and up to 100% of their annual cash bonus or commission payments. SMI, in its sole discretion, may match deferred compensation contributions of executive officers and all other eligible participants. To date, no matching contributions have been made. Contributions by participants in the Deferred Plan, including the executive officers, are credited with a rate of return (positive or negative) based on deemed investments selected by a participant from among several different investment funds, with such deemed earnings determined by the actual market performance of the investment funds selected by the participant. To date, no named executive officer has participated in the Deferred Plan.

Additionally, the Compensation Committee approved an award of 40 personal flight hours on Company-provided aircraft for the Company’s Chief Executive Officer, effective January 1, 2017. The Compensation Committee concluded that such a benefit was reasonable for efficiency and security reasons.

FEDERAL INCOME TAX CONSIDERATIONS

The incentive compensation paid to the Company’s executive officers is based primarily on Company performance. For 2017 compensation, the Compensation Committee considered the potential effect of Section 162(m) of the Code in designing our executive compensation program, along with other factors in the context of our overall approach to executive compensation. For tax years ended on or before December 31, 2017, Section 162(m) of the Code generally imposes a limitation on the deductibility of annual compensation in excess of \$1,000,000 paid to certain covered employees (generally, the Chief Executive Officer and certain other executive officers and, beginning in 2018, certain former officers), unless the compensation meets various technical requirements to constitute “performance-based” compensation.

The Compensation Committee retains, however, the ability to evaluate performance and compensate our executive officers in a manner that will attract, motivate and retain key personnel in the Compensation Committee’s judgment, even if it may result in certain compensation that may not be deductible under

Section 162(m). The Compensation Committee believes that the flexibility to award such compensation serves the interests of the Company and its stockholders by allowing the Compensation Committee to compensate executive officers appropriately in its discretion as circumstances warrant.

The Tax Cuts and Jobs Act enacted in December 2017 revised Section 162(m) so that the performance-based exception from the limitation on compensation deductibility is no longer available for taxable years beginning after December 31, 2017 unless certain transition relief for certain compensation arrangements in place as of November 2, 2017 is available. Furthermore, due to ambiguities and uncertainties regarding the interpretation of Section 162(m) and the regulations issued thereunder, including the transition relief described above, there can be no assurance that compensation intended to satisfy the requirements of Section 162(m) for performance-based compensation will, in fact, do so.

The Compensation Committee intends to continue to manage SMI's executive compensation program in a manner that is intended to preserve material federal income tax benefits, if any, when appropriate and if any such benefits can be achieved without sacrificing flexibility and other important elements of the executive compensation program. Furthermore, the Compensation Committee may modify compensation that was initially intended to be exempt from the Section 162(m) limitations if it determines that such modifications are consistent with the Company's business needs.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based upon such review and discussions, recommended to the Board that the Compensation Discussion and Analysis be included in SMI's Annual Report on Form 10-K and Proxy Statement on Schedule 14A.

CHIEF EXECUTIVE OFFICER PAY RATIO

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of the SEC's Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of Mr. Marcus G. Smith, our Chief Executive Officer. The pay ratio included below is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K.

For our fiscal year ended December 31, 2017 ("fiscal 2017"):

- The median of the annual total compensation of all employees of our company (other than Mr. Smith), was \$33,393 in cash compensation, and \$8,910 in Company provided employee benefits, for a total median compensation amount of \$42,303; and
- The annual total compensation of Mr. Smith, as reported in the Summary Compensation Table in the "2017 Executive Compensation" section of this Proxy Statement, was \$2,398,009.

Based on this information, for fiscal 2017, the ratio of the annual total compensation of Mr. Smith to the median of the annual total compensation of all employees was 57 to 1.

To identify the median of the annual total compensation of all our employees, as well as to determine the annual total compensation of the "median employee," the methodology and the material assumptions, adjustments and estimates that we used were as follows:

- We determined that, as of December 31, 2017, our employee population consisted of approximately 1,230 individuals located in the United States. No employees were located outside of the United States. We selected December 31, 2017, which is within the last three months of fiscal 2017, to facilitate identification of the appropriate median employee.
- Of these employees, approximately 725 individuals are full-time (or full-time equivalent) employees, with the remainder employed on a part-time (less than 30 hours per week) basis.
- To identify the "median employee" from our employee population, we compared the amount of salary and benefit of our employees as reflected on our payroll records as reported to the Internal Revenue Service. This compensation measure was consistently applied to all of our employees included in the calculation.
- Using this methodology, we determined that the "median employee" was a full-time salaried employee, with wages and overtime pay for the 12-month period ending December 31, 2017 in the amount of \$33,393.
- With respect to the annual total compensation of the "median employee," we identified and calculated the elements of such employee's compensation for fiscal 2017 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$42,303. The difference between the median employee's wages and overtime pay and the median employee's annual total compensation represents the estimated value of such employee's Company provided benefits.
- With respect to the annual total compensation of Mr. Smith, we used the amount reported in the "Total" column (column (j)) of our 2017 Summary Compensation Table included in this Proxy Statement.

