**FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 9, 2018**

April 4, 2018

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “Board,” and each member, a “Director”) of the holders of the capital stock (the “Stockholders”) of Eagle Point Credit Company Inc. (the “Company,” “we,” “us” or “our”) of proxies to be voted at the 2018 Annual Meeting of Stockholders (the “Meeting”) and any adjournment(s) or postponement(s) thereof. The Meeting will be held at our offices, which are located at 20 Horseneck Lane, Greenwich, CT 06830, on Wednesday, May 9, 2018 at 8:00 a.m., Eastern Time. The Notice of Annual Meeting of Stockholders (the “Notice”), this Proxy Statement and the enclosed proxy card are first being sent to Stockholders on or about April 4, 2018. A copy of the Company’s Annual Report to Stockholders for the fiscal year ended December 31, 2017 (the “Annual Report”) was previously transmitted to the Stockholders and is also available to Stockholders, without charge, upon request by writing to Courtney Fandruck, Secretary, Eagle Point Credit Company Inc., 20 Horseneck Lane, Greenwich, CT 06830, by calling (844) 810-6501 or by visiting the Company’s website at www.eaglepointcreditcompany.com.

The Board has fixed the close of business on March 29, 2018 as the record date (the “Record Date”) for the determination of Stockholders entitled to notice of, and to vote at, the Meeting. The Meeting is scheduled as a meeting of all Stockholders. As of the Record Date, 21,337,284 shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), were issued and outstanding, 1,818,000 shares of the Company’s 7.75% Series A Term Preferred Stock due 2022, par value \$0.001 per share (the “Preferred A Stock”), were issued and outstanding, and 1,867,584 shares of the Company’s 7.75% Series B Term Preferred Stock due 2026, par value \$0.001 per share (the “Preferred B Stock” and together with the Preferred A Stock, the “Preferred Stock”), were issued and outstanding.

Stockholders of record may vote by mail by returning a properly executed proxy card or in person by attending the Meeting. Shares of Common Stock and Preferred Stock represented by duly executed and timely delivered proxies will be voted as instructed on the proxy. **If you execute and return the enclosed proxy and no vote is indicated, your proxy will be voted FOR the election of each nominee.**

At any time before it has been voted, your proxy may be revoked in one of the following ways: (1) by a signed, written letter of revocation delivered on any business day before the date of the Meeting to the Secretary of the Company at 20 Horseneck Lane, Greenwich, CT 06830, (2) by properly completing and executing a later-dated proxy and returning it in time to be received before the Meeting, or (3) by attending the Meeting and voting in person. Please call (844) 810-6501 for information on how to obtain directions to attend the Meeting and vote in person.

Purpose of Meeting

At the Meeting, holders of the outstanding shares of the Common Stock and Preferred Stock, voting together as a single class, will be asked to elect two (2) Directors, Mr. Jeffrey L. Weiss and Mr. Scott W. Appleby, each to serve until the 2021 annual meeting of stockholders or until his successor is duly elected and qualifies.

Quorum

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of a majority of the Company's capital stock entitled to vote at the Meeting will constitute a quorum. Proxies that reflect abstentions will be treated as shares present for quorum purposes. In addition, shares held of record by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote, and the broker or nominee does not otherwise have discretionary power to vote on non-routine matters, will be entitled to vote at the Meeting and will be treated as shares present for quorum purposes.

If a quorum is not present at the Meeting, the presiding officer shall have power to adjourn the Meeting from time to time, without notice other than announcement at the Meeting, until a quorum shall be present or represented. At such adjourned Meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the Meeting as originally noticed. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned Meeting, a notice of the adjourned Meeting shall be given to each Stockholder entitled to vote at the Meeting.

Vote Required

The Stockholders of record on the Record Date will be entitled to one vote per share on each matter to which they are entitled to vote and that is to be voted on by Stockholders, and a fractional vote with respect to fractional shares, with no cumulative voting rights in the election of Directors. Votes cast by proxy or in person at the Meeting will be counted by the Company's proxy tabulation firm.

The election of a Director requires the affirmative vote of a plurality of the votes cast at the Meeting in person or by proxy. Therefore, a plurality of the votes cast at the Meeting by Stockholders must be "FOR" the election of each of Mr. Weiss and Mr. Appleby for him to be re-elected as a Director. If you vote "Withhold" with respect to a nominee, your shares will not be voted with respect to the person indicated. Such abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on the election.

Additional Information

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice and the enclosed proxy card. The Company intends to use the services of American Stock Transfer & Trust Company, LLC, its transfer agent, and Broadridge Financial Solutions, Inc., a provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. We have requested that brokers, nominees, fiduciaries and other persons holding shares of Common Stock or Preferred Stock in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing. In addition, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by Directors or officers of

the Company, officers or employees of Eagle Point Credit Management LLC, our investment adviser (the “Adviser”), Eagle Point Administration LLC, our administrator (the “Administrator”), and/or by a retained solicitor. No additional compensation will be paid to such Directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$10,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares, but will only ask that you take the time to cast a vote. If engaged, the solicitor may also ask if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm.

As of the date of this Proxy Statement, the Board, the Company’s officers and the Adviser know of no business to come before the Meeting other than as set forth in the Notice. If any other business is properly brought before the Meeting, the persons named as proxies will vote in their sole discretion.

PROPOSAL: ELECTION OF DIRECTORS

The Board is currently comprised of six (6) Directors, four (4) of whom are not “interested persons” (as defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) of the Company (the “Independent Directors”). The Board is divided into three classes with the term of only one class expiring at each annual meeting. Classes I, II and III are each comprised of two (2) Directors.

The Nominating Committee (the “Nominating Committee”) of the Company and the Board have recommended Mr. Weiss and Mr. Appleby for re-election as Class I Directors by the Stockholders. Accordingly, at the Meeting, the holders of Common Stock and Preferred Stock, voting together as a single class, are being asked to re-elect each of Messrs. Weiss and Appleby as a Class I Director, each to serve until the 2021 annual meeting of stockholders or until his respective successor is duly elected and qualifies.

