

Quest Diagnostics to Speak at the 2012 RBC Capital Markets Healthcare Conference

February 28, 2012

MADISON, N.J., Feb. 28, 2012 /PRNewswire/ -- Quest Diagnostics Incorporated (NYSE: DGX), the world's leading provider of diagnostic testing, information and services, announced that it is scheduled to speak at the 2012 RBC Capital Markets Healthcare Conference in New York City. The presentation is scheduled for Wednesday, February 29, 2012 at 10:00 a.m. Eastern Time.

The presentation will be webcast live during the conference and will be available to registered investors on the following site: <http://www.wsw.com/webcast/rbc141/dgx/> and to the public on www.QuestDiagnostics.com/investor. In addition, the archived webcast will be available one hour after the conclusion of the live event and will remain available until March 29, 2012.

Quest Diagnostics Incorporated is the world's leading provider of diagnostic testing, information and services that patients and doctors need to make better healthcare decisions. The company offers the broadest access to diagnostic testing services through its network of laboratories and patient service centers, and provides interpretive consultation through its extensive medical and scientific staff. Quest Diagnostics is a pioneer in developing innovative new diagnostic tests and advanced healthcare information technology solutions that help improve patient care. Additional company information is available at: www.QuestDiagnostics.com.