2017 DIRECTOR COMPENSATION

The following table sets forth the compensation of the Company's non-employee directors for services rendered in 2017. Directors who are also employees of the Company do not receive compensation (other than their compensation as employees of the Company) for their service on the Board.

Members of the Board who are not employees of the Company received automatic annual grants of restricted stock under the 2008 Formula Restricted Stock Plan. The annual grant of restricted stock is made on the first business day following the Company's annual meeting of stockholders. The number of restricted shares of Common Stock granted to an eligible non-employee director is determined by dividing \$75,000 by the average closing price of Common Stock on the NYSE for the twenty trading days immediately preceding the grant date rounded up to the nearest whole share. Subject to the director's continued service on the Board, the restricted stock will vest in full on the first anniversary of the grant date or, if earlier, the day before the next annual meeting of stockholders following the grant date. For additional information concerning the 2008 Formula Restricted Stock Plan, see Note 11 to the Consolidated Financial Statements in the Company's 2017 Annual Report on Form 10-K. For additional information regarding the termination of the 2008 Formula Plan and proposed adoption of the 2018 Formula Plan, see Proposal 2 – Approval of the 2018 Formula Restricted Stock Plan for Non-Employee Directors herein.

In 2017, each non-employee director also received:

- An annual cash retainer of \$75,000;
- \$1,500 for each Board and committee meeting attended; and
- An annual cash retainer of \$10,000 to each respective Chairman of the Audit Committee, Compensation Committee and the Lead Independent Director.
- The Chairman of the Nominating/Corporate Governance Committee received an annual cash retainer of \$5,000.

The Company also reimburses all directors for their expenses incurred in connection with their activities as directors of SMI.

TRANSACTIONS WITH RELATED PERSONS

It is the Company's policy, as set forth in its Corporate Governance Guidelines, to have the Audit Committee review and approve related person transactions for conflicts of interest. In its review, the Audit Committee considers whether a particular transaction is in the best interests of the Company, whether the transaction is on economic terms no less favorable than could be obtained in an arm's-length transaction with an unrelated third party and the materiality of the interest to the related person.

Pursuant to a joint services agreement between the Company and Sonic Financial that became effective on January 1, 2015, the Company and Sonic Financial utilize certain shared employees, with each party responsible for its proportionate share of each employee's total wages (except the Company's portion of the value of Sonic Financial's shared employee is offset against any amounts owed by Sonic Financial to the Company). In addition, under the joint services agreement, Sonic Financial provides the Company access to the use of airplanes at hourly rates set forth in the agreement. The Company incurred net expenses of approximately \$845,000 under the joint services agreement in 2017.

The Company and certain Company subsidiaries lease office and warehouse facilities from affiliates of the Company through common ownership by the Company's Executive Chairman and Chief Executive Officer under annually renewable lease agreements. Rent expense for the Company and these subsidiaries in 2017 approximated \$721,000. At December 31, 2017, amounts owed to these affiliates were de minimis.

Oil-Chem Research Corporation ("Oil-Chem") sells zMAX micro-lubricant® product to certain SAI dealerships for resale to service customers of the dealerships in the ordinary course of business. SAI is a Company affiliate through common ownership by the Company's Executive Chairman and Chief Executive Officer. Total purchases from Oil-Chem by SAI dealerships approximated \$1.9 million in 2017. SMISC Holdings, Inc., a subsidiary of the Company ("SMI Properties"), sells apparel and other merchandise to SAI and its dealerships. Total purchases from SMI Properties by SAI and its dealerships totaled approximately \$866,000 in 2017. Various SMI subsidiaries purchased new and used vehicles for operations and employee use from certain subsidiary dealerships of SAI in 2017 for an aggregate of approximately \$238,000. At December 31, 2017, associated amounts due from and due to SAI and its dealerships were de minimis.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires SMI's officers, directors and persons who beneficially own more than 10% of the Common Stock to file initial reports of ownership and changes in ownership with the SEC. Additionally, SEC rules require that SMI identify any individuals for whom one of the referenced reports was not filed on a timely basis during the most recent fiscal year or prior fiscal years. To SMI's knowledge, based solely on a review of reports furnished to it, all Section 16(a) filing requirements applicable to its officers, directors and more than 10% beneficial owners were complied with on a timely basis in 2017.