Messrs. Weiss and Appleby are currently serving as Class I Directors and have agreed to continue to serve as Class I Directors, if re-elected. If either Mr. Weiss or Mr. Appleby is not available for re-election at the time of the Meeting, the persons named as proxies will vote for such substitute nominee(s) as the Nominating Committee and the Board may select. The Board has no reason to believe that either Mr. Weiss or Mr. Appleby will be unable or unwilling to serve.

A Stockholder can vote for, or withhold its vote with respect to, any nominee. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each nominee.**

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RE-ELECTION OF EACH NOMINEE.

Information about the Board

The business of the Company is managed under the direction of the Board. Subject to the provisions of the Company’s certificate of incorporation, its bylaws and applicable state law, the Directors have all powers necessary and convenient to carry out this responsibility, including the election and removal of the Company’s officers. The Board is divided into three classes, with the term of only one class expiring at each annual meeting of the stockholders.

Class I Directors. Mr. Scott W. Appleby and Mr. Jeffrey L. Weiss are currently serving as Class I Directors. Messrs. Appleby and Weiss were most recently elected to serve as Directors at the 2015 annual meeting of stockholders with a term expiring at the Meeting. Messrs. Weiss and Appleby will continue to serve as Class I Directors if re-elected at the Meeting.

Class II Directors. Mr. James R. Matthews and Mr. Paul E. Tramontano are currently serving as Class II Directors. Messrs. Matthews and Tramontano were most recently elected to serve as Directors at the 2016 annual meeting of stockholders. Their term expires at the 2019 annual meeting of stockholders.

Class III Directors. Mr. Thomas P. Majewski and Mr. Kevin F. McDonald are currently serving as Class III Directors. Messrs. Majewski and McDonald were most recently elected to serve as Directors at the 2017 annual meeting of stockholders. Their term expires at the 2020 annual meeting of stockholders.

Board Leadership Structure. Currently, and assuming the nominees are re-elected as proposed, the Board consists and will continue to consist of six (6) Directors, four (4) of whom are Independent

Directors and two (2) of whom are “interested persons” as defined in the 1940 Act. Each Independent Director also meets the definition of “independent director” in the corporate governance standards of the New York Stock Exchange as applicable to closed-end management investment companies. Messrs. Appleby, McDonald, Tramontano and Weiss qualify as Independent Directors. Mr. Matthews, who serves as Chairperson (the “Chairperson”) of the Board, and Mr. Majewski, who serves as our Chief Executive Officer, are interested persons of the Company. The Chairperson presides at meetings of the Directors and may call meetings of the Board and any Board committee whenever he deems necessary. The Chairperson participates in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairperson also generally acts as a liaison with our management, officers and attorneys and other Directors between meetings. The Chairperson may perform such other functions as may be requested by the Board from time to time. Except for any duties specified pursuant to our certificate of incorporation or bylaws, or as assigned by the Board, the designation of a Director as Chairperson does not impose on that Director any duties, obligations or liability that are greater than the duties, obligations or liability imposed on any other Director, generally.

The Board has designated Mr. Weiss as “Lead Independent Director.” The Lead Independent Director generally acts as a liaison between the other Independent Directors and our management, officers and attorneys between Board meetings. The Lead Independent Director may perform such other functions as may be requested by the Board from time to time. Except for any duties specified pursuant to our certificate of incorporation or bylaws, or as assigned by the Board, the designation of a Director as Lead Independent Director does not impose on that Director any duties, obligations or liability that are greater than the duties, obligations or liability imposed on any other Director, generally.

The Board has established two standing committees to facilitate oversight of the management of the Company: the Audit Committee and the Nominating Committee. The functions and role of each committee are described below under “**Board Committees and Meetings**.” The membership of each committee consists of all of the Independent Directors, which the Board believes allows them to participate in the full range of the Board’s oversight duties.

The Board reviews its leadership structure periodically, and the Board believes that the current leadership structure is appropriate because it allows the Board to exercise informed judgment over matters under its purview, and it allocates areas of responsibility among committees or working groups of Directors and the full Board in a manner that enhances effective oversight. The Board also believes that having a majority of Independent Directors is appropriate and in the best interest of the Stockholders. Nevertheless, the Board also believes that having interested persons serve on the Board brings corporate and financial viewpoints that are, in the Board’s view, crucial elements in its decision-making process. In addition, the Board believes that Mr. Majewski, Managing Partner of the Adviser, provides the Board with the Adviser’s perspective in managing and sponsoring us. The leadership structure of the Board may be changed, at any time and in the discretion of the Board, including in response to changes in circumstances or our characteristics.

Risk Oversight. As a registered investment company, we are subject to a variety of risks, including investment risks, financial risks, compliance risks and operational risks. As part of its overall activities, the Board oversees the management of our risk management structure by various departments of the Adviser and the Administrator, as well as by our Chief Compliance Officer (“CCO”). The responsibility to manage our risk management structure on a day-to-day basis is subsumed within the Adviser’s overall investment management responsibilities. The Adviser has its own, independent interest in risk management.

The Board recognizes that it is not possible to identify all of the risks that may affect us or to develop processes and controls to eliminate or mitigate their occurrence or effects. The Board discharges risk oversight as part of its overall activities. In addressing issues regarding our risk management between meetings, appropriate representatives of the Adviser communicate with the Chairperson, the relevant committee chair or our CCO, who is directly accountable to the Board. As appropriate, the Chairperson and the committee chairs confer among themselves, with our CCO, the Adviser, other service providers and external fund counsel to identify and review risk management issues that may be placed on the full Board's agenda and/or that of an appropriate committee for review and discussion with management.

When considering potential nominees to fill vacancies on the Board, and as part of its annual self-evaluation, the Board reviews the mix of skills and other relevant experiences of the Directors.

