VMware to Host "What's New at VMware" Conference Call for Investors and Financial Analysts

PALO ALTO, CA -- (Marketwired) -- 11/24/14 -- VMware, Inc. (NYSE: VMW), the global leader in virtualization and cloud infrastructure, today announced that Martin Casado, VMware's senior vice president & general manager, networking and security business unit, Guido Appenzeller, chief technology strategy officer, networking and security business unit, and Anthony Luscri, senior manager of investor relations, will conduct a conference call for investors and financial analysts providing an overview of VMware's network virtualization business on Friday, December 5th, 2014 at 9:00 a.m. PT/12:00 p.m. ET.

Philip Winslow, analyst at Credit Suisse, will co-host the call, with participation to include VMware customers: Jason Radford, cloud operations at IlliniCloud; Michael Mossal, CIO at JOIN Experience; Trever Jackson, Enterprise Infrastructure Architect at Synergent; and Laurence Vandeyar, senior systems engineer at TradeStation Technologies, Inc.

The call will broadcast live at http://ir.vmware.com or you may dial in: 1-888-831-6086 or 1-312-470-0068, password: VMware. Slides will accompany the web broadcast and questions will be taken from investors and financial analysts via telephone and email. The replay of the webcast and slides will be available on the website for two months.

About VMware

VMware is the leader in virtualization and cloud infrastructure solutions that enable businesses to thrive in the Cloud Era. Customers rely on VMware to help them transform the way they build, deliver and consume Information Technology resources in a manner that is evolutionary and based on their specific needs. With 2013 revenues of $5.21 billion, VMware has more than 500,000 customers and 75,000 partners. The company is headquartered in Silicon Valley with offices throughout the world and can be found online at www.vmware.com.

Additional Information

VMware's website is located at www.vmware.com, and its investor relations website is located at http://ir.vmware.com. VMware's goal is to maintain the investor relations website as a portal through which investors can easily find or navigate to pertinent information about VMware, all of which is made available free of charge. The additional information includes materials that VMware files with the SEC; announcements of investor conferences and events at which its executives talk about its products, services and competitive strategies; webcasts of its quarterly earnings calls, investor conferences and events (archives of which are also available for a limited time); additional information on its financial metrics, including reconciliations of non-GAAP financial measures to the most directly comparable GAAP measures; press releases on quarterly earnings, product and service announcements, legal developments and international news; corporate governance information; and other news, blogs and announcements that VMware may post from time to time that investors may find useful or interesting.
