THE 2006 ANNUAL REPORT TO SHAREHOLDERS ACCOMPANIES THIS NOTICE

Matters Related to the Proxy Statement

Meeting Time and Applicable Dates. This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Myers Industries, Inc., an Ohio corporation, of the accompanying proxy to be voted at the Annual Meeting of Shareholders (“Annual Meeting”) to be held on Friday, April 27, 2007, at 9:00 A.M. (local time), and at any adjournment thereof. The close of business on March 9, 2007, has been fixed as the record date for the determination of the shareholders entitled to notice of and to vote at the meeting.

Outstanding Shares and Quorum. On the record date, Myers had outstanding approximately 35,110,203 shares of common stock, without par value (“Common Stock”), each of which is entitled to one vote. For information concerning our “Principal Shareholders”, see the section headed “Security Ownership of Certain Beneficial Owners and Management,” below. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum for the Annual Meeting. Shares of Common Stock represented by signed proxies will be counted toward the establishment of a quorum on all matters even though they are signed but otherwise unmarked, or marked “Abstain,” “Against” or “Withhold Authority.”

Votes Required. For Proposal No. 1 the election of directors, if a quorum is present at the meeting, the nominees for election as directors who receive the greatest number of votes cast will be elected as directors. Abstentions and broker non-votes will not affect the outcome of the election of directors. Proposal No. 2, to ratify the appointment of the independent registered public accounting firm, is a non-binding proposal, but its approval requires the affirmative vote of a majority of the shares of Common Stock. Abstentions and broker non-votes will have no effect. Even if the selection is ratified, the Audit Committee and the Board, in their discretion, may change the appointment at any time during the year if we determine that such a change would be in the best interests of the Company and our shareholders.

Proxy Instructions. All shares of Common Stock represented by properly executed proxies which are returned and not revoked, will be voted in accordance with the instructions, if any, given therein. If no instructions are provided in a proxy, the shares of Common Stock represented by such proxy will be voted FOR the Board’s nominees for director and FOR the ratification of the appointment of KPMG LLP, and in accordance with the proxy-holder’s best judgment as to any other matters, if any, which may be properly raised at the Annual Meeting.

Proxy Revocation and Voting in Person. A shareholder who has given a proxy may revoke it at any time prior to its exercise by giving written notice of such revocation to the Corporate Secretary of the Company, executing and delivering to the Corporate Secretary of the Company a later dated proxy reflecting contrary instructions or appearing at the Annual Meeting and taking appropriate steps to vote in person.

Voting Confidentiality. Proxies, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. This information will not be disclosed except as required by law.

Inspector of Election. The inspector of election for the meeting shall determine the number of votes cast by holders of Common Stock for all matters. The Board has appointed National City Bank as the Inspector of Election. Voting results will be announced at the meeting. Voting results will also be published in our Quarterly Report on Form 10-Q for the second fiscal quarter of 2007, which will be filed with the Securities and Exchange Commission (the “SEC”).

Address of Company. The mailing address of the principal executive offices of the Company is 1293 South Main Street, Akron, Ohio 44301.

Mailing Date. This Proxy Statement, together with the related proxy card and our 2006 Annual Report to Shareholders, is being mailed to our shareholders on or about March 26, 2007.

Each of the forgoing nominees were recommended by the Corporate Governance and Nominating Committee. There are, and during the past five years there have been, no legal proceedings material to an evaluation of the ability of any director or executive officer of Myers to act in such capacity or concerning his integrity. There are no family relationships among any of the directors and executive officers.

Karl S. Hay, who has been our director since 1969, is retiring from the Board as of the date of our annual meeting. We would like to thank Mr. Hay for his many years of service to us.

The Board recommends that you vote “FOR” each nominee.

Director Independence. The Board has determined that each of the following directors and nominees are “independent” and that each of these nominees has no material relationship with us which would impact upon their independence: Keith A. Brown, Vincent C. Byrd, Karl S. Hay, Richard P. Johnston, Edward W. Kissel, Richard L. Osborne, Jon H. Outcalt and Robert A. Stefanko. The determination of whether a director is “independent” is based upon the Board’s review of the relationships between each director and the Company, if any, under the Company’s “Board of Directors Independence Criteria” policy adopted by the Board on April 20, 2004 and the corporate governance listing standards of the New York Stock Exchange. In connection with the Board’s determination regarding the independence of each non-management director the Board considered any transactions, relationships and arrangements as required by our independence guidelines. In particular the Board considered the relationship between A. Schulman, Inc. (“A. Schulman”) and the Company in connection with its independence determination of Robert A. Stefanko and concluded that Mr. Stefanko met the independence requirements. Mr. Stefanko was an officer and director of A. Schulman until April 17, 2006, when he resigned both positions, but remained on as an employee until October 31, 2006. Mr. Stefanko was then, and is now, a stockholder of A. Schulman, holding less than 1% of A. Schulman’s shares of stock. In fiscal 2006, we purchased, in arm’s-length transactions, \$482,000 of materials from A. Schulman during the ordinary course of operations, which is less than 1% of the annual revenues of both companies. All members of the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee were determined to be independent as above, and in addition, the Board determined that the members of the Audit Committee are also independent as defined in the SEC regulations.

