Arcosa, Inc. Announces Proposed Offering of \$400 Million of Senior Notes

DALLAS, Texas - ARCOSA, Inc. – March 29, 2021:

Arcosa, Inc. (NYSE: ACA) (“Arcosa”), a provider of infrastructure-related products and solutions, today announced that it intends to commence, subject to market conditions and other factors, a private offering of \$400 million aggregate principal amount of senior notes due 2029 (the “Notes”).

Arcosa intends to use the net proceeds of the offering to fund the payment of the purchase price of the previously announced acquisition of StonePoint Ultimate Holding, LLC and affiliated entities (“StonePoint”), which is expected to close in April 2021, to repay any borrowings that may be outstanding under a new \$150 million 364-day credit facility at the closing of the offering of the Notes, and to use any remaining net proceeds for general corporate purposes, which may include repayment in whole, or in part, of amounts outstanding under its existing revolving credit facility and other potential strategic investments. The closing of the offering is not conditioned upon the completion of the StonePoint acquisition. The Notes will be senior unsecured obligations of Arcosa and will initially be guaranteed on a senior unsecured basis by each of Arcosa’s domestic subsidiaries that is a guarantor under its existing senior credit facility.

The Notes and the related guarantees are being offered and sold only to persons reasonably believed to be “qualified institutional buyers” in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to certain non-U.S. persons in compliance with Regulation S under the Securities Act. The Notes and the related guarantees have not been and will not be registered for sale under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

This press release shall not constitute an offer to sell, or a solicitation of an offer to buy, the Notes or any other securities, and shall not constitute an offer to sell, solicitation of an offer to buy, or sale of any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful. Any offers of the Notes will be made only by means of a private offering memorandum.
