This policy is effective immediately and supersedes all previous policies. Contractors, subcontractors, suppliers and vendors will be advised as to the policy’s application to them as set forth in the Master Service Agreement and in Crestwood’s Supplier Code of Conduct. The supervisor responsible for managing each Company location is responsible for implementing and enforcing this Policy in accordance of the provisions set forth within. Crestwood will provide appropriate training to supervisors for implementing the Company policy and procedures.

B. Mandatory Reporting Requirements

Employees who become aware of potential violations of the Human Trafficking Policy or any related laws or regulations have an immediate obligation to report these concerns to their Supervisor or Human Resources representative so they may be reviewed and addressed in an ethical and responsible manner and further reported, if necessary. Timeliness of reporting any suspected violation is critical as the United States Government has imposed an especially stringent reporting obligation when there is credible information of violations. Employees may confidentially report possible violations to the Company’s third-party Compliance and Reporting Hotline at 1-844-886-2116. The Company will not take any adverse action against employees for making an honest report of suspected human trafficking-related activities.

C. Violations of this Policy

If the Company suspects that an employee, contractor, subcontractor, supplier, vendor or any other agent of the Company has violated this policy, the Company will immediately investigate and at its sole discretion, take appropriate actions against those who violate this policy. Such actions include, but are not limited to, termination of the agreement or contract, removal from the contract, reduction in benefits, and disciplinary action up to and including termination of employment. The Company may also refer the matter to law enforcement. Finally, any job applicants who violate this policy will not be hired to work at the Company.

Failure to report actual or potential illegal behavior or actual or potential violations of this policy may also subject employees to disciplinary action, up to and including termination of employment.

The Company requires employees who perform work under a United States Government contract to confirm that they are aware of and understand each of the above items prior to the commencement of their assignment under the contract.

Employees who have questions about their eligibility to participate in the EAP or the services offered by the EAP should contact the Human Resources Department.

Participation is voluntary and completion of the program is the responsibility of the employee. All information an employee provides to Crestwood regarding his or her desire to seek treatment will be kept confidential and handled in accordance with applicable law. The Company will reasonably accommodate employees who are seeking treatment in accordance with applicable law.