In respect of each current Director, the individual’s substantial professional accomplishments and prior experience, including, in some cases, in fields related to the operations of the Company, were a significant factor in the determination by the Board that the individual is qualified to serve as a Director. Board Committees and Meetings

The Board has established two standing committees to facilitate oversight of the management of the Company: the Audit Committee and the Nominating Committee.

Audit Committee. The members of the Audit Committee are Messrs. Appleby, McDonald, Tramontano and Weiss, each of whom is an Independent Director. Each member of the Audit Committee is financially literate with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Audit Committee, which is included as Appendix A to this Proxy Statement. The Audit Committee recommends to the full Board the independent registered public accounting firm for us, oversees the work of the independent registered public accounting firm in connection with the Company’s audit, communicates with the independent registered public accounting firm on a regular basis and provides a forum for the independent registered public accounting firm to report and discuss any matters it deems appropriate at any time. The Audit Committee is also responsible for establishing guidelines and making recommendations to the Board regarding the valuation of the Company’s investments, which are considered when the Board determines, within the meaning of the 1940 Act, the value of the Company’s investments. The Audit Committee also functions as the qualified legal compliance committee of the Company and is responsible for the confidential receipt, retention and consideration of any report of evidence of (i) a material violation of applicable federal or state securities law, (ii) a material breach of fiduciary duty arising under federal or state law or (iii) a similar material violation of any federal or state law by the Company or any officer, director, employee or agent of the Company that has occurred, is ongoing or is about to occur. Mr. Weiss currently serves as chair of the Audit Committee.

Nominating Committee. The members of the Nominating Committee are Messrs. Appleby, McDonald, Tramontano and Weiss, each of whom is an Independent Director. The Board has adopted a written charter for the Nominating Committee, which is included as Appendix B to this Proxy Statement. The Nominating Committee periodically reviews the committee structure, conducts an annual self-assessment of the Board and makes the final selection and nomination of candidates to serve as Independent Directors. The Board nominates and selects the interested Directors and the officers. Mr. Appleby serves as chair of the Nominating Committee.

In reviewing a potential nominee and in evaluating the re-nomination of current Independent Directors, the Nominating Committee will generally apply the following criteria: (1) the nominee's reputation for integrity, honesty and adherence to high ethical standards; (2) the nominee's business acumen, experience and ability to exercise sound judgment; (3) a commitment to understand the Company and the responsibilities of a director of an investment company; (4) a commitment to regularly attend and participate in meetings of the Board and its committees; (5) the ability to understand potential conflicts of interest involving management of the Company and to act in the interests of all Stockholders; and (6) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all Stockholders and to fulfill the responsibilities of an Independent Director. The Nominating Committee does not necessarily place the same emphasis on each criteria and each nominee may not have each of these qualities.

As long as an existing Independent Director continues, in the opinion of the Nominating Committee, to satisfy these criteria, we anticipate that the Nominating Committee would favor the re-nomination of an existing Independent Director rather than nominate a new candidate. Consequently, while the Nominating Committee will consider nominees recommended by Stockholders to serve as Independent Directors, the Nominating Committee may only act upon such recommendations if there is a vacancy on the Board or a committee and it determines that the selection of a new or additional Independent Director is in the Company's best interests. In the event that a vacancy arises or a change in membership is determined to be advisable, the Nominating Committee will, in addition to any Stockholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Nominating Committee. The Nominating Committee may retain a consultant to assist it in a search for a qualified candidate.

The Nominating Committee has not adopted a formal policy with regard to the consideration of diversity in identifying individuals for election as Independent Directors, but the Nominating Committee will consider such factors as it may deem are in the best interests of the Company and the Stockholders. Such factors may include the individual's professional experience, education, skills and other individual qualities or attributes, including gender, race or national origin.

Consideration of Candidates Recommended by Stockholders. The Nominating Committee will review and consider nominees recommended by Stockholders to serve as Independent Directors, provided that the recommending Stockholder follows the procedures for Stockholders to submit nominee candidates as set forth in the Company's bylaws and Nominating Committee's charter, and summarized here.

For any Stockholder recommendation for Independent Director to be included in the Company's proxy statement, it must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Exchange Act to be considered by the Nominating Committee. In evaluating a nominee recommended by a Stockholder, the Nominating Committee, in addition to the criteria discussed above, may consider the objectives of the Stockholder in submitting that nomination and whether such objectives are consistent with the interests of all Stockholders. If the Board determines to include a Stockholder's candidate among the slate of nominees, the candidate's name will be placed on the Company's proxy card. If the Nominating Committee or the Board determines not to include such candidate among the Board's designated nominees and the Stockholder has satisfied the requirements of Rule 14a-8, the Stockholder's candidate will be treated as a nominee of the Stockholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the Company's proxy statement.

A Stockholder who is entitled to vote at the applicable annual meeting and who intends to nominate a director must comply with the advance notice procedures of the Company's bylaws. To be timely, the Stockholder's notice must be delivered by a nationally recognized courier service or mailed by first class United States mail, postage or delivery charges prepaid, and received at the principal executive offices of the Company addressed to the attention of the Secretary not less than ninety (90) days nor more than one hundred twenty (120) days in advance of the anniversary of the date the Company's proxy statement was released to the Stockholders in connection with the previous year's annual meeting of Stockholders; provided, however, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the Stockholder must be received by the Secretary not later than the close of business on the later of (x) the ninetieth (90th) day prior to such annual meeting and (y) the seventh (7th) day following the day on which public announcement of the date of such meeting is first made. Such Stockholder's notice to the Secretary shall set forth (i) as to each person whom the Stockholder proposes to nominate for election or reelection as a Director, (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person, (c) the class and number of shares of capital stock of the Company that are beneficially owned by the person and (d) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of Directors pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC") under Section 14 of the Exchange Act, and (ii) as to the Stockholder giving the notice (a) the name and record address of the Stockholder and (b) the class and number of shares of capital stock of the Company that are beneficially owned by the Stockholder. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a Director. No person nominated by a Stockholder as an Independent Director shall be eligible for election as a Director unless nominated in accordance with the procedures set forth herein. An officer of the Company presiding at an annual meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he or she should so determine, he or she shall so declare to the meeting and the defective nomination shall be disregarded.

