1. The Director is not, and has not been within the previous three years, an employee of Myers or any of its subsidiaries or affiliates. No member of the Director’s “immediate family”<sup>1</sup> is, or has been within the previous three years, an executive officer<sup>2</sup> of Myers or any of its subsidiaries or affiliates.

2. Neither the Director nor any member of his or her immediate family has received during any 12-month period within the prior three years, more than \$120,000 in direct compensation from Myers or any of its subsidiaries or affiliates (including, without limitation, any consulting, advisory or other compensatory fees) except that which Myers pays to its Directors for their services as members of the Board and Board Committees; provided that compensation paid to an immediate family member for service as a non-executive employee will not be considered in determining the Director’s independence.

<sup>1</sup> “Immediate family” means a Director’s spouse, parents, children, siblings, mothers-and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than the Director’s domestic employees) who share the Director’s home.

<sup>2</sup> “Executive officer” has the same meaning specified for the term “officer” in Rule 16a-1(f) under the Securities Exchange Act of 1934.

<sup>3</sup> “Materiality” is to be considered from the standpoint of the Director and that of each organization of which the Director is a partner, shareholder or officer. The determination that, as to each Director individually, there is no material relationship (whether financial, business, personal or otherwise) will be made by the Board of Directors, based upon information provided by the Director and any other information that may be known to the Board. The purpose of Item 6 is ultimately to determine whether a Director has any relationship with Myers, either directly or through any other person or organization, that may interfere with the exercise of the Director’s judgment in fulfilling his or her duties due to a lack of independence from Myers and its management.

executive officer if, within the preceding three years, contributions in any single fiscal year have exceeded the greater of \$1.0 million or 2% of the charitable organization's consolidated gross revenues.

Audit Committee members will be considered independent if they meet all of the above criteria and the following additional criteria:

1. The Committee member has received no direct compensation from Myers or any of its subsidiaries or affiliates (including, without limitation, any consulting, advisory or other compensatory fees) except that which Myers pays to its Directors for their services as members of the Board and Board Committees.

2. The Committee member is not an affiliate of the Company (i.e., not controlling, controlled by, or under common control with, the Company), such as a 10%-plus shareholder.

Directors and members of Myers's management are encouraged to bring questions or concerns regarding Director independence or these criteria promptly to the attention of the Chairman of the Corporate Governance and Nominating Committee for guidance.