Table of Contents

Committees of the Board. The Board of Directors of Myers has three standing committees, the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee, whose members were appointed in April 2006 following the Annual Meeting.

Audit Committee. The Audit Committee is currently composed of four independent directors, Keith A. Brown, Chairman and Presiding Director, Vincent C. Byrd, Karl S. Hay, and Jon H. Outcalt. The functions of this Committee, which met ten times in 2006, are to engage the independent registered public accounting firm, approve all audit and related engagements (audit and non-audit), review the results of the audit and interim reviews, evaluate the independence of the independent registered public accounting firm, review with the independent registered public accounting firm the financial results of the Company prior to their public release and filing of reports with the SEC, direct and supervise special investigations and to oversee our accounting, internal accounting controls and auditing matters reporting hotline (discussed below) and our corporate compliance program. The Committee also has oversight of our system of internal auditing functions and controls, as well as our internal control procedures.

None of the Audit Committee members serves on more than one other audit committee of another public company.

The Board has identified Vincent C. Byrd as the Audit Committee “financial expert”.

Compensation Committee. The Compensation Committee establishes and administers the Company’s policies, programs and procedures for compensating its executive officers and Board of Directors. The Committee has the authority to retain outside consultants regarding executive compensation and other matters. The Compensation Committee, which met six times in 2006, has as its members three independent directors, Jon H. Outcalt, Chairman and Presiding Director, Edward W. Kissel, and Richard L. Osborne.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee (“Governance Committee”) is responsible for, among other things, evaluating new director candidates and incumbent directors, and recommending to the independent directors of the Board of Directors, nominees to serve on the Board of Directors as well as members of the Board’s committees. The Committee, which met four times in 2006, has as its members three independent directors, Edward W. Kissel, Chairman and Presiding Director, Richard P. Johnston, and Richard L. Osborne. The Governance Committee is also responsible for recommending and monitoring participation in continuing education programs by the members of the Board of Directors.

Committee Charters and Policies. The Board of Directors has adopted written charters for the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Each Committee reviews and evaluates the adequacy of its charter at least annually and recommends any proposed changes to the Board of Directors for approval. Each of the written charters and policies of the Committees of the Board are available on the “Corporate Governance” page accessed from the “Investor Relations” page of the Company’s website at www.myersind.com. Copies are also available upon request to our Secretary at our address listed herein.

Board Attendance. There were a total of five regularly scheduled and special meetings of the Board of Directors in 2006. During 2006, all directors attended at least 75% of the aggregate total number of the meetings of the Board and Committees on which they served. In 2006, a majority of our directors attended our Annual Shareholder Meeting. Although we do not have a formal policy requiring directors to attend the Annual Shareholder Meeting, directors are encouraged to attend.

Interested Parties Communications with the Board of Directors. Our Board of Directors provides the following methods for interested parties and shareholders to send communications to a director, a Committee, to the non-management directors, or to the Board:

Written Communication. Interested parties may send such communications by mail or courier delivery addressed as follows: Board of Directors (or Committee Chair, Board Member or Non-Management Directors, as the case requires), c/o Donald A. Merril, Chief Financial Officer, Vice President and

Table of Contents

Corporate Secretary, Myers Industries, Inc., 1293 South Main Street, Akron, Ohio 44301. All communications directed to the “Board of Directors” or to the “Non-Management Directors,” will be forwarded unopened, to the Chair of the Governance Committee. The Committee Chair in turn determines whether the communications should be forwarded to the appropriate members of the Board and, if so, forwards them accordingly. However, for communications addressed to a particular member of the Board or the Chair of a particular Board Committee, the Chief Financial Officer will forward those communications, unopened, directly to the person or Committee Chair in question.

Toll Free Hotline. In 2003 the Audit Committee established a “hotline” for receiving, retaining and treating complaints from any interested party regarding accounting, internal accounting controls and auditing matters, and procedures for the anonymous submission of these concerns. The hotline is maintained by a company which is independent of the Company. Interested parties may also use this hotline to communicate with the Board. Any interested party may contact a director, a Committee, the non-management directors, or the Board through the toll free hotline at (877) 285-4145. The hotline is available worldwide, 24 hours a day, seven days a week. Note that all reports made through the hotline are directed to the Chair of the Audit Committee and the Corporate Secretary. We do not permit any retaliation of any kind against any person who, in good faith, submits a complaint or concern under these procedures.

Shareholder Nominations of Director Candidates. The Governance Committee will consider individuals for nomination to stand for election as a director who are recommended to it in writing by any shareholder of the Company. A shareholder wishing to recommend an individual as a nominee must follow the procedure outlined below and then send the signed letter of recommendation, to the following address: Corporate Governance and Nominating Committee, c/o Mr. Donald A. Merrill, Chief Financial Officer, Vice President and Corporate Secretary, Myers Industries, Inc., 1293 South Main Street, Akron, Ohio 44301.

