

December 12, 2016

Public Notice of 2016 Dividends Paid Through November 22, 2016 in accordance with IRC §6045B

Dear Shareholder,

LogMeIn, Inc. (“LogMeIn”) paid a dividend on August 26, 2016 and November 22, 2016, to its shareholders of record on August 8, 2016 and November 7, 2016 respectively. A dividend can either be taxable as ordinary income or be treated as a return of capital, which reduces the basis of your stock. Based upon our current estimate of earnings and profits as of the year ended December 31, 2016, LogMeIn has determined that the distribution is a return of capital. The final tax treatment of the distribution will be determined after the end of the fiscal year and if that results in a change to the tax treatment of these dividends reported below, we will update our public notice as necessary.

The tax treatment of LogMeIn’s distributions (dividends vs. return of capital) will be reported to U.S. shareholders on Form 1099-DIV. This form will be mailed to U.S. shareholders in January 2017 for 2016. For U.S. income tax purposes only, LogMeIn’s August 26, 2016 and November 22, 2016 distributions to shareholders are classified under the U.S. Tax Code as follows:

- 100% of the distributions are a return of capital pursuant to Section 301(c) and 316(a) of the Internal Revenue Code.
- On August 26, 2016 LogMeIn paid a total of \$12,700,598.50 on 25,401,197 shares of common stock. \$0.50 per share should be considered a return of capital.
- On November 22, 2016 LogMeIn paid a total of \$12,766,605.50 on 25,533,211 shares of common stock. \$0.50 per share should be considered a return of capital.

The following table is being provided for informational purposes only and is not a substitute for your 2016 Form 1099-DIV.