Meetings. The Board meets regularly four times each year to discuss and consider matters concerning the Company, and also holds special meetings to address matters arising between regular meetings. The Independent Directors regularly meet outside the presence of management. Regular meetings generally take place in-person; other meetings may take place in-person or by telephone. During the fiscal year ended December 31, 2017, the Board held four regular meetings and one special meeting. The Audit Committee met in separate session four times and the Nominating Committee met in separate session two times. Each Director attended, in person or via teleconference, 75% or more of the aggregate number of meetings of the Board and the committees on which such Director served and that were held during the fiscal year ended December 31, 2017.

The Directors are not required to attend the Company's annual meetings of stockholders but are encouraged to do so. Each of the six (6) Directors attended the 2017 annual meeting of stockholders.

ADDITIONAL INFORMATION

Stockholder Communications with the Board

Stockholders may communicate with the Directors as a group or individually. Stockholder communications must (1) be in writing and be signed by the Stockholder and (2) identify the class and number of shares of Common Stock or Preferred Stock held by the Stockholder. Any such communication should be sent to the Board or an individual Director c/o the Secretary at the following address: 20 Horseneck Lane, Greenwich, CT 06830. The Secretary or his designee is responsible for reviewing properly submitted Stockholder communications. The Secretary shall either (1) provide a copy of each properly submitted Stockholder communication to the Board at its next regularly scheduled meeting or (2) forward the communication to the Director(s) promptly after receipt if the Secretary determines that the communication requires more immediate attention. The Secretary may, in good faith, determine that a Stockholder communication should not be provided to the Board or Director(s) because it does not reasonably relate to the Company or its operations, management, activities, policies, service providers, Board, officers, Stockholders or other matters relating to an investment in the Company or otherwise routine or ministerial in nature.

These procedures do not apply to (1) any communication from a Director or an officer of the Company, (2) any communication from an employee or agent of the Company, unless such communication is made solely in such employee's or agent's capacity as a Stockholder, or (3) any Stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act or any communication made in connection with such a proposal. The Directors are not required to make themselves available to Stockholders for communications, other than by the aforementioned procedures.

Certain Related Party Transactions

Investment Adviser and Investment Advisory Agreement

The Adviser, located at 20 Horseneck Lane, Greenwich, CT 06830, manages the Company's investments, subject to the supervision of the Board, pursuant to an amended and restated investment advisory agreement (the "Current Advisory Agreement") between us and the Adviser, dated May 16, 2017, which amended and restated the previous investment advisory agreement (the "Previous Advisory Agreement") between us and the Adviser. The Adviser is registered as an investment adviser with the SEC and, as of December 31, 2017, had approximately \$2 billion of assets under management for investment in CLO securities and related investments, including capital commitments that were undrawn as of such date. The Adviser was established in November 2012 by Mr. Majewski and Stone Point, as investment manager of the Trident V Funds. Stone Point, an investment adviser registered with the SEC, is a specialized private equity firm focused exclusively on the financial services industry. Since its inception, Stone Point (including a predecessor entity) has raised seven private equity funds with aggregate committed capital of approximately \$19 billion. The Trident V Funds are a group of private equity funds managed by Stone Point. The Adviser is primarily owned by the Trident V Funds through intermediary holding companies. In addition, members of the Adviser's senior investment team hold ownership interests in the Adviser. The Adviser is governed by a board of managers, which includes Mr. Majewski and certain principals of Stone Point.

To the extent the Administrator outsources any of its functions, we pay the fees on a direct basis, without profit to the Administrator. Independent Registered Public Accounting Firm

The Audit Committee and the Board unanimously selected KPMG LLP ("KPMG") as the independent registered public accounting firm for the Company at a Board meeting held on February 13, 2018. KPMG has served as the independent registered public accounting firm of the Company since the Company's inception. KPMG is located at 345 Park Avenue, New York, NY 10154. The Company is not aware of any direct financial or material indirect financial interest of KPMG in the Company. A representative of KPMG will be present at the Meeting via telephone to respond to appropriate questions from Stockholders and will have an opportunity to make a statement if he or she chooses to do so.

Audit Committee Pre-approval Policies and Procedures. The Audit Committee has adopted written policies relating to the pre-approval of audit and permitted non-audit services to be performed by the Company's independent registered public accounting firm. Under the policies, on an annual basis, the Audit Committee reviews and pre-approves proposed audit and permitted non-audit services to be performed by the independent registered public accounting firm on behalf of the Company.

In addition, the Audit Committee pre-approves annually any permitted non-audit services (including audit-related services) to be provided by the independent registered public accounting firm to the Adviser and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Company (together, the "Service Affiliates"), provided, in each case, that the engagement relates directly to the operations and financial reporting of the Company. Although the Audit Committee does not pre-approve all services provided by the independent registered public accounting firm to the Service Affiliates (for instance, if the engagement does not relate directly to the operations and financial reporting of the Company), the Audit Committee receives an annual report showing the aggregate fees paid by the Service Affiliates for such services.

The Audit Committee may also from time to time pre-approve individual non-audit services to be provided to the Company or a Service Affiliate that were not pre-approved as part of the annual process described above. The Audit Committee may form and delegate authority to subcommittees consisting of one (1) or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that any decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

The pre-approval policies provide for waivers of the requirement that the Audit Committee pre-approve non-audit services provided to the Company pursuant to de minimis exceptions described in Section 10A of the Exchange Act and applicable regulations.

Audit Fees. The aggregate fees billed for professional services rendered by KPMG for the audit of the Company’s annual financial statements or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for the fiscal years ended December 31, 2016 and December 31, 2017 were \$167,647, and \$178,235, respectively.

