CareFusion AirLife Signs New Distribution Agreement with ResMed

11/5/2015

AIRLIFE TO OFFER NASAL HIGH
FLOW INTERFACES FROM RESMED

SAN DIEGO, Nov. 5, 2015 /PRNewswire/ -- CareFusion, a BD company (NYSE:BDX), today announced its AirLife business line has signed an exclusive agreement with ResMed (NYSE:RMD) to distribute innovative nasal high flow interface products from the company.

"This agreement with ResMed is aligned with our commitment to providing high quality respiratory products to our customers," said Dan Woolson, president of Respiratory Solutions at BD. "This collaboration will help ensure our customers have access to a full portfolio of leading respiratory solutions."

The agreement with ResMed includes exclusive distribution rights for its **AcuCare™ high flow nasal cannula** in the U.S. acute care market. ResMed's nasal cannula offers a fast and intuitive fit, and is engineered to stay in place once fitted, providing speed and stability for built-in success in high flow oxygen therapy.

"The combination of ResMed products with AirLife's reach will help provide more patients with innovative respiratory technology," said Jim Hollingshead, president ResMed Americas. "This collaboration helps position ResMed for growth beyond what we could achieve alone."

Additional terms of the agreement were not disclosed.