Recommendation letters must certify that the person making the recommendation is a shareholder of the Company (including the number of shares held as of the date of the recommendation), and further state the reasons for the recommendation, the full name and address of the proposed nominee as well as a biographical history setting forth past and present directorships, employment, occupations and civic activities for at least the past five years. Any such recommendation should be accompanied by a signed written statement from the proposed nominee consenting to be named as a candidate and, if nominated and elected, consenting to serve as a director. The letter must also include a signed written statement that the nominating shareholder and the candidate will make available to the Committee all information reasonably requested in furtherance of the Committee’s evaluation. The letter must be received before the close of business on or before November 15th of the year before the next annual meeting.

For this meeting, there were no nominees recommended by a shareholder nor was a third party engaged to assist in the process of identifying or evaluating nominees for the Board of Directors.

Corporate Governance Policies.

Implementation. The Board of Directors has implemented the corporate governance initiatives required by the NYSE rules and the Sarbanes-Oxley Act of 2002. These include, among others, “Corporate Governance Guidelines,” a “Code of Business Conduct and Ethics” for the Company’s directors, officers and employees, as well as a “Code of Ethical Conduct for the Finance Officers and Finance Department Personnel.” These Corporate Governance policies and procedures are discussed in various places within this Proxy Statement.

Availability of Policies. Each of our policies are available on the “Corporate Governance” page accessed from the “Investor Relations” page of our website at www.myersind.com. Copies of the policies are also available upon request of our Corporate Secretary.

Code of Ethics. We have a Code of Business Conduct and Ethics and Code of Ethical Conduct for the Financial Officers and Finance Department Personnel, which embodies our commitment to ethical and legal business practices, as well as satisfies the NYSE requirements to implement and maintain such a

Table of Contents

policy. The Board expects all of our officers, directors and other members of our workforce to act ethically at all times. Both of these policies are available on our website www.myersind.com on the "Corporate Governance" page accessed from the "Investor Relations" page.

Executive Sessions of the Board. Effective in December 2002, the Board adopted a policy requiring the non-management directors, both as to the Board and in their respective Committees, to meet regularly in executive session without any management personnel or employee directors present. During 2006, the Board of Directors and each Committee met regularly in executive session as follows: Board of Directors, five times; Audit Committee, ten times; Compensation Committee, six times; and the Governance Committee, four times.

Presiding Directors. The non-management directors reported that in 2006 they selected Presiding Directors to preside during executive sessions. The Chair of the Governance Committee acts as the Presiding Director for the executive sessions of the Board, and the Chair of each Committee was selected as the Presiding Director for the executive sessions of the applicable Committee.

Anonymous Reporting. The Audit Committee maintains procedures, including a worldwide telephone "hotline," which allows employees and interested parties to report any financial or other concerns anonymously as further detailed under "Interested Parties Communications with the Board of Directors," above.

Annual Board and Committee Self-Assessments. In 2004, the Board of Directors, through the Governance Committee, instituted annual self-assessments of the Board of Directors, as well as the Audit Committee, the Compensation, and the Corporate Governance and Nominating Committee, to assist in determining whether the Board of Directors and its Committees are functioning effectively. In December 2006, the Board and each of its Committees completed the most recent self-evaluations as well as reviewed and discussed the results.

NYSE and SEC Certifications. We submitted to the NYSE in 2006, an unqualified Section 12(a) certification by our Chief Executive Officer. Further, each applicable filing with the SEC contained the Section 302 and 906 Certifications of our Chief Executive Officer and Chief Financial Officer.

Director Compensation. The annual retainer for non-employee directors is \$25,000, except for the Audit Committee chair, who receives an annual retainer of \$30,000. In addition, directors receive a meeting fee of \$1,500 for each scheduled board, committee or board dinner meeting which they attend, except that committee chairs receive \$2,000 for each meeting of their committee. Directors who are not appointed members of a committee, are paid a meeting fee if they attend the committee meeting at the request of the chair of the committee. Directors are reimbursed for their reasonable out of pocket expenses related to attending board and committee meetings.

Directors who are employees of the Company do not receive either the annual retainer or the meeting fees.

Under our Amended and Restated 1999 Incentive Stock Plan, commencing in April 2007 each non-employee director who held such position on the day before the Annual Shareholder Meeting, is awarded annually on the day of the meeting, a restricted stock award of 1,000 shares of Common Stock. Each restricted stock award will vest in equal amounts over a four year period. Prior to the amendment each non-employee director who held such position on the day before the Annual Shareholder meeting was awarded annually, on the same day of the meeting, a non-qualified stock option to purchase 2,500 shares of our Common Stock. The option price per share is 100% of the fair market value (being the closing price on the NYSE on the day of grant) of a share of Common Stock.

Our Code of Regulations provides that we will indemnify, to the fullest extent then permitted by law, any of our directors or former directors who was or is a party or is threatened to be made a party to any matter, whether civil or criminal, by reason of the fact that the individual is or was a director of the Company, or serving at our request as a director of another entity. We have entered into indemnity agreements with each

of our directors contractually obligating us to provide such protection. We also currently have in effect director and officer insurance coverage.

The following table shows the compensation paid to each of the non-employee directors during fiscal 2006. Mr. Orr, who is our President and Chief Executive Officer, does not receive any additional compensation for services as a director.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation Disclosure and Analysis.

