

NEWS RELEASE

ICE Connect Wealth Now Integrated into TradePMR by Robinhood's Fusion® Platform

2026-10-22

ATLANTA & NEW YORK--(BUSINESS WIRE)-- Intercontinental Exchange, Inc. (NYSE:ICE), one of the world's leading providers of financial market technology and data powering global capital markets, and **TradePMR by Robinhood** ("TradePMR"), a leading technology and custodial services provider for registered investment advisors (RIAs), announced today that access to the web-based version of the ICE Connect Wealth offering has been integrated into **Fusion®**, TradePMR's purpose-built advisor platform. 1

The ICE Connect Wealth offering provides comprehensive tools to analyze portfolio and market data, provide trade support for private labels, and access to ICE-provided tools and data. TradePMR's Fusion® platform provides RIAs with tools to help manage their business and support their clients' evolving needs.

"ICE and TradePMR have a long-standing relationship working together to provide solutions for the wealth management community, including the ICE Bonds Private Label solution which allows thousands of investment managers to search and trade fixed income securities," said Chris Edmonds, President of Fixed Income & Data Services at ICE. "Client access to ICE Connect Wealth through TradePMR's Fusion® platform unites the power of market research and data with a full suite of trading, execution and client management solutions on one convenient platform."

"Financial advisors need technology that makes it easier to manage their clients' investments and spend more time delivering value," said **R. Scott Victoria**, President and COO, TradePMR by Robinhood. "By integrating ICE Connect Wealth with our Fusion® platform, we're giving advisors access to additional research and trading tools within their existing workflows, helping them make more informed investment decisions, operate more efficiently and ultimately deliver a better experience for their clients."

ICE Connect brings together a range of cross-asset real-time data, news and analytics for global markets. The platform helps customers manage price and currency risks and streamline workflows. ICE Connect is part of ICE's Fixed Income and Data Services business, which provides comprehensive fixed income execution, clearing and data solutions that can help enhance market insights, manage risks and uncover investment opportunities.

About Intercontinental Exchange

Intercontinental Exchange, Inc. (NYSE: ICE) is a Fortune 500 company that designs, builds, and operates digital networks that connect people to opportunity. We provide financial technology and data services across major asset classes helping our customers access mission-critical workflow tools that increase transparency and efficiency. ICE's futures, equity, and options **exchanges** -- including the **New York Stock Exchange** -- and **clearing houses** help people invest, raise capital and manage risk. We offer some of the world's largest markets to trade and clear energy and environmental products. Our fixed income, **data services** and execution capabilities provide information, analytics and platforms that help our customers streamline processes and capitalize on opportunities. At **ICE Mortgage Technology**, we are transforming U.S. housing finance, from initial consumer engagement through loan production, closing, registration and the long-term servicing relationship. Together, ICE transforms, streamlines, and automates industries to connect our customers to opportunity.
