Released : 04 February 2013

February 4, 2013

Beijing - 4 February, 2013 – NYSE Technologies, the commercial technology division of NYSE Euronext, today welcomed the brokers Everbright Securities and GF Securities to Marketplace™, a leading, fully managed FIX-based trading community. NYSE Technologies' Marketplace™ solution connects brokers to approximately 700 buy-side firms in more than 40 countries and is supported by the industry's most experienced FIX specialists.

In addition to being linked to hundreds of global buyside firms who are potential investors in the Chinese market, through Marketplace ™ and the NYSE Technologies' FIX order routing technology, Everbright Securities and GF Securities will now be able to receive orders from Qualified Foreign Institutional Investors (QFII) for the A and B Chinese share markets.

"NYSE Technologies' FIX community provides both brokers access to a wide variety of global liquidity sources, lower trading costs, and unparalleled speed-to-market with connections to new trading counterparties and services," said Daniel Burgin, Head Asia Pacific, NYSETechnologies . "With qualified foreign investors keen to invest in the Chinese market, we are delighted that Everbright Securities and GF Securities have have joined Marketplace™."