The primary objective of our executive compensation package is to attract, retain, and motivate our executives. Our current executive officers, John C. Orr, President and Chief Executive Officer, and Donald A. Merrill, Chief Financial Officer, Vice President and Corporate Secretary, are compensated according to the terms of their employment contracts, which are described below. We seek to provide a total compensation package that is competitive and that rewards our executives for their role in creating value for our shareholders.

Overview:

Our Compensation Committee, which is comprised of three independent directors, is responsible for establishing and administering our compensation policies. To meet our goals, the Compensation Committee has implemented compensation packages that are based on a mix of salary, bonus, equity awards and other benefits. The Compensation Committee focuses on performance compensation to insure the alignment of our executives' interests with those of shareholders. We believe that performance and equity-based compensation are the components of our executive compensation package that will maximize shareholder value and enable us to attract and retain qualified executives. In keeping with this goal our Compensation Committee recently implemented a performance incentive based program for determining annual bonuses, commencing in 2007.

The Compensation Committee has the authority to engage its own independent advisors and compensation consultants to assist in carrying out its responsibilities. In fiscal 2006 the Compensation Committee engaged Westervelt Consulting LLC to conduct a study and make recommendations on the types and amounts of equity incentive awards for executives, including review of peer company practices. Westervelt Consulting LLC has not provided other services to the Company and has received no compensation other than with respect to the services provided to the Compensation Committee.

The Chief Executive Officer regularly meets with the Compensation Committee and makes recommendations with respect to our compensation programs, practices and packages for executives and other employees. The Compensation Committee considers these recommendations in its deliberations. The Compensation Committee meets in executive session at each meeting. The Compensation Committee discusses Mr. Orr's compensation package with him, but makes its decisions with regard to his compensation in executive session.

Objectives:

Our executive compensation program is designed to meet the following goals:

- Motivate our executive officers to achieve short-term and long-term corporate goals that will increase shareholder value;
- Motivate and reward executives whose knowledge, skills and performance are crucial to our success; and
- Attract and retain talented and experienced executives and other key employees.

Policies:

To meet our objectives, the Compensation Committee has implemented the following policies:

- Provide compensation packages that are competitive in the market;
- Provide short-term performance incentives by establishing goals for our executives through a bonus plan focused on operating performance and cash flow; and

Table of Contents

- Provide long-term performance incentives through the use of restricted stock awards, option grants and other equity-based awards under our Amended and Restated 1999 Incentive Stock Option Plan that reward executive management for achievement of long-term strategic initiatives.

Compensation Components:

Our executive compensation program is designed to be consistent with the objectives set forth above. The basic elements of our compensation package include (i) base salary, (ii) annual bonus opportunities, (iii) long-term incentives, such as equity awards, (iv) retirement benefits, and (v) executive perquisites and generally available health, welfare and other benefit programs.

The Compensation Committee reviews the compensation program on an annual basis. In setting compensation levels for a particular executive, the Compensation Committee takes into consideration the executive's past and expected contributions to our business.

Base Salary. Base salaries for our executives are established based on the scope of their responsibilities and their relevant background, training and experience. Data on compensation practices of companies similar to ours is also considered in setting base salaries. Such data is typically gathered through searches of publicly available information. While the base salary for our executive officers is set forth in their respective employment agreements, these salaries are reviewed on an annual basis. All of the executives are eligible for periodic increases in base salary based on performance. The purpose of the base salary component is to keep our annual compensation competitive with the market.

For fiscal 2007, the Compensation Committee increased the base salaries of each of the executive officers named in the Summary Compensation Table other than Gregory J. Stodnick and Kevin C. O'Neil, who both resigned in fiscal 2006. The salary increases were based on the performance of the Company and the contributions of each of the executive officers.

Bonus. Historically our compensation package also included eligibility for an annual discretionary cash bonus. The Compensation Committee, in determining these discretionary bonuses, looked at a variety of performance criteria to determine the amounts of these awards. In fiscal 2006, the Compensation Committee awarded discretionary bonuses to each of John C. Orr, Gregory J. Stodnick and Kevin C. O'Neil for their performance for fiscal 2005. In fiscal 2007, the Compensation Committee awarded discretionary cash bonuses to John C. Orr and Donald A. Merrill for their performance for fiscal 2006. Such bonuses are identified in the Summary Compensation Table. At the time of these grants we had no formal written executive bonus plan. The Compensation Committee had the authority to award cash bonuses, but such awards were fully discretionary. Awards were generally based upon the relative performance of the Company as a whole and upon other qualitative measures.

For fiscal 2007, the Compensation Committee adopted an executive compensation plan. In keeping with its policy of rewarding executives for performance, the plan awards bonuses based on our achievement of operational goals and individual performance. The plan is applicable to members of senior management and provides that the determination of cash bonus awards will be based on three components: (i) 50% will be based on the achievement of certain specified operating income levels, (ii) 25% will be based on the achievement of certain specified cash flow levels and (iii) 25% will continue to be discretionary based on the individual participant's overall performance. Each of these components will be determined independently of the determination of each other component based on the base salary of the participant for the applicable year. The total bonus payout that a participant is able to earn under this plan in a particular year will be calculated by adding the result of each of these components together, with the target award and maximum award amount being specified for each participant based on their level of management. The aggregate target award for the Chief Executive Officer will be 100% of his base salary, with a maximum aggregate award of 200% of his base salary. The aggregate target award for the Chief Financial Officer will be 75% of his base salary, with a maximum aggregate award of 150% of his base salary.

