

NEWS RELEASE

Quest Diagnostics to Speak at the Morgan Stanley 24th Annual Global Healthcare Conference

2026-08-24

SECAUCUS, N.J., Aug. 24, 2026 /PRNewswire/ -- Quest Diagnostics Incorporated (NYSE: DGX), a leader in diagnostic information services, announced that Sam Samad, Executive Vice President & Chief Financial Officer, will speak on the company's strategy, performance and the latest market developments and trends during the Morgan Stanley 24th Annual Global Healthcare Conference in New York City on Monday, September 14, 2026, at 10:00 a.m. Eastern Time.

The fireside chat and Q&A session will be webcast live during the conference on the company's investor relations page, which can be accessed at [ir.QuestDiagnostics.com](https://ir.questdiagnostics.com). In addition, the archived webcast will be available within 24 hours after the conclusion of the live event and will remain available until October 12, 2026.

About Quest Diagnostics

Quest Diagnostics works across healthcare to create a healthier world, one life at a time. We connect people, from clinicians to consumers, with laboratory insights that illuminate a path to better health. With a focus on delivering smarter, simpler testing, we help reveal new avenues to identify and treat disease, empower healthy behaviors and improve healthcare management. Quest Diagnostics serves half the physicians and hospitals in the United States and one in three American adults each year, and our nearly 60,000 employees work together to deliver diagnostic insights that inspire actions to transform lives.
