PROFIT & LOSS

Released : 27 January 2008

Against the backdrop of the US economic meltdown, ICE founder, chairman and CEO Jeff Sprecher addressed a crowd of nearly 400 at Profit & Loss Forex Network Chicago last month. In his keynote address, Sprecher announced the planned November launch of ICE Millions, million-dollar currency futures contracts that will mirror interbank conventions. In his speech, and in this interview that followed with Profit & Loss' founding publisher, Julie Ros, Sprecher speaks of opportunity amid the chaos, and optimism for the future.
