## About Platts

Founded in 1909, Platts is a leading global provider of energy, petrochemicals, metals and agriculture information and a premier source of benchmark prices for the physical and futures markets. Platts' news, pricing, analytics, commentary and conferences help customers make better-informed trading and business decisions and help the markets operate with greater transparency and efficiency. Customers in more than 150 countries benefit from Platts' coverage of the biofuels, carbon emissions, coal, electricity, oil, natural gas, metals, nuclear power, petrochemical, shipping and sugar markets. A division of McGraw Hill Financial (NYSE: MHFI), Platts is based in London with more than 1000 employees in more than 15 offices worldwide. Additional information is available at <http://www.platts.com>.

## About Argus

Argus Media is a leading provider of price assessments, business intelligence, market data, consultancy and conferences on the global crude, oil products, natural gas, electricity, coal, emissions, bioenergy, petrochemicals, fertilizer, metals and transportation industries. Argus energy and fertilizer indexes are widely used by leading companies, governments and international agencies as reference prices in supply contracts, risk management and planning. "ARGUS", ARGUS US PRODUCTS, ARGUS CRUDE, ARGUS AMERICAS CRUDE, and ARGUS INTERNATIONAL LPG are trademarks of Argus Media Limited and are used under license. All copyrights and database rights in Argus data belong exclusively to Argus Media Limited. Argus takes no position on the purchase and sale of exchange contracts and accepts no liability in connection with any use of Argus data. <http://www.argusmedia.com>

## About Baltic Exchange

The Baltic Exchange is the world's only independent source of maritime market information for the trading and settlement of physical and derivative contracts. Its international community of over 600 members encompasses the majority of world shipping interests and commits to a code of business conduct overseen by the Baltic. The Baltic Exchange members are responsible for a large proportion of all dry cargo and tanker fixtures as well as the sale and purchase of merchant vessels. Services from the Baltic Exchange include: independent, high quality dry, wet and gas freight market information; self-regulated chartering, sale and purchase and freight derivatives markets; central forum for competing freight market interests; framework ensuring high standards of business practice and co-operation; and London-based business facilities for members.
