As the nation's largest e-recording network, Simplifile serves 2,019 counties, representing more than 80% of the U.S. population. It enables counties and other recording jurisdictions to drive down processing time and costs by securely reviewing, stamping, recording and returning a range of documents electronically. In addition, recording fees and payments can be processed directly through Simplifile's secure payment service, eliminating payment errors and check-writing expenses.

For a current list of all jurisdictions in Simplifile's e-recording network, visit <https://simplifile.com/services/e-recording/e-recording-counties/>.

Simplifile is part of **ICE Mortgage Services** which applies technology and high-capacity infrastructure to make the mortgage process electronic and thus more efficient.

## About Simplifile

Simplifile, part of Intercontinental Exchange, is the nation's largest e-recording network, and connects settlement agents and county recorders via its e-recording service. It also offers collaboration tools and post-closing visibility for mortgage lenders and settlement agents working together on real estate documents. Through Simplifile, users can securely record, share and track documents, data and fees with ease.
