Privacy

This notice describes the privacy policy of IntelGenx. By visiting and using www.intelgenx.com, you agree to the practices described in this Privacy Notice. Please carefully read our Terms of Use and our Privacy Policy before using our website. By using IntelGenx website, you agree to follow and be bound by our Terms of Use and our Privacy Policy without modification, and as the same may be modified by IntelGenx in its discretion from time to time.

Because we will continue to seek to improve the services and features we provide on our website, IntelGenx reserves the right to amendment, modify or update this Privacy Policy in its discretion at any time and without notice. Any changes or updates will be effective immediately upon posting to this website. For that reason, we encourage you to review this Privacy Policy periodically.

Information Sharing

IntelGenx is the sole owner of any information collected on this website. We will not sell, share, or rent this information to others in ways different from what is disclosed in this statement. IntelGenx may collect information from our users at several different points on our website.

We intend to give you as much control as reasonably possible over your personal information. In general, you can visit www.intelgenx.com without telling us who you are or revealing any information about yourself. There are times when we may need information from you in order to respond to your needs. If you choose to give us personal information we may use that information to correspond with you or provide you with requested materials. If you tell us that you do not wish to have this information used as a basis for further contact, we will respect your wishes. We may analyze this data for trends and statistics, but we will not share the information with third parties unless necessary to provide services to you or as may be required by law.

Logging Site Traffic

IntelGenx maintains log files of the site traffic on www.intelgenx.com. We do not link any information gathered in these log files to personal information. Log files are used to manage traffic loads, identify the content most commonly accessed, and information technology requirements for providing reliable service. Information collected includes IP addresses and browser types.

Cookies

"Cookies" can be used to provide you with tailored information from a website. This website may use "cookies" so that we can better serve you when you return to our site. A cookie is a text file that is placed on