EXPENSES OF SOLICITATION

The Company pays the cost of proxy solicitation, including the cost of assembling and mailing this Proxy Statement and the enclosed materials. In addition to mailings, proxies may be solicited personally, by telephone or electronically, by corporate officers and employees of the Company, who will not receive additional compensation for such efforts. Determinations made with respect to an individual Non-Employee Director shall be made without participation by such Non-Employee Director. All determinations, decisions and interpretations made by the Board pursuant to the provisions of the Plan shall be final, conclusive and binding on all parties, including Non-Employee Directors, the Company, the Company's stockholders, and any other interested persons.

ARTICLE 4 STOCK SUBJECT TO THE PLAN

4.1 Stock Available Under the Plan. Subject to adjustments as provided in Section 4.2, the aggregate number of shares of Common Stock that may be issued in connection with Restricted Stock Awards granted under the Plan is Two Hundred Fifty Thousand (250,000) shares of Common Stock. Shares of Common Stock issued under the Plan may be shares of original issuance, shares held in the treasury of the Company or shares purchased in the open market or otherwise. Shares of Common Stock covered by Restricted Stock Awards that are forfeited or canceled or otherwise are terminated in whole or in part for any reason shall be available for further grants under the Plan.

4.2 Adjustments. In the event of a reorganization, recapitalization, stock split, stock dividend, extraordinary dividend, spin-off, combination of shares, merger, consolidation or similar transaction or other change in corporate capitalization affecting the Common Stock, equitable adjustments and/or substitutions, as applicable, to prevent the dilution or enlargement of rights shall be made by the Board to (a) the maximum number and kind of shares that may be issued under the Plan as set forth in Section 4.1; and (b) the number and kind of shares that are subject to then outstanding Restricted Stock Awards. Notwithstanding the foregoing, the Board, in its discretion, shall make such adjustments as are necessary to eliminate fractional shares that may result from any adjustments made pursuant hereto. Except as expressly provided herein, the issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Common Stock covered by an outstanding Restricted Stock Award.

ARTICLE 5 PARTICIPATION

Each Non-Employee Director shall be eligible to receive Restricted Stock Awards as described below in Article 6 during his or her tenure as a Non-Employee Director.

ARTICLE 6
FORMULA GRANTS OF RESTRICTED STOCK

6.1 Formula Grants of Restricted Stock. Subject to the terms of the Plan, Restricted Stock shall be granted to Non-Employee Directors automatically and without further action of the Board of Directors as follows:

(a) **Annual Grants.** On the first business day following each annual meeting of the Company's stockholders beginning with the 2018 Annual Meeting of Stockholders, each Non-Employee Director who is then a member of the Board shall receive a grant of Restricted Stock consisting of that number of shares that equals \$75,000 divided by the Average Market Value of the Common Stock as of the Grant Date, rounded up to the nearest whole share. The shares covered by such grant of Restricted Stock shall vest in full on the earlier of (i) the first anniversary of the Grant Date or (ii) the day before the next annual meeting of the Company's stockholders following the Grant Date. Vesting on any such date is subject to continued service as a Director (whether or not in the capacity of a Non-Employee Director) through such date.

(b) **Interim Grants to New Non-Employee Directors.** Following the 2018 Annual Meeting of Stockholders, if a Non-Employee Director initially becomes a member of the Board during a calendar year but after the annual meeting of the Company's stockholders has been held for such year, the Non-Employee Director shall receive a grant of Restricted Stock, effective as of the date of such initial appointment to the Board, consisting of that number of shares that equals \$75,000 divided by the Average Market Value of the Common Stock as of the Grant Date, rounded up to the nearest whole share. The shares covered by such grant of Restricted Stock shall vest in full on the first anniversary of the Grant Date. Vesting on such date is subject to continued service as a Director (whether or not in the capacity of a Non-Employee Director) through such date.

(c) **Pro Rata Allocation.** If, on any Grant Date, the number of shares of Common Stock with respect to which Restricted Stock shall be granted pursuant to this Section 6.1 exceeds the number of shares then available for issuance under the Plan, the number of shares of Restricted Stock to be granted to the Non-Employee Directors on such Grant Date shall be reduced on a pro rata basis.