Audit-Related Fees. The aggregate fees billed for assurance and related services by KPMG that are reasonably related to the performance of the audit of the Company’s financial statements and not reported under the caption “Audit Fees” in the fiscal years ended December 31, 2016 and December 31, 2017 were \$0, and \$0, respectively.

Tax Fees. The aggregate fees billed for professional services by KPMG for tax compliance, tax advice and tax planning in the fiscal years ended December 31, 2016 and December 31, 2017 were \$158,500 and \$92,000, respectively. These fees were in connection with the preparation of the Company’s regulated investment company tax compliance and related tax advice.

All Other Fees. The aggregate fees billed for assurance and related services by KPMG in the fiscal years ended December 31, 2016 and December 31, 2017 were \$608,000 and \$382,500, respectively. The fees incurred in the 2016 fiscal year were in connection with the Company’s common stock offerings, preferred stock offerings, notes offerings and amendment to its shelf registration statement during the period. The fees incurred in the 2017 fiscal year were in connection with the Company’s common stock offerings, preferred stock offerings, notes offerings, “at the market” common and preferred stock issuance program and amendment to its shelf registration statement during the period.

During the fiscal years ended December 31, 2016 and 2017, all of KPMG’s expenses were pre-approved by the Audit Committee.

Aggregate Non-Audit Fees. The aggregate non-audit fees billed by KPMG during the fiscal years ended December 31, 2016 and 2017, for services rendered to the Company and the Service Affiliates are shown in the table below:

Fiscal Year Ended	Aggregate Non-Audit Fees for Company	Aggregate Non-Audit Fees for Service Affiliates	Aggregate Non-Audit Fees
December 31, 2016	\$766,500	\$80,996	\$847,496
December 31, 2017	\$474,500	\$108,650	\$583,150

The Audit Committee has considered whether the provision of non-audit services that were rendered to the Service Affiliates that were not required to be pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining KPMG’s independence.

Report of the Audit Committee

The Audit Committee (the “Audit Committee”) of Eagle Point Credit Company Inc. (the “Company”) oversees the Company’s accounting and financial reporting processes and the audits of the Company’s financial statements. The Company’s management is responsible for the preparation, presentation and integrity of the Company’s financial statements, the Company’s accounting and financial and reporting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Company’s Annual Report for the fiscal year ended December 31, 2017 (the “Annual Report”) with management and discussed the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the above described December 31, 2017 audited financial statements with management and with KPMG LLP (“KPMG”), the Company’s independent registered public accounting firm. The Audit Committee has also discussed with KPMG the matters required to be discussed by Auditing Standard 1301 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board (“PCAOB”). The Audit Committee reviewed with KPMG, who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgment as to the quality, not just the acceptability, of the Company’s accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. Finally, the Audit Committee has reviewed the written disclosures and the letters from KPMG required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, as currently in effect, has considered whether the provision of other non-audit services by KPMG to the Company are compatible with maintaining KPMG’s independence, and has discussed with KPMG the independence of the independent registered public accounting firm.

The Audit Committee discussed with KPMG the overall scope and plans for the audit. The Audit Committee met with KPMG to discuss the results of their audit, their evaluations of the Company’s internal controls and the overall quality of the Company’s financial reporting.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to in the proxy statement for the 2018 annual meeting of stockholders filed with the Securities and Exchange Commission (the “SEC”) on April 4, 2018 and in the Audit Committee’s charter, the Audit Committee recommended to the board of directors (the “Board”) of the Company (and the Board has approved) that the Company’s audited financial statements be included in the Annual Report as filed with the SEC.

Stockholders are reminded, however, that the members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and KPMG. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions, referred to above, do not assure that the audit of the Company’s financial statements has been carried out in accordance with the standards of the PCAOB, that the financial statements are presented in conformity with accounting principles generally accepted in the United States of America or that the Company’s independent registered public accounting firm is, in fact, “independent.”

Proposals of Stockholders intended to be presented at that annual meeting of the Company must be received by the Company no later than December 5, 2018 for inclusion in the Company's proxy statement and proxy cards relating to that meeting. The submission by a Stockholder of a proposal for inclusion in the proxy materials does not guarantee that it will be included. A Stockholder's notice to the Secretary shall set forth (i) as to each matter the Stockholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting and (b) any material interest of the Stockholder in such business, and (ii) as to the Stockholder giving the notice (a) the name and record address of the Stockholder and (b) the class, series and number of shares of capital stock of the Company which are beneficially owned by the Stockholder.

Assuming the next annual meeting is ultimately scheduled to be within 30 days of the May 9th anniversary of the Meeting, such proposals must be received no earlier than December 5, 2018 and no later than January 4, 2019. Stockholder proposals should be addressed to the attention of Courtney Fandrick, Secretary, Eagle Point Credit Company Inc., 20 Horseneck Lane, Greenwich, CT 06830.

on the Stockholder's proposal, if it is properly brought before the meeting, in accordance with the judgment of the persons named in the enclosed proxy card(s). If a Stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.

The Company will furnish to any Stockholder upon request, without charge, an additional copy of the Company's Annual Report and most recent semiannual report to Stockholders. APPENDIX A

EAGLE POINT CREDIT COMPANY INC. AUDIT COMMITTEE CHARTER

The board of directors (the “**Board**”) of Eagle Point Credit Company Inc. (together with any successor thereto, the “**Company**”) has determined that the Audit Committee of the Board (the “**Committee**”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. This Audit Committee Charter (this “**Charter**”) establishes the governing principles of the Committee.

