

## Join **Stornoway** and become part of a great team, operating **Québec's first diamond mine, Renard.**

<b>Position:</b>	<b>Senior Mine Planning Engineer</b>		
<b>Department:</b>	Mine	<b>Posting</b>	April 19, 2018
<b>Location:</b>	Renard Mine Site	<b>Application Deadline:</b>	May 10, 2018
<b>Schedule:</b>	14/14	<b>Posting Number:</b>	SWY-AFF-2018-ST05
<b>Homeports:</b>	Chibougamau, Rouyn-Noranda, St-Hubert and Timmins airports		

**Stornoway** is hiring a **Senior Mine Planning Engineer** for the Renard underground mine. Reporting to the Lead Mining Engineer, the Senior Mining Engineer will be responsible for the following:

### **Responsibilities:**

- Coordinate all tasks associated with the underground mine, including short, medium, and long-term mine development and planning, mine ventilation, ground control, and drilling and blasting;
- Develop the mining method in collaboration with other stakeholders, including consultants involved in the project, and optimizing the method throughout production;
- Work directly with all departments involved with the mine, but particularly with mining operations, and proactively define tasks and needs to avoid project delays;
- Supervise, coach, and guide a team of junior planners and mining engineering interns.

### **Qualifications:**

- Bachelor's degree in mining engineering;
- Member in good standing of the Ordre des ingénieurs du Québec;
- Minimum of 5 years of experience in an underground mine with a good understanding of mine planning and development;
- Good notions of ground control, mine ventilation, drilling, and blasting;
- Knowledge of software such as Deswik, AutoCAD, Promine, and Ventsim;
- Good knowledge of Microsoft Office Suite, including Excel, PowerPoint, and Word;
- Completion of the modular training program for mine workers (1, 2, 3, 4, 5, and 7), as well as a general explosives permit ;
- Valid driver's licence;
- Ability to work in a team;
- Excellent planning, organizational, and execution skills;
- Ability to work proactively;
- Flexibility and versatility when approaching tasks;
- Demonstrate autonomy and resourcefulness;
- Interest and ability to work in a multicultural environment;
- Consistent exemplary attitude regarding health and safety;
- Good written and verbal communication skills in both French and English.

### **INTERNAL application:**

Duly complete the internal posting form and return it to the human resources representative in your sector.

### **EXTERNAL application:**

Send your resume and cover letter to: [hr@stornowaydiamonds.com](mailto:hr@stornowaydiamonds.com). Please **indicate the reference number SWY-AFF-2018-ST05 Senior Mine Planning Engineer** in the subject line of your email and in your cover letter.

We appreciate all those who are interested in this position; however, only candidates selected for an interview will be contacted.
