

AUDIT COMMITTEE CHARTER
OF
TRI POINTE GROUP, INC.

Purpose

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of TRI Pointe Group, Inc. (the “Company”) is to: (i) assist the Board in its oversight of (a) the Company’s financial reporting, auditing and internal control activities, (b) the integrity and audits of the Company’s consolidated financial statements, (c) the Company’s compliance with legal and regulatory requirements, (d) the qualifications and independence of the Company’s external auditor (the “Independent Auditor”), (e) the performance of the Independent Auditor and the Company’s internal auditing function (“Internal Audit”), and (f) the Company’s overall risk exposure and management; and (ii) prepare the report of the Committee required to be included in the Company’s annual proxy statement.

The Board recognizes that while the Committee has been given certain duties and responsibilities pursuant to this Charter, the Committee is not responsible for guaranteeing the accuracy of the Company’s financial statements, the quality of the Company’s accounting practices, or the Company’s compliance with legal and regulatory requirements. The fundamental responsibility for the Company’s financial statements and disclosures rests with management and the Independent Auditor. The Board also recognizes that meeting the responsibilities of an Audit Committee requires a degree of flexibility. To the extent that procedures included in this Charter go beyond what is required of an Audit Committee by existing law and regulation, such procedures are meant to serve as guidelines rather than inflexible rules and the Audit Committee may adopt such different or additional procedures as it deems necessary from time to time.

Composition of the Committee

The Committee shall be comprised of three or more directors, each of whom (i) satisfies the independence-related requirements of the New York Stock Exchange (the “NYSE”) and (ii) otherwise satisfies the applicable requirements for audit committee service imposed by the Securities Exchange Act of 1934, as amended (together with the rules promulgated thereunder, the “Exchange Act”), or the NYSE, as well as any other applicable legal or regulatory requirements. Each member of the Committee shall be financially literate as such qualification is interpreted by the Board, in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee, which may be the chairperson, must have “accounting or related financial management expertise,” as the Board interprets such qualification in its business judgment and must be designated by the Board to be the “audit committee financial expert,” as such term is defined by the Securities and Exchange Commission. No director who serves on the audit committee of more than two public companies other than the Company shall be eligible to serve as a member of the Committee, unless the Board shall determine that such simultaneous service would not impair the director’s ability to serve effectively on the Committee.

Determinations as to whether a particular director satisfies the requirements for membership on the Committee shall be made by the Board.

Any vacancy on the Committee shall be filled by the Board on the recommendation of the Nominating and Corporate Governance Committee, and members shall serve for such terms as the Board may determine, or until their earlier resignation, death or removal by the Board. The Board may remove from the Committee, with or without cause.

Meetings

The Committee shall meet with such frequency and at such intervals as it shall determine is necessary to carry out its duties and responsibilities but, in any case, not less than four times a year. Meetings of the Committee may be called, notice of all meetings shall be given, and waiver thereof determined, and all actions of the Committee shall be conducted in accordance with the Company's bylaws.

Delegation

The Committee may form, and delegate authority to, subcommittees and the Committee's chair when it deems appropriate to the extent permitted under applicable law. Polling of Committee members is not permitted in lieu of meetings.

External Advisors; Funding

The Committee shall have the sole authority to engage and obtain, at the Company's expense, advice and assistance from independent legal, accounting or other advisors as it deems necessary to assist in discharging its responsibilities under this Charter. The Committee shall also have authority to obtain advice and assistance from any officer or employee of the Company. The Company shall provide for appropriate funding, as determined by the Committee, for the payment of: (i) compensation to the Independent Auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services or other permitted services for the Company; (ii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties and responsibilities; and (iii) as noted above, compensation to independent legal, accounting and other advisors retained by the Committee.

The Committee will also review steps taken by the Independent Auditor to address any findings in any of the foregoing reviews.
