INTERCONTINENTALEXCHANGE AND ICE CLEAR EUROPE RECOGNISED IN 2013 FINANCIAL NEWS AWARDS

Released : 17 February 2013

February 21, 2013

Hong Kong: 21 February 2013 – NYSE Liffe, the European based global derivatives division of NYSE Euronext, today welcomed Marigold International Securities Ltd. and Golden Mountain Futures Ltd. as members of NYSE Liffe's London market.

Membership of NYSE Liffe will enable customers of both brokers to access the Exchange's liquid European derivatives contracts and NYSE Euronext's market leading technology services. Recent technology solutions include the China Market Data Program, which the Exchange introduced to Mainland China in January 2013. In addition, NYSE Euronext's pioneering Secure Financial Transaction Infrastructure (SFTI) network, which provides participants with a single connection point to a myriad of markets, was introduced to the Hong Kong market in November 2012.

"I'm delighted to welcome Marigold International Securities Ltd. and Golden Mountain Futures Ltd. as the fourth and fifth Chinese members to join NYSE Liffe," said Mr. Finbarr Hutcheson, Chief Executive of NYSE Liffe. "NYSE Liffe now has 10 Asian members and I'm very confident that this number will continue to grow as we continue to see strong interest from clients in the region who want direct access to our innovative contract portfolio and further connectivity to the international derivatives community."

Mr. Hudson Ngan, Executive Director of Marigold International Securities Ltd, said: "This is a great step forward for us into the global derivatives markets. We are honoured to become a member of one of the largest derivatives markets in the world - NYSE Liffe. This makes us not only a platform for global investment, but also provides proof of our ability to meet internationally recognised standards."

"As active participants in the global markets, we are pleased to have joined NYSE Liffe's trading community," said Mr. Warren Cheng, Director and General Manager of Golden Mountain Futures. "NYSE Euronext's derivatives portfolio allows us to meet the competitive trading needs of our customers by providing more trading opportunities and new technology innovations."
