About COVID-19 Testing by Quest Diagnostics

Quest Diagnostics is at the forefront of response to the COVID-19 pandemic, working to broaden access to laboratory insights to help us all lead healthier lives. We provide both molecular diagnostic and antibody serology tests to aiding the diagnosis of COVID-19 and immune response. Our COVID-19 test services are based on tests that have received or are expected to receive FDA emergency use authorization and which also meet our high standards for quality. We provide data on COVID-19 testing to various federal and state public health authorities, including the Centers for Disease Control and Prevention, and participate in studies with government and private institutions, aiding COVID-19 public health response and research. Through our team of dedicated phlebotomists, couriers, air fleet team, and laboratory professionals, Quest Diagnostics won't stop until quality testing is broadly available to patients and communities across the United States.