A. Purpose

The purpose of the Committee is to serve as an independent and objective party to assist the Board in fulfilling its oversight responsibilities for the Company’s accounting and reporting processes and the audits of its financial statements by overseeing and monitoring:

1. The quality and integrity of financial reports and other financial information provided by the Company to governmental bodies or the public and the independent audit thereof;
2. The preparation of the disclosure required by Item 407(d)(3)(i) of Regulation S-K (“**Regulation S-K**”), promulgated under the Securities Act of 1933, as amended (the “**Securities Act**”) and the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”);
3. The Company’s system of internal controls regarding finance, accounting and regulatory compliance;
4. The material aspects of the Company’s accounting and financial reporting process generally;
5. The independence, qualifications and performance of the Company’s independent registered public accounting firm (the “**Independent Accountants**”), including the lead audit partner;
6. The compliance by the Company with legal and regulatory requirements;
7. The performance of the Company’s internal audit function and the Independent Accountants; and
8. Assist the Board with the determination of the fair value of securities and other assets held by the Company.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section E of this Charter.

B. Scope

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate or prepared in accordance with generally accepted accounting principles (“**GAAP**”). The responsibility to plan and conduct audits is that of the Independent Accountants. In fulfilling their responsibility, the Independent Accountants are ultimately accountable to the Board and the Committee. The Company’s management has the responsibility to determine that the Company’s financial statements are complete and accurate and prepared in accordance with GAAP. It is also not the duty of the Committee to provide assurance of the Company’s compliance with laws and regulations or compliance with the Company’s Rule 17j-1 Code of Ethics, SOX Code of Ethics and Insider Trading Policy. The primary responsibility for these matters also rests with the Company’s management.

In order to fulfill its oversight responsibility, the Committee must be capable of conducting free and open discussions with management, the Independent Accountants, internal auditors, employees and others regarding the quality of the Company’s financial statements and system of internal controls.

C. Membership Requirements

The Committee shall be comprised of three (3) or more directors as determined by the Board, each of whom must:

1. be an Independent Director in accordance with the requirements of Rule 10A-3 of the Exchange Act applicable to registered investment companies,¹ and free from any material relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee;
2. be "financially literate," as such qualification is interpreted by the Board; and
3. have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

The members of the Committee shall meet the requirements of all applicable laws, rules or regulations, in each case, when, as and to the extent applicable to the Company, including the rules of the New York Stock Exchange, LLC ("*NYSE*") applicable to closed-end management investment companies.

In addition, at least one (1) member of the Committee shall have accounting or related financial management experience, as determined by the Board. Any member of the Committee who satisfies the definition of an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K will be presumed to have accounting or related financial management expertise.

No member of the Committee may serve simultaneously on the audit committees of more than three (3) public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to serve on the Committee effectively. If such a determination is made by the Board, the Company must disclose such determination on its website, in its annual proxy statement (if any) or in the Company's annual report on Form N-CSR filed with the Securities and Exchange Commission (the "**SEC**").

The members of the Committee shall be elected by the Board annually or until their successors shall be duly elected and qualified. Unless a Chairman is elected by the Board, the members of the Committee may designate a Chairman by majority vote of the full Committee.

D. Meetings and Procedures

The Committee shall meet at least four (4) times each year, or more frequently as circumstances require. The Chairman of the Committee may call a Committee meeting whenever deemed necessary and shall be responsible for meeting with the Independent Accountants at their request to discuss the Company's interim financial results. The Committee may request any officer or employee of the Company, the Company's outside counsel or Independent Accountants to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Members of the Committee may participate in a meeting by means of a conference telephone or similar communications equipment if all persons participating can hear each other at the same time. Subject to the provisions of the Investment Company Act, participation in a meeting by these means constitutes presence in person at the meeting. Any action required or permitted to be taken at a meeting of the Committee may also be taken without a meeting if all members of the Committee consent thereto in writing. The Committee shall keep regular minutes of its meetings and records of decisions taken without a meeting and cause them to be recorded in the Company's minute book.

¹ Rule 10A-3 requires that an Independent Director not (other than in his or her capacity as a member of the Committee, the Board, or any other Board committee) (i) accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any subsidiary thereof or (ii) be an "interested person" of the issuer as defined in section 2(a)(19) of the 1940 Act.

A majority, but not less than two, of the members of the Committee shall be present at any meeting of the Committee in order to constitute a quorum for the transaction of business at such meeting, and the act of a majority present shall be the act of the Committee.

The Committee shall meet separately, and periodically, with management, personnel responsible for the Company's internal audit function and the representatives of the Independent Accountants, and shall invite such members to its meetings as it deems appropriate, to assist in carrying out its duties and responsibilities. However, the Committee shall meet regularly without such persons present.

E. Responsibility and Duties

General Responsibilities

1. To carry out its purposes, the responsibilities of the Committee shall be as follows:
 - a. Maintain open communications with the Independent Accountants, internal auditors, executive management and the Board;
 - b. Meet separately, from time to time, with management, the Independent Accountants and the internal auditors (or other personnel responsible for the internal audit function) to discuss matters warranting attention by the Committee;
 - c. Regularly report Committee actions to the Board and make recommendations as the Committee deems appropriate;
 - d. Review the financial results presented in all reports filed with the SEC;
 - e. Review reports issued by regulatory examinations and consider the results of those reviews to determine if any findings could have a material effect on the Company's financial statements;

 - g. Review and reassess the adequacy of this Charter at least annually and recommend any changes to the full Board; and
 - h. Take other actions required of the Committee by law, applicable regulations, or as requested by the Board.
2. In discharging its duties hereunder, the Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the Independent Accountants for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee, and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. The Committee shall have the authority to select, retain, compensate, oversee and terminate, if necessary, any other registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.

Responsibilities Regarding the Engagement of the Independent Accountants

The Committee will:

1. Have the sole authority to appoint or replace the Independent Accountants (subject, if applicable, to shareholder ratification). The Committee shall be directly responsible for the compensation and oversight of the Independent Accountants (including resolution of disagreements between management and the Independent Accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Independent Accountants shall report directly to the Committee.

