- (1) Cash flow before financing activities is equal to net cash provided by (used for) operating activities plus net cash provided by (used for) investing activities.
- (2) Total debt presented excludes the obligations of the unconsolidated mines. The unconsolidated mines' customers arrange and guarantee the financing of the unconsolidated mines. These obligations are without recourse to and are not guaranteed by North American Coal or NACCO. The unconsolidated mines are not consolidated in periods after December 31, 2002, since NACCO and North American Coal are not the primary beneficiaries.

- (4) The third quarter of 2016 included an impairment charge of \$17.4 million with respect to its Centennial mining operations.