6.2 Nontransferability. The shares of Restricted Stock may not be sold, assigned, conveyed, pledged, exchanged, hypothecated, alienated or otherwise disposed of or transferred in any manner to the extent they remain unvested. Any attempted transfer in violation of the Plan shall relieve the Company from any obligations to the Director (or any person claiming through a Director) hereunder.

6.3 Termination of Service. Except as provided in Section 6.4 below which shall apply in the event of a termination of service immediately prior to or upon a Change in Control, if a Director's service on the Board terminates for any reason other than the Director's death or Disability, all shares of Restricted Stock not vested at the time of such termination shall be immediately and automatically forfeited by such Director. If a Director's service on the Board terminates by reason of the Director's death or Disability, the Restricted Stock held by the Director shall vest in full as of the date of such termination.

6.4 Change in Control. Notwithstanding any other provision of the Plan, all outstanding shares of Restricted Stock shall be deemed vested upon a Change in Control.

6.5 Stockholder Rights. Except as otherwise provided by the Plan, a Non-Employee Director who has been granted Restricted Stock shall have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock and the right to receive dividends, if and when declared by the Board of Directors. With respect to any shares of Restricted Stock received as a result of adjustments under Section 4.2 hereof and also any shares of Common Stock that result from dividends declared on the Common Stock, the Non-Employee Director shall have the same rights and privileges, and be subject to the same restrictions, as apply generally to Restricted Stock under the Plan.

6.6 Award Agreement. Each grant of Restricted Stock shall be evidenced by an award agreement between the Non-Employee Director and the Company that contains the Grant Date of the Restricted Stock and the other terms and conditions applicable thereto.

6.7 **Issuance of Restricted Stock/Stock Certificates.** A grant of Restricted Stock may be evidenced in such manner as the Company shall deem appropriate, including without limitation, book-entry registration or the issuance of a stock certificate (or certificates) representing the number of shares of Restricted Stock granted to the Non-Employee Director, containing such legends as the Company deems appropriate and held in custody by the Company or on its behalf, in which case the grant of Restricted Stock shall be accompanied by appropriate stop-transfer instructions to the transfer agent for the Common Stock, until the restrictions lapse and the shares of Restricted Stock become vested. The Company may require the Director to deliver to the Company a stock power, endorsed in blank, relating to the shares of Restricted Stock to be held in custody by or for the Company.

6.8 **Company Policies.** All Restricted Stock Awards granted under the Plan shall be subject to the terms and conditions of any applicable policy regarding clawbacks, forfeitures, or recoupments adopted by the Company.

ARTICLE 7 AMENDMENT, SUSPENSION AND TERMINATION

The Board may at any time, and from time to time, amend, suspend or terminate the Plan in whole or in part; provided, that any such amendment, suspension or termination shall be subject to the requisite approval of the stockholders of the Company (a) to the extent stockholder approval is necessary to satisfy the applicable requirements of the Exchange Act or Rule 16b-3 thereunder, any New York Stock Exchange, Nasdaq or securities exchange listing requirements or any other law or regulation. Unless sooner terminated by the Board, the Plan shall terminate on March 7, 2028 (a term of ten years from the date the Plan was adopted by the Board). No further Restricted Stock Awards may be granted after the termination of the Plan, but the Plan shall remain effective with respect to any then outstanding Restricted Stock Awards. Except as otherwise provided herein, no amendment, suspension or termination of the Plan shall adversely affect in any material way the rights of a Non-Employee Director under any outstanding Restricted Stock Award without the Non-Employee Director's consent. Notwithstanding the foregoing, it is intended that this Plan and all Restricted Stock Awards granted hereunder be exempt from the provisions of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"). The Board may amend the Plan or the terms of any outstanding Restricted Stock Award in any respect it deems necessary or advisable to comply with any exchange listing requirement, applicable law, or regulatory requirements including, but not limited to, Section 409A of the Code and applicable regulations and guidance thereunder and/or to prevent this Plan and any such Restricted Stock Award from being subject to Section 409A of the Code, without obtaining the individual consent of any Non-Employee Director who holds an outstanding Restricted Stock Award.

