Public Notice of 2017 Dividends Paid Through November 24, 2017 in accordance with IRC §6045B

Dear Shareholder,

LogMeIn, Inc. (“LogMeIn”) paid a dividend on January 31, 2017, May 26, 2017, August 25, 2017, and November 24, 2017 to its shareholders of record on January 16, 2017, May 10, 2017, August 9, 2017, and November 8, 2017, respectively. A dividend can either be taxable as ordinary income or be treated as a return of capital, which reduces the basis of your stock. Based upon our current estimate of earnings and profits for the year ended December 31, 2017, LogMeIn expects that the January, May, August, and November 2017 distributions will be a taxable dividend. The final tax treatment of the distribution will be determined after the end of the fiscal year and if that results in a change to the tax treatment of these dividends reported below, we will update our public notice as necessary.

The tax treatment of LogMeIn’s distribution (dividends vs. return of capital) will be reported to U.S. shareholders on Form 1099-DIV. This form will be mailed to U.S. shareholders in January 2018 for 2017.
