

John C. Baldwin, M.D., Nominated for Election to Quest Diagnostics Board of Directors

April 13, 2004

TETERBORO, N.J., April 13 /PRNewswire-FirstCall/ -- Quest Diagnostics Incorporated (NYSE: DGX), the leading provider of diagnostic testing, information and services, announced today that its Board of Directors has nominated John C. Baldwin, M.D., for election as a Director at its 2004 Annual Meeting of Stockholders.

Separately, the company announced that two current Directors, Kenneth D. Brody and Mary A. Cirillo, each of whose terms expires at the 2004 annual meeting, will retire from the Board of Directors as of May 4, 2004, reducing the number of directors from 11 to 10.

Dr. Baldwin, 55, is Associate Provost for Health Affairs at Dartmouth College and Professor of Surgery at Dartmouth Medical School. From 1994 to 1998, Dr. Baldwin was the head of the surgical programs at Baylor College of Medicine and its affiliated hospitals. Dr. Baldwin was also the Governor of the American College of Surgeons from 1991 through 1997 and the President of the International Society of Cardiothoracic Surgeons in 1999. Dr. Baldwin served on the Board of Overseers of Harvard University from 1995 to 2001 and was elected Vice-Chair during the last year of his term.

"John Baldwin's many accomplishments and insights in the world of medicine and science will prove invaluable as Quest Diagnostics evolves in the future," said Kenneth W. Freeman, Chairman and Chief Executive Officer of Quest Diagnostics. "We look forward to welcoming him to our Board."

Quest Diagnostics will hold its 2004 Annual Meeting of Stockholders on May 4, 2004, at the Short Hills Hilton, 41 John F. Kennedy Parkway, Short Hills, New Jersey, at 10:30 a.m. A proxy statement and annual report will be mailed to stockholders of record as of March 8, 2004. The audio portion of the annual meeting will be webcast live via the company's website at: www.questdiagnostics.com. A replay of the webcast will be available following the meeting.

Quest Diagnostics Incorporated is the nation's leading provider of diagnostic testing, information and services, providing insights that enable healthcare professionals to make decisions that improve health. The company offers the broadest access to diagnostic testing services through its national network of laboratories and patient service centers, and provides interpretive consultation through its extensive medical and scientific staff.