2. Ensure the independence of the Independent Accountants by:
 - a. Having the Independent Accountants deliver to the Committee at least annually a formal written statement delineating all relationships between the Independent Accountants and the Company and addressing at least the matters set forth in the Public Company Accounting Oversight Board's ("PCAOB") Rule No. 3526; actively engaging in dialogue with the Independent Accountants about any relationships or services disclosed in such statement that may impact the objectivity and independence of the Independent Accountants.
 - b. Pre-approving all audit services and permitted non-audit services (including fees and terms thereof), subject to the de minimis exceptions under Section 10A(i)(1)(B) of the Exchange Act, to be performed for the Company by the Independent Accountants or other registered public accounting firms.² The Committee may form and delegate authority to subcommittees consisting of one (1) or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, *provided* that any decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.
 - c. Ensuring the regular rotation of the lead (or coordinating) audit partner (or, if required by the rules and regulations of the SEC or the rules of the NYSE, other employees of the Independent Accountants) having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and to consider the regular rotation of the Independent Accountants.
 - d. To recommend to the Board policies for the Company's hiring of employees or former employees of the Independent Accountants who participated in any capacity in the audit of the Company.
 - e. At least annually, obtain and review a report by the Independent Accountants describing: the firm's internal control procedures; any material issues raised by the most recent internal quality control review, peer review or PCAOB review or inspection of the firm, or by any other inquiry or investigation by governmental or professional authorities, within the preceding five (5) years with respect to one (1) or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and all relationships between the Independent Accountants and the Company to assess the independence and objectivity of the Independent Accountants.
 - f. The Committee shall review and present its conclusions regarding the Independent Accountants' qualifications, performance (including an evaluation of the lead audit partner) and, if applicable, its conclusions regarding the rotation of the Independent Accountants to the Board at least annually.
 - g. The Committee shall review and discuss with the Independent Accountants (1) the Independent Accountants' responsibilities under GAAP and the responsibilities of management in the audit process, (2) the overall audit strategy, (3) the scope and timing of the annual audit, (4) any significant risks identified during the Independent Accountants' risk assessment procedures and (5) when completed, the results, including significant findings, of the annual audit.

Responsibilities for Reviewing the Annual External Audit and the Financial Statements

The Committee will:

1. Request the Independent Accountants to confirm that they are accountable to the Committee and that they will provide the Committee with timely analyses of significant financial reporting and internal control issues;

² In addition to the requirement to pre-approve audit and permissible non-audit services (subject to the de minimis exceptions under Section 10A(i)(1)(B)) to be rendered to the Company by its independent accountants, the Audit Committee is required to pre-approve non-audit services (subject to the de minimis exceptions under Section 10A(i)(1)(B)) rendered by the Company's independent accountants to the Company's investment adviser (not including any sub-adviser whose role is primarily portfolio management and is sub-contracted or overseen by another investment adviser), and to any entity controlling, controlled by or under common control with its investment adviser that provides ongoing services to the Company if the engagement relates directly to the operations and financial reporting of the Company.

2. Review with management significant risks and exposures identified by management and management's steps to minimize them;
3. Review the scope of the external audit with the Independent Accountants;
4. Review with management and the Independent Accountants, as appropriate:
 - a. The adequacy and effectiveness of the Company's system of internal controls, including computerized information system controls and security, including any significant deficiencies or material weaknesses in the design or operation of, and any material changes in, the Company's internal controls and any special audit steps adopted in light of any material control deficiencies, and any fraud, whether or not material, involving management or other employees with a significant role in such internal controls;
 - b. The Company's critical accounting policies and practices to be used in the audit;
 - c. The Company's annual audited financial statements (including related notes) and semi-annual financial statements, including the Company's disclosures under "Management's Discussion of Fund Performance," (if the Company chooses to voluntarily include such section in its Form N-CSR) and the form of audit opinion to be issued, before they are made public;
 - d. All alternative treatments of financial information within GAAP that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the Independent Accountants;
 - e. Material written communications between the Independent Accountants and management, such as any management letter or schedule of unadjusted differences;
 - f. Any audit problems or difficulties, including difficulties encountered by the Independent Accountants during their audit work (such as restrictions on the scope of their activities or their access to information); any significant disagreements between management and the Independent Accountants; management's response to these problems, difficulties or disagreements; and the Committee's proposed resolution to any disagreements between the Independent Accountants and management;
 - g. Any major issues regarding accounting principles and financial statement presentation, including any significant changes in the Company's selection or application of accounting principles; any significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including the effects of alternative GAAP methods; and the effect of regulatory and accounting initiatives and off-balance sheet structures on the Company's financial statements; and
 - h. The Company's earnings press releases, including the type of information to be included and its presentation and the use of any pro forma or non-GAAP information, before their release to the public, and any financial information and earnings guidance provided to analysts and ratings agencies, including the type of information to be disclosed and the type of presentation to be made; and

Review the Independent Accountants’ disclosure relating to the Company’s internal controls, and disclosures made to the Committee by the Company’s principal executive officer and principal financial officer during their certification process for the Form N-CSR about any significant deficiencies in the design or operation of internal controls over financial reporting or material weaknesses therein and any fraud, whether or not material, involving management or other employees with a significant role in such internal controls;
13. Recommend to the Board whether to include the audited financial statements in the Company’s Form N-CSR; and

APPENDIX B

EAGLE POINT CREDIT COMPANY INC. NOMINATING COMMITTEE CHARTER

The board of directors (the “**Board**”) of Eagle Point Credit Company Inc. (together with any successor thereto, the “**Company**”) has determined that the Nominating Committee of the Board (the “**Committee**”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. This Nominating Committee Charter (this “**Charter**”) establishes the governing principles of the Committee.

A. PURPOSE OF THE COMMITTEE

The purposes of the Committee shall be to identify and to carry out the responsibilities delegated by the Board relating to the nominations process and procedures for Independent Directors (as defined below) of the Company; select individuals qualified to serve as Independent Directors of the Company and on committees of the Board; to advise the Board with respect to the Board’s composition, procedures and committees; to oversee the evaluation of the Board; and to undertake such other duties and responsibilities as may from time to time be delegated by the Board to the Committee.