The operating income component will be determined by measuring the subject year operating income (adjusted for extraordinary income and expenses) against the operating income for the prior year. The

Table of Contents

Chief Executive Officer will be eligible to receive anywhere from zero to a maximum award equal to 100% of his base salary (75% for the Chief Financial Officer) as a result of the operating income component, determined on a sliding scale. The cash flow component will be determined by measuring the subject year cash flow (defined as net cash provided by operating activities less capital spent, adjusted to account for one-time accounting entries) against the cash flow of the prior year. The Chief Executive Officer will be eligible to receive anywhere from zero to a maximum of 50% of his base salary (37.5% for the Chief Financial Officer) as a result of the cash flow component, determined on a sliding scale. The performance component will be determined by the Committee in its discretion based on the Committee's evaluation of the participant's performance during the applicable year. The Chief Executive Officer will be eligible to receive anywhere from zero to a maximum of 50% of his base salary (37.5% for the Chief Financial Officer) as a result of the performance component.

Long-Term Incentives. We award long-term equity incentive grants to executives, including executive officers, as part of our total compensation package. These awards are consistent with our goal of motivating and rewarding our executives for increasing shareholder value.

Historically, our long-term equity incentive compensation was exclusively in the form of stock options to acquire our common stock. These options typically vest over a three-year or four-year period. At our annual meeting in April 2006, we submitted a proposal to our shareholders to amend our 1999 Stock Option Plan (which is now called the Amended and Restated 1999 Incentive Stock Plan) to allow for grants of stock appreciation rights, performance awards, restricted stock and other forms of equity-based awards, which proposal was approved by our shareholders.

In fiscal 2006 we made grants of restricted stock to certain executives in anticipation of contributions to the Company that will create value for our shareholders. Our grants in fiscal 2006 included time vesting provisions as well as stock performance criteria, and are subject to forfeiture in certain instances.

Stock options are granted to our executives under our Amended and Restated 1999 Incentive Stock Plan. The Compensation Committee granted stock option awards in 2006. Grants made during 2006 became effective and priced as of the date of grant in accordance with the provisions of our Amended and Restated 1999 Incentive Stock Plan. All stock option grants have a per share exercise price equal to the fair market value of our common stock on the date of grant as specified in the Amended and Restated 1999 Incentive Stock Plan.

Retirement Benefits. We have adopted a Supplemental Executive Retirement Plan ("SERP") which provides certain pension benefits to a select group of management employees, including our executive officers. The annual supplemental pension benefit is payable for ten years commencing at retirement or age 65. Credit for years of service under the SERP may also be awarded to a participant at the discretion of the Compensation Committee. As part of his employment agreement Mr. Orr's SERP benefit equal to \$75,000 is 100% guaranteed. As part of his employment agreement Mr. Merrill has been provided with an annual SERP benefit equal to \$50,000, payable for ten years commencing at retirement or age 65, as well as a "Years of Service" credit.

In addition to the SERP, we maintain a tax-qualified 401(k) Plan, pursuant to which all participants are eligible to receive matching contributions from the Company.

Other. We maintain broad-based benefits and perquisites that are provided to all employees, including health insurance and life and disability insurance. We also provide our executive officers with personal benefits that may include use of a company automobile, insurance cost reimbursement, reimbursement for an annual physical, club membership, tax gross-up payments and reimbursement for basic financial planning services. These benefits are valued by calculating their incremental cost to the Company.

Termination and Change of Control Based Compensation:

Upon termination of employment our executive officers are entitled to severance payments as provided in their respective employment agreements. Additionally, our executive officers are entitled to certain payments upon a change in control of the Company on the terms set forth in their respective employment

Table of Contents

agreements. We recognize that executives often face challenges securing new employment following a termination of employment and therefore have provided our Chief Executive Officer with three years of salary and benefits upon a termination of employment by the Company other than for cause or upon the resignation of our Chief Executive Officer for good reason, while our Chief Financial Officer will be entitled to receive salary and benefits for a period of one year in such an event. Upon a change in control our Chief Executive Officer is entitled to receive salary and benefits for three years and our Chief Financial Officer is entitled to receive salary and benefits for eighteen months.

Compensation of Chief Executive Officer:

In May, 2005, the Board appointed John C. Orr as the Chief Executive Officer. Mr. Orr had previously held the position of Chief Operating Officer. When establishing the compensation for the Chief Executive Officer, the Compensation Committee reviewed Mr. Orr's performance, which included in part a review of the Company's operations, results, cost containment and reductions, as well as his leadership skills. In addition, the Compensation Committee conducted an assessment of his abilities to meet the goals and objectives being set for him as Chief Executive Officer in areas such as strategic planning, financial results (annual and long-term), and succession planning, as well as taking into consideration the increase in responsibilities and obligations in his new position as Chief Executive Officer. The Compensation Committee also reviewed publicly available compensation information for companies similar to ours in one or more ways, such as those with like amount of sales, market value, products, or within the same industry or geographic area. Mr. Orr's base salary in 2005 and 2006 was \$600,000.

