NEWS RELEASE

NYSE to Suspend Trading in Braskem S.A. (BAK) and Commence Delisting Proceedings

5/13/2019

NEW YORK, May 13, 2019 – The New York Stock Exchange ("NYSE") announced today that the staff of NYSE Regulation has determined to commence proceedings to delist the American Depositary Shares, each representing two Class A Preferred Shares (the "ADSs") of Braskem S.A. (the "Company") -- ticker symbol BAK -- from the NYSE. Trading in the Company's ADSs will be suspended immediately.

The decision was reached because the Company is delayed in filing with the Securities and Exchange Commission (the "SEC") its December 31, 2017 Form 20-F. The Company informed the NYSE that it will not be able to complete its December 31, 2017 Form 20-F by May 16, 2019, which is the maximum time allowed under Section 802.01E of the NYSE's Listed Company Manual.

The Company has a right to a review of this determination by a Committee of the Board of Directors of the Exchange. The NYSE will apply to the Securities and Exchange Commission to delist the ADSs upon completion of all applicable procedures, including any appeal by the Company of the NYSE Regulation staff's decision.