B. COMPOSITION OF THE COMMITTEE

The Committee shall consist of two or more directors, as determined from time to time by the Board, who shall be appointed by the Board. The Nominating Committee shall be comprised solely of Independent Directors. For purposes of this Nominating Committee Charter, “**Independent Directors**” are directors of the Company who (i) are not “interested persons” (as defined in the Investment Company Act of 1940, as amended (the “**Investment Company Act**”)) of the Company; (ii) are “independent” in accordance with the independence requirements of the New York Stock Exchange, LLC as applicable to closed-end management investment companies; and (iii) meet the independence requirements of Section 10A(m)(3) of the Securities and Exchange Act of 1934, as amended and any other applicable laws, rules and regulations with respect to independence, as determined by the Board, and any additional requirements that the Board deems appropriate.

The chairperson of the Committee shall be designated by the Board, *provided* that if the Board does not so designate a chairperson, the members of the Committee, by a majority vote, may designate a chairperson.

Each member of the Committee shall hold office until his or her resignation or until otherwise determined by the Board. Any vacancy on the Committee shall be filled by majority vote of the Board. No member of the Committee shall be removed except by majority vote of the Board.

C. MEETINGS AND PROCEDURES OF THE COMMITTEE

The Committee shall meet as often as it determines necessary to carry out its duties and responsibilities, but no less frequently than one regular meeting per year. The chairperson of the Committee or a majority of the members of the Committee may call a special meeting of the Committee and may fix the time and place of the Committee’s meetings.

A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other shall constitute a quorum. Subject to the provisions of the Investment Company Act, participation in a meeting by these means constitutes presence in person at the meeting. Any action required or permitted to be taken at a meeting of the Committee may also be taken without a meeting if all members of the Committee consent thereto in writing.

The Committee may invite any member of the Board who is not a member of the Committee, officers, counsel, representatives of service providers or other persons to attend meetings (or portions thereof) and provide information as the Committee, in its sole discretion, considers appropriate. The Committee may rely on the Company’s

investment adviser and other service providers to supply information reasonably necessary for the Committee to carry out its responsibilities.

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; *provided, however*, that no subcommittee shall consist of fewer than two members; and *provided further* that the Committee shall not delegate to a subcommittee any power or authority required by any law, rule, regulation or listing standard to be exercised by the Committee as a whole.

The Committee shall maintain minutes of its meetings and records relating to those meetings and shall report regularly to the Board on its activities, as appropriate.

D. DUTIES AND RESPONSIBILITIES OF THE COMMITTEE

1. Board Candidates and Nominees

The Committee shall have the following duties and responsibilities with respect to Board candidates and nominees:

- (a) To identify, screen, recruit and, if appropriate, interview candidates to fill Independent Directors positions on the Board, including persons suggested by stockholders or others.
- (b) To review the background and qualifications of individuals being considered as Independent Director candidates. Among the qualifications considered in reviewing potential Independent Director nominees and in evaluating the re-nomination of Independent Directors, the Committee shall consider the following attributes and criteria: (i) the nominee's reputation for integrity, honesty and adherence to high ethical standards; (ii) the nominee's business acumen, experience and ability to exercise sound judgment; (iii) a commitment to understand the Company and the responsibilities of a director of an investment company; (iv) a commitment to regularly attend and participate in meetings of the Board and its committees; (v) the ability to understand potential conflicts of interest involving management of the Company and to act in the interests of all stockholders; and (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the stockholders and to fulfill the responsibilities of an Independent Director. The Committee does not necessarily place the same emphasis on each criterion and each nominee may not have each of these qualities. In evaluating a nominee recommended by a stockholder, the Committee, in addition to the criteria discussed above, may consider the objectives of the stockholder in submitting that nomination and whether such objectives are consistent with the interests of all stockholders.
- (c) To select and approve the Independent Directors nominees for election by the stockholders or appointment by the Board, as the case may be, pursuant to the bylaws of the Company.
- (d) To review the suitability for continued service as a director of each Independent Director when his or her term expires and when he or she has a change in status, including but not limited to an employment change, and to recommend whether or not such Independent Director should be re-nominated.
- (e) To consider nominees recommended by stockholders to serve as Independent Directors; however, the Committee may only act upon such recommendations if there is a vacancy on the Board or the Committee determines that the selection of a new or additional Independent Director is in the Company's best interests. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Committee shall, in addition to any stockholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Committee. The Committee may retain a consultant to assist it in a search for a qualified candidate.
- (f) Any stockholder recommendation for Independent Director must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Exchange Act, to be considered by the Committee. The Committee may, if it deems appropriate, establish additional procedures to be followed by stockholders in submitting recommendations for Board candidates. In evaluating a nominee recommended by a

stockholder, the Committee, in addition to the criteria discussed above, may consider the objectives of the stockholder in submitting that nomination and whether such objectives are consistent with the interests of all stockholders. If the Committee or the Board determines not to include such candidate among the Board's designated nominees and the stockholder has satisfied the requirements of Rule 14a-8, the stockholder's candidate will be treated as a nominee of the stockholder who originally nominated the candidate.

2. Board Composition and Procedures

The Committee shall have the following goals and responsibilities with respect to the composition and procedures of the Board as a whole:

- (a) To review annually the composition of the Board as a whole and to recommend, as necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity for the Board as a whole and contains at least the minimum number of Independent Directors required by any applicable laws, rules, regulations and listing standards, as determined by the Board.
- (b) To review periodically the size of the Board and to recommend to the Board any appropriate changes.
- (c) To review the frequency and structure of Board meetings and to recommend to the Board any appropriate changes.
- (d) To review any other aspect of the procedures of the Board that the Committee considers warranted, including but not limited to procedures with respect to the waiver by the Board of any Company rule, guideline, procedure or corporate governance principle and to recommend to the Board any appropriate changes.
- (e) To review periodically Independent Director compensation and recommend appropriate changes to the Board.
- (f) To review annually the independence of counsel to the Independent Directors.

3. Board Committees

The following shall be the goals and responsibilities of the Committee with respect to the committee structure of the Board:
