- Ensure that all training modules are accurate and adequate for each function;
- Provide training to the workers at their workstations as well as in a classroom;
- Maintain accurate updates of training records;
- Make sure the training requirements comply with the law standards;
- Participate in the development and implementation of operational procedures standards for each work area of the underground mine.

### **Qualifications:**

- DEP Ore Extraction or other course with equivalent experience;
- Minimum of 5 years' experience as an underground trainer;
- Experience working with first nations is an important asset;
- Mining modular training (1, 2, 3, 5, 6, 7);
- General explosives Permit;
- Valid driver's license;
- Ability to work in a team;
- Ability to adapt to a changing environment;
- Excellent interpersonal skills;
- Attention to detail and organization;
- Strong leadership and exemplary attitude in health and safety;
- Demonstrated ability to transfer knowledge in various working groups;
- Good ability to plan and manage training schedules.
- Good computer skills (Excel, Word, PowerPoint);
- Versatility and flexibility in the work;
- Autonomy and resourceful;
- Excellent communication written and spoken in both English and French.

### **INTERNAL application:**
