

## **Quest Diagnostics Appoints Thomas F. Bongiorno Vice President and Corporate Controller**

August 7, 2000

**TETERBORO, N.J., August 7, 2000 —**

Quest Diagnostics Incorporated (NYSE: DGX), the nation's leading provider of diagnostic laboratory testing, information and services, announced that Thomas F. Bongiorno has been appointed Vice President and Corporate Controller.

Mr. Bongiorno, 44, will be responsible for all aspects of financial reporting and financial control, reporting to Robert A. Hagemann, Corporate Vice President and Chief Financial Officer.

Mr. Bongiorno joins Quest Diagnostics from Automatic Data Processing, Inc., where he had served in a variety of financial management positions since 1986, most recently as Vice President of Finance and Chief Financial Officer for ADP's Time and Labor Management Services.

A Certified Public Accountant and a Certified Management Accountant, Mr. Bongiorno received a Bachelor of Science Degree in Accounting from the University of Delaware. He expects to complete the requirements for an MBA degree at Fordham University next May.

Quest Diagnostics is the nation's leading provider of diagnostic testing, information and services with annualized revenues of more than \$3 billion. The testing performed on human specimens helps doctors diagnose, treat and monitor disease; enables employers to detect workplace drug abuse; and supports pharmaceutical and biotechnology companies in clinical trials of new therapeutics worldwide. Quest Informatics analyzes laboratory and other medical data to help health care providers improve the care of patients.
