Media Speculation

Arc wishes to inform shareholders that in light of a media report about a bogus debt claim made against Zamsort Limited ("Zamsort") relating to a \$5.8m capital raise by Zamsort in 2015 (prior to Arc becoming a shareholder), it notes that the case is without any merit and is not expected to proceed following the withdrawal today of a key plaintiff. Zamsort is additionally launching an immediate action in the High Court of Zambia to dismiss the bogus claim as fictitious.
