About Old Republic

Chicago-based Old Republic International Corporation is one of the nation's 50 largest publicly held insurance organizations. Its most recent financial statements reflect consolidated assets of approximately \$17.1 billion and common shareholders' equity of \$3.9 billion, or \$15.02 per share. Its current stock market valuation is approximately \$4.7 billion, or \$18.29 per share.

The Company is organized as an insurance holding company whose subsidiaries actively market, underwrite, and provide risk management services for a wide variety of coverages mostly in the general and title insurance fields. A long-term interest in mortgage guaranty and consumer credit indemnity lines has devolved to a run-off operating mode in recent years.
