This press release may contain forward-looking statements, which are subject to change. The forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Any or all of the forward-looking statements may turn out to be wrong. They can be affected by inaccurate assumptions or by known or unknown risks and uncertainties, including risks associated with the integration of newly acquired brands, product lines and business such as Belson Products. Many of these factors will be important in determining the Company's actual future results. Consequently, no forward-looking statement can be guaranteed. Actual future results may vary materially from those expressed or implied in any forward-looking statements. The forward-looking statements are qualified in their entirety by a number of risks that could cause actual results to differ materially from historical or anticipated results. Generally, the words "anticipates", "believes", "expects" and other similar words identify forward-looking statements. The Company cautions readers not to place undue reliance on forward-looking statements. The Company intends its forward-looking statements to speak only as of the time of such statements, and does not undertake to update or revise them as more information becomes available. The forward-looking statements contained in this press release should be read in conjunction with, and are subject to and qualified by, the risks described in the Company's Form 10-K for the year ended February 28, 2007 and in our other filings with the SEC. Investors are urged to refer to the risk factors referred to above for a description of these risks.