ARTICLE 8 TAX MATTERS

8.1 **Withholding.** To the extent applicable, a Director that has received a Restricted Stock Award under this Plan shall pay or make provision for payment to the Company the amount necessary to satisfy any federal, state or local withholding requirements applicable to any taxable event arising in connection with the Restricted Stock Award. The determination of the withholding amounts due in such event shall be made by the Company and shall be binding upon the Director. The Company shall not be required to deliver or release any shares of Common Stock unless the Director has made acceptable arrangements to satisfy any such withholding requirements. Notwithstanding the foregoing, nothing in this Section shall be construed to impose on the Company a duty to withhold where applicable law does not require such withholding.

8.2 **Section 83(b) Election.** If a Non-Employee Director makes an election pursuant to Section 83(b) of the Code with respect to Restricted Stock, the Non-Employee Director shall be required to promptly file a copy of such election with the Company as required under Section 83(b) of the Code.

ARTICLE 9 GENERAL PROVISIONS

9.1 Restrictions on Stock Ownership/Legends. Notwithstanding anything in the Plan to the contrary, the Board, in its discretion, may establish guidelines applicable to the ownership of any shares of Common Stock acquired under this Plan as it may deem desirable or advisable, including, but not limited to, time-based or other restrictions on transferability regardless of whether or not the Common Stock is otherwise vested. All stock certificates representing shares of Common Stock issued pursuant to this Plan shall be subject to such stock transfer orders and other restrictions as the Board may deem advisable and the Board may cause any such certificates to have legends affixed thereto to make appropriate references to any applicable restrictions.

9.2 No Guarantee of Continued or Future Service on the Board. Nothing in the Plan or any award agreement shall be construed to confer upon any Director any right to continued or future service on the Board of Directors.

9.3 Unfunded Plan. To the extent that any person acquires a right to receive Common Stock under the Plan, such right shall be only contractual in nature unsecured by any assets of the Company or any subsidiary. Neither the Company nor any subsidiary shall be required to segregate any specific funds, assets or other property with respect to any Restricted Stock Awards under this Plan. The granting of Restricted Stock Awards under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required. To the extent applicable, the Plan and Restricted Stock Awards granted hereunder are intended to comply with the provisions of and satisfy the requirements for exemption under Rule 16b-3 or any successor rule under the Exchange Act.

9.5 Approvals and Listing. The Company shall not be required to grant any Restricted Stock Awards or issue any certificate or certificates for shares of Common Stock under the Plan prior to (a) obtaining any required approval from the stockholders of the Company; (b) obtaining any approval from any governmental agency that the Company shall, in its discretion, determine to be necessary or advisable; (c) the admission of such shares of Common Stock to listing on any national securities exchange on which the Company's Common Stock may be listed; and (d) the completion of any registration or other qualification of such shares of Common Stock under any state or federal law or ruling or regulation of any governmental body that the Company shall, in its sole discretion, determine to be necessary or advisable. The Company may require that any Non-Employee Director granted a Restricted Stock Award hereunder make such representations and agreements and furnish such information as it deems appropriate to assure compliance with the foregoing or any other applicable legal requirement. Notwithstanding the foregoing, the Company shall not be obligated at any time to file or maintain a registration statement under the Securities Act of 1933, as amended, or to effect similar compliance under any applicable state laws with respect to the Common Stock that may be issued pursuant to this Plan.

9.6 Other Corporate Actions. Nothing contained in the Plan shall be construed to limit the authority of the Company to exercise its corporate rights and powers, including, but not by way of limitation, the right of the Company to adopt other compensation arrangements or the right of the Company to authorize any adjustment, reclassification, reorganization, or other change in its capital or business structure, any merger or consolidation of the Company, the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its business or assets.

9.7 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein shall also include the feminine, and the plural shall include the singular and the singular shall include the plural.

9.8 **Severability.** The invalidity or unenforceability of any particular provision of this Plan shall not affect the other provisions hereof, and the Board may elect in its discretion to construe such invalid or unenforceable provision in a manner that conforms to applicable law or as if such provision was omitted.

9.9 **Governing Law.** To the extent not preempted by federal law, the Plan, and all award agreements hereunder, shall be construed in accordance with and governed by the laws of the State of North Carolina (excluding the principles of conflict of law thereof). The jurisdiction and venue for any disputes arising under, or any action brought to enforce (or otherwise relating to), this Plan or any Restricted Stock Awards hereunder will be exclusively in the courts of the State of North Carolina, County of Mecklenburg, including the federal courts located therein (should federal jurisdiction exist).

9.10 **Successors.** All obligations of the Company under the Plan with respect to Restricted Stock Awards granted hereunder shall be binding on any successor of the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise of all or substantially all of the business and/or assets of the Company or other transaction.

9.11 **Titles and Headings.** The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.