Under his employment agreement the Compensation Committee also has the authority to award Mr. Orr a cash bonus and stock based compensation, both of which are fully discretionary. In determining the Chief Executive Officer's cash bonus for fiscal 2006, the Compensation Committee used the same factors discussed above, but placed more emphasis on the relative performance of the Company as a whole and upon other qualitative measures of the Company's performance in 2006. This process resulted in awarding the Chief Executive Officer a cash bonus of \$580,000 for fiscal 2006, payable in March 2007. The Compensation Committee approved a 7 1/2% increase in Mr. Orr's base salary under his employment agreement in 2007. Commencing in 2007 Mr. Orr will receive an annual base salary equal to \$645,000.

As aforementioned, the Compensation Committee recently established an executive compensation plan for determining bonuses for its executive officers including Messrs. Orr and Merrill, commencing in 2007.

Employment Agreements:

While the Compensation Committee reviews each individual's performance, the recommendation of the Chief Executive Officer is the primary factor used by the Committee in determining the base salary for the Named Executive Officers other than the Chief Executive Officer. The Committee's review of performance and determination of compensation is based upon the same factors as mentioned above for the Chief Executive Officer, but as applicable to the executive's duties and responsibilities. Donald A. Merrill is the only Named Executive Officer, other than John C. Orr, who remains employed by the Company in an executive officer capacity.

The Committee also has the authority to award the other Named Executive Officers cash bonus and equity based compensation, both of which were fully discretionary. For fiscal 2007 the bonus awards will be determined in accordance with the newly adopted executive compensation plan. The cash bonus awards for the other Named Executive Officers for fiscal 2006 were determined by the Committee in February 2007, with the exception of Mr. Stodnick and Mr. O'Neil, both of whom resigned from the Company in 2006.

The Company entered into an employment agreement with Donald A. Merrill effective January 24, 2006, which provides him with a base salary of \$300,000 and a guaranteed bonus of \$150,000 for fiscal 2006 payable in fiscal 2007, with any additional or future bonus being fully discretionary. Under his employment agreement the Compensation Committee has the authority to award Mr. Merrill stock based compensation that is fully discretionary. In determining the Chief Financial Officer's cash bonus for fiscal 2006, the Compensation Committee placed emphasis on the recommendations of the Chief Executive Officer, the

Table of Contents

performance of the Company as a whole and upon other qualitative measures of the Company's performance in 2006. This process resulted in awarding the Chief Financial Officer a cash bonus of \$200,000 for fiscal 2006, payable in March 2007. The Compensation Committee approved a 5% increase in Mr. Merrill's base salary under his employment agreement in 2007. Commencing in 2007 Mr. Merrill will receive an annual base salary equal to \$315,000.

Accounting and Tax Considerations:

In designing our compensation programs, we take into consideration the accounting and tax effect that the components will have or may have on the executives and the Company.

Compensation Committee Interlocks and Insider Participation.

During fiscal 2006, the following directors were members of the Compensation Committee: Jon H. Outcalt, Edward W. Kissel and Richard L. Osborne. None of the Compensation Committee's members have at any time been an officer or employee of the Company. None of our executive officers serves, or in the past fiscal year has served as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on the Company's Board of Directors or Compensation Committee.

Compensation Committee Report on Executive Compensation.

The information contained in this report shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act.

The Compensation Committee, which is composed of three independent directors, operates under a written charter adopted by the Committee and ratified by the Board of Directors. A copy of the charter is available on our website (www.myersind.com) on the Corporate Governance page under the Investor Relations section. The Committee is responsible for, among other duties, establishing and administering the policies which govern executive compensation.

The executive compensation program for the executive officers of the Company is administered by the Compensation Committee. The Committee's function is to review the performance of the Chief Executive Officer and the other executive officers in determining the amount and type of compensation to be paid and awarded, as well as approve compensation adjustments and to make awards of cash bonuses and stock based compensation, if deemed appropriate. Historically, the Compensation Committee primarily based its decisions on qualitative factors, exercising its discretion and using its judgment after considering those factors it deems relevant, although the Compensation Committee continues to place increased emphasis on quantitative factors such as in the recently adopted executive compensation plan.

The Compensation Committee, in the performance of its duties and responsibilities, has reviewed and discussed with management the information provided under the heading Compensation Discussion and Analysis. Based on our review and discussions with management of the Compensation Discussion and Analysis disclosure, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006.

The foregoing report has been furnished by the current members of the Compensation Committee, being:

Jon H. Outcalt, Chairman and Presiding Director Edward W. Kissel Richard L. Osborne

The Company has entered into indemnity agreements with its executive officers contractually obligating the Company to provide such protection. The Company also currently has in effect officer and directors insurance coverage.

All medical, dental, long and short-term disability, life and other insurance plans or policies ceased on the effective date and all vested stock options granted to Mr. O'Neil were exercised. As part of this agreement, we agreed with Mr. O'Neil to a mutual release of claims, as well as a mutual confidentiality provision.

