Submissions made under this Policy will be treated on a confidential basis, to the fullest extent permitted under law and to the extent possible, consistent with the need to conduct an adequate investigation and consideration will be given to the seriousness of the issue raised, the credibility of the concern and the likelihood of confirming the allegation from attributable sources.

5.0 Acting in Good Faith

Anyone filing a complaint under this Policy must be acting in good faith and have an honest belief that the complaint is well-founded, including a reasonable factual or other basis. Any complaints based on allegations that are without basis and/or cannot be substantiated, or that are proven to be intentionally misleading or malicious will be viewed as a serious offense.

6.0 Treatment of Legal or Accounting Concern Submissions

Whistleblower Matters will be reviewed as soon as possible by the Audit Committee with the assistance and direction of whomever the Audit Committee thinks appropriate including, but not limited to, management, internal audit and/or external legal counsel. In making this determination, the Audit Committee will consider, among other factors that are appropriate under the circumstances, who is the alleged wrongdoer, how serious is the alleged wrongdoing and how credible is the allegation of

wrongdoing. The Audit Committee will implement or oversee the implementation of such corrective measures and do such things in an expeditious manner as it deems necessary or desirable to address the Whistleblower Matter.

Where possible and when determined to be appropriate by the Audit Committee notice of any such corrective measures will be given to the person who submitted the concern regarding a Whistleblower Matter.
