NYSE to Suspend Trading Immediately in CHC Group Ltd. (HELI) and Commence Delisting Proceedings

2/1/2016

NEW YORK, February 1, 2016 – The New York Stock Exchange (“NYSE”) announced today that the staff of NYSE Regulation, Inc. has determined to commence proceedings to delist the ordinary shares of CHC Group Ltd. (the "Company") — ticker symbol HELI – from the NYSE. Trading in the Company’s ordinary shares will be suspended immediately.

NYSE Regulation reached its decision to delist the ordinary shares pursuant to Section 802.01B of the NYSE’s Listed Company Manual because the Company has fallen below the NYSE’s continued listing standard requiring listed companies to maintain an average global market capitalization over a consecutive 30 trading day period of at least $15,000,000.

The Company has a right to a review of this determination by a Committee of the Board of Directors of NYSE Regulation. The NYSE will apply to the Securities and Exchange Commission to delist the ordinary shares upon completion of all applicable procedures, including any appeal by the Company of the NYSE Regulation staff’s decision.

The Company anticipates that its ordinary shares will begin trading on the OTCQX International Market under the ticker symbol “HELIF” at market open on February 2, 2016, or as soon thereafter as practicable.