Matters Relating to the Independent Registered Public Accounting Firm

The firm of KPMG LLP audited the books and records of the Company for the year ended December 31, 2006 and 2005. The firm of Ernst & Young LLP (“E&Y”) audited the books and records of the Company for the years ended December 31, 2004 and 2003. Representatives of KPMG LLP are expected to be available at the meeting to respond to appropriate questions and will be given the opportunity to make a statement if they desire to do so.

A description of the fees billed to the Company by KPMG LLP for the years ended December 31, 2006 and 2005 is set forth in the table below. Any fees earned by E&Y during the years ended December 31, 2006 and 2005 is identified below in the Section entitled “Change of Independent Registered Public Accounting Firm — June 2005”.

KPMG LLP was originally retained by the Audit Committee in 2005 and retained again in 2006. The Audit Committee (see, “Report of Audit Committee”) reviewed the non-audit services provided by KPMG LLP during the year ended December 31, 2006, and determined that the provision of such non-audit services was compatible with maintaining the accountants’ independence.

	<u>2006</u>	<u>2005</u>
Audit Fees ⁽¹⁾	\$1,687,500	\$1,565,000
Audit Related Fees ⁽²⁾	\$ 10,400	-0-

(1) Professional fees for the audit of the annual financial statements and the review of the quarterly financial statements.

(2) Fees for assurance and related services reasonably related to audits and reviews of benefit plans.

(3) Professional fees for tax compliance, tax advice, and tax planning.

(4) Fees for all other products and services.

The Audit Committee’s Pre-Approval Policy requires the pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific range or budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this Policy, and the fees for the services performed to date. During 2006, all services were pre-approved by the Audit Committee in accordance with the policy. The Pre-Approval Policy is available on our website.

Change of Independent Registered Public Accounting Firm — June 2005

Effective on May 13, 2005, the Audit Committee appointed KPMG LLP as our independent registered public accounting firm, replacing Ernst & Young LLP. On June 9, 2005, KPMG LLP accepted the engagement, after completing its due diligence.

Table of Contents

During the years ended December 31, 2004 and 2003 and through June 9, 2005, neither the Company, nor anyone acting on its behalf, consulted KPMG LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.

On May 10, 2005, upon the filing of our Form 10-Q for the quarter ended March 31, 2005, E&Y completed all of its work for us and was no longer our independent registered public accounting firm. Prior to the Company filing the Form 10-Q for the quarter ended March 31, 2005, E&Y performed a review of our financial results for the quarter ended March 31, 2005 in accordance with the provisions of SAS 100 (AU 722), Interim Financial Information. We paid E&Y the following fees that were billed for the year ended December 31, 2005: Audit Fees \$47,500 and Audit Related Fees \$10,000, Tax Fees \$18,577 and Other Fees \$0.

On March 11, 2005, the Audit Committee determined that it would request proposals from independent registered public accounting firms for our 2005 audit. E&Y, our then independent registered public accounting firm for the year ended December 31, 2004, received a request for proposal, but notified us on April 13, 2005, that they declined to stand for reappointment as our independent registered public accounting firm.

As disclosed in the Company's Form 10-K/A filed on May 2, 2005, management concluded that our disclosure controls and procedures were not effective as of December 31, 2004 due to material weaknesses identified in the business segment reporting process, the financial statement close process and the income tax process. E&Y issued an adverse opinion on the effectiveness of internal controls over financial reporting because of these material weaknesses as of December 31, 2004.

E&Y's reports on our consolidated financial statements for the years ended December 31, 2004 and 2003 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of our financial statements for each of the two years ended December 31, 2004 and 2003 and through June 9, 2005, there were no disagreements with E&Y on any matters of accounting principles or practices, financial statement disclosure or auditing scope and procedures which, if not resolved to the satisfaction of E&Y would have caused E&Y to make reference to the matter in their report.

During the year ended December 31, 2004, and the quarter ended March 31, 2005, aggregate fees billed by E&Y were approximately \$1,796,900 for work related to the audit of our financial statements for the year ended December 31, 2004, including reviews of quarterly unaudited financial statements and statutory audits of subsidiaries, their opinion on the effectiveness of internal controls over financial reporting, as well as for the review of the quarter ended March 31, 2005. In addition, we paid approximately \$218,539 for other services provided by E&Y, related principally to tax compliance, employee benefit plan audits, acquisitions and related due diligence, and general accounting research. There were no fees billed to us by E&Y during this period for financial information systems design and implementation.

The Audit Committee, which is composed of three independent directors, is responsible for assisting the Board of Directors in fulfilling its oversight responsibilities pertaining to the accounting, auditing and financial reporting processes of the Company. The duties and responsibilities of the Audit Committee are set forth in our Audit Committee Charter, which is published on the Company's website (www.myersind.com) on the Corporate Governance page under the Investor Relations section. Management is responsible for establishing and maintaining the Company's internal control over financial reporting and for preparing financial statements in accordance with accounting principles generally accepted in the United States of America.

