About Comstock

Founded in 1985, Comstock is a leading asset manager, developer, and operator of mixed-use and transit-oriented properties in the Washington, D.C. region. With a managed portfolio comprising approximately 10 million square feet at full build-out and including stabilized and development assets strategically located at key Metro stations, Comstock is at the forefront of the urban transformation taking place in the fastest-growing segments of one of the nation’s best real estate markets. Comstock’s developments include some of the largest and most prominent mixed-use and transit-oriented projects in the mid-Atlantic region, as well as multiple large-scale public-private partnership developments.
