

Quest Diagnostics To Speak At The Barclays Global Healthcare Conference

March 7, 2017

MADISON, N.J., March 7, 2017 /PRNewswire/ -- Quest Diagnostics Incorporated (NYSE: DGX), the world's leading provider of diagnostic information services, announced that it is scheduled to speak at the Barclays Global Healthcare Conference in Miami. Stephen Rusckowski, Chairman, President and CEO, will discuss the company's vision, goals and two-point strategy to accelerate growth and drive operational excellence. The presentation is scheduled for Wednesday, March 15, 2017 at 8:30 a.m. Eastern Time.

The presentation will be webcast live during the conference and will be available to registered investors on the following site: https://cc.talkpoint.com/barc002/031417a_as/?entity=102_NR188BD and to the public on the company's investor relations page which can be accessed at www.QuestDiagnostics.com. In addition, the archived webcast will be available within 24 hours after the conclusion of the live event and will remain available until April 14, 2017.

About Quest Diagnostics

Quest Diagnostics empowers people to take action to improve health outcomes. Derived from the world's largest database of clinical lab results, our diagnostic insights reveal new avenues to identify and treat disease, inspire healthy behaviors and improve health care management. Quest Diagnostics annually serves one in three adult Americans and half the physicians and hospitals in the United States, and our 43,000 employees understand that, in the right hands and with the right context, our diagnostic insights can inspire actions that transform lives. www.QuestDiagnostics.com.