Table of Contents

The Audit Committee is directly responsible for the appointment, oversight, compensation and retention of KPMG LLP, the independent registered public accounting firm for the Company. KPMG LLP is responsible for performing an independent audit of the Company's annual financial statements and expressing an opinion on (i) the conformity, in all material respects, of the Company's financial statements with accounting principles generally accepted in the United States of America, (ii) management's assessment of the effectiveness of internal control over financial reporting, and (iii) the effectiveness of internal control over financial reporting.

Each member of the Audit Committee is financially literate and independent as defined under the Company's Independence Criteria policy and the independence standards set by the New York Stock Exchange. The Board has identified Vincent C. Byrd as the "audit committee financial expert".

The Audit Committee's responsibility is one of oversight. Members of the Audit Committee rely on the information provided and the representations made to them by: management, which has primary responsibility for establishing and maintaining appropriate internal control over financial reporting, and for the Company's financial statements and reports; and by the independent registered public accounting firm, which is responsible for performing an audit in accordance with Standards of the Public Company Accounting Oversight Board — United States ("PCAOB") and expressing an opinion on (i) the conformity, in all material respects, of the Company's financial statements with accounting principles generally accepted in the United States of America, (ii) management's assessment of the effectiveness of internal control over financial reporting, and (iii) the effectiveness of internal control over financial reporting.

In the performance of our duties we have:

- reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2006;
- discussed with KPMG LLP, the independent registered public accounting firm for the Company, the matters required to be discussed by Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU Section 380) as adopted by PCAOB in Rule 3200T;
- received and reviewed the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as adopted by PCAOB in Rule 3600T, and have discussed with them their independence and have concluded that KPMG LLP's provision of audit and non-audit services to the Company is compatible with their independence.

Based on the reviews and discussions referred to above, and exercising our business judgment, we recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the SEC. We have selected KPMG LLP as the Company's independent registered public accounting firm for fiscal 2007, and have approved submitting the selection of the independent registered public accounting firm for ratification by the shareholders.

The foregoing report has been furnished by the current members of the Audit Committee, being:

Keith A. Brown, Chair and Presiding Director Vincent C. Byrd Jon H. Outcalt Karl S. Hay

from the information provided to it by the Section 16 Filers for 2006 that they have adhered to all filing requirements applicable to the Section 16 Filers.

Shareholder Proposal for Inclusion in Proxy Statement. Any proposals to be considered for inclusion in the proxy statement to be provided to shareholders of Myers for its next Annual Meeting to be held in April 2008 may be made only by a qualified shareholder and must be received by Myers no later than November 15, 2007.

The enclosed proxy card grants the proxy holders discretionary authority to vote on any matter raised at the Annual Meeting. If a shareholder intends to submit a proposal at our 2008 Annual Meeting of Shareholders which is not eligible for inclusion in the Proxy Statement relating to the meeting, and the shareholder fails to give us notice in accordance with the requirements set forth in the Exchange Act no later than February 1, 2008, then the proxy holders will be allowed to use their discretionary authority if a proposal is properly raised at our Annual Meeting in 2008.

The submission of such a notice does not ensure that a proposal can be raised at our Annual Meeting.

No Incorporation by Reference. The Compensation Committee Report and the Audit Committee Report (including reference to the independence of the Audit Committee members) are not deemed filed with the SEC or subject to the liabilities of Section 18 of the Exchange Act, and shall not be deemed incorporated by reference into any prior or future filings made by us under the Securities Act, or the Exchange Act, except to the extent that we specifically incorporate such information by reference.

Cost of Proxy Solicitation. The accompanying proxy is solicited by and on behalf of the Board of Directors of Myers, whose notice of meeting is attached to this Proxy Statement, and the entire cost of such solicitation will be borne by Myers. In addition to the use of the mails, proxies may be solicited by personal interview, telephone and telegram by directors, officers and employees of Myers. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons, and Myers will reimburse them for reasonable out-of-pocket expenses incurred by them in connection therewith.

Copy of the Form 10-K. We will mail without charge, upon written request, a copy of our Annual Report on Form 10-K for the year ended December 31, 2006, including the consolidated financial statements, schedules and list of exhibits, and any particular exhibit specifically requested. Requests should be sent to: Myers Industries, Inc., 1293 South Main Street, Akron, Ohio 44301, Attn: Investor Relations. The Annual Report on Form 10-K is also available at www.myersind.com and at the SEC's website at www.sec.gov.

Notice Regarding Delivery of Security Holder Documents. The SEC now permits companies to send a single set of annual disclosure documents to any household at which two or more stockholders reside, unless contrary instructions have been received, but only if the company provides advance notice and follows certain procedures. In such cases, such stockholders continue to receive a separate notice of the meeting and proxy card. This "householding" process reduces the volume of duplicate information and reduces printing and mailing expenses. We have not instituted householding for shareholders of record; however, a number of brokerage firms may have instituted householding for beneficial owners of the Company's shares of Common Stock held through such brokerage firms. If your family has multiple accounts holding shares of Common Stock of the Company, you already may have received householding notification from your broker. Please contact your broker directly if you have any questions or require additional copies of the annual disclosure documents. The broker will arrange for delivery of a separate copy of this Proxy Statement or our Annual Report promptly upon your written or oral request. You may decide at any time to revoke your decision to household, and thereby receive multiple copies.
