

Quest Diagnostics to Release Third Quarter Financial Results on October 20, 2009

October 6, 2009

MADISON, N.J., Oct. 6 /PRNewswire-FirstCall/ -- Quest Diagnostics Incorporated (NYSE: DGX), the world's leading provider of diagnostic testing, information and services, announced today that its third quarter results will be made public on Tuesday, October 20, before the market opens. The company will hold its quarterly conference call with investors to discuss the results beginning at 8:30 a.m. Eastern Time on that day.

The public may access the conference call through a live audio webcast available on Quest Diagnostics' Investor Relations internet site at www.QuestDiagnostics.com/investor.

The conference call can also be accessed in listen-only mode by dialing 415-228-4961, passcode 3214469. The company suggests participants dial in approximately 10 minutes before the call.

A replay of the call may be accessed online at www.QuestDiagnostics.com/investor or by phone at 866-428-3803 for domestic callers, or 203-369-0904 for international callers. No access code will be required. Telephone replays will be available from 10:30 a.m. Eastern Time on October 20 until midnight Eastern Time on November 20, 2009.

Anyone listening to the Quest Diagnostics call is encouraged to read the company's periodic reports, on file with the Securities and Exchange Commission, including the discussion of risk factors and historical results of operations and financial condition in those reports.

Quest Diagnostics Incorporated (NYSE: DGX) is the world's leading provider of diagnostic testing, information and services that patients and doctors need to make better healthcare decisions. The company offers the broadest access to diagnostic testing services through its network of laboratories and patient service centers, and provides interpretive consultation through its extensive medical and scientific staff. Quest Diagnostics is a pioneer in developing innovative new diagnostic tests and advanced healthcare information technology solutions that help improve patient care. Additional company information is available at: www.QuestDiagnostics.com.
