# Crestwood Midstream Announces Pricing of Upsized Private Offering of \$600 Million of 5.625% Senior Notes Due 2027

4/11/2019

HOUSTON --(BUSINESS WIRE)-- Crestwood Midstream Partners LP ("CMLP"), a wholly-owned subsidiary of Crestwood Equity Partners LP (NYSE: CEQP), announced today that it has priced \$600 million in aggregate principal amount of 5.625% unsecured Senior Notes due 2027 (the "Notes") in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), which was upsized from the originally proposed \$500 million offering. The Notes will be guaranteed on a senior unsecured basis by all of CMLP's subsidiaries that guarantee its existing notes and the indebtedness under its revolving credit facility. CMLP expects to close the offering on April 15, 2019, subject to customary closing conditions, and the Notes will be issued at par.

CMLP expects to use the net proceeds from this offering to repay a portion of the outstanding borrowings under its revolving credit facility, which includes approximately \$250 million of borrowings that were used to fund a portion of the previously announced acquisition of a 50% interest in Jackalope Gas Gathering Services, L.L.C.

The Notes and the related guarantees will be offered only to qualified institutional buyers in reliance on the exemption from registration set forth in Rule 144A under the Securities Act, and outside the United States to non-U.S. persons in reliance on the exemption from registration set forth in Regulation S under the Securities Act. The Notes and the related guarantees have not been registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from the Securities Act and applicable state securities or blue sky laws.

This press release shall not constitute an offer to sell, or the solicitation of an offer to buy, any securities, nor shall there be any sales of the Notes in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This notice is being issued pursuant to and in accordance with Rule 135(c) under the Securities Act.

## Forward-Looking Statements

This press release may include certain statements concerning expectations for the future that are forward-looking statements as defined by federal securities law. Such forward-looking statements are subject to a variety of known and unknown risks, uncertainties, and other factors that are difficult to predict and many of which are beyond management's control. These risks and assumptions are described in CMLP's most recent annual report on Form 10-K and other reports that are available from the United States Securities and Exchange Commission . Readers are cautioned not to place undue reliance on forward-looking statements, which reflect management's view only as of the date made. We undertake no obligation to update any forward-looking statement, except as otherwise required by law.
