

## Quest Diagnostics To Speak At The Morgan Stanley Global Healthcare Conference

September 4, 2014

MADISON, N.J., Sept. 4, 2014 /PRNewswire/ -- Quest Diagnostics Incorporated (NYSE: DGX), the world's leading provider of diagnostic information services, announced that it is scheduled to speak at the Morgan Stanley Global Healthcare Conference in New York City. Steve Rusckowski, the company's President and CEO, will discuss the company's vision, goals and five point strategy. The presentation is scheduled for Monday, September 8, 2014 at 10:30 a.m. Eastern Time.

The presentation will be webcast live during the conference and will be available to registered investors on the following site: [http://cc.talkpoint.com/morg007/090814a\\_ac/?entity=128\\_JG18II\\_T](http://cc.talkpoint.com/morg007/090814a_ac/?entity=128_JG18II_T) and to the public on [www.QuestDiagnostics.com/investor](http://www.QuestDiagnostics.com/investor). In addition, the archived webcast will be available one hour after the conclusion of the live event and will remain available until October 8, 2014.

Quest Diagnostics is the world's leading provider of diagnostic information services needed to make better healthcare decisions. The company offers the broadest access to diagnostic testing services through its network of laboratories and patient service centers, and provides interpretive consultation through its extensive medical and scientific staff. Quest Diagnostics is a pioneer in developing innovative diagnostic tests and advanced healthcare information technology solutions that help improve patient care. Additional company information is available at [QuestDiagnostics.com](http://QuestDiagnostics.com).
