Rethinking structured credit

Speakers at the Creditflux Investor Summit 2014 give their opinions

Dan Spinner,
Eagle Point Credit Management

“Many pension funds have set up buckets geared towards less liquid credit opportunities – everything from new issue mezzanine to distressed debt and including CLO equity.”

Dan Spinner, a portfolio manager at Eagle Point Credit Management, says that awareness of CLO equity among pension funds is growing, though from a low base. The product is one that could help pension funds achieve their actuarial target returns of 7-8%.
