DISCLAIMERS

This presentation contains forward-looking statements regarding possible or assumed future results of the business, financial condition, plans and objectives of Ladder Capital Corp and its subsidiaries (collectively, “Ladder Capital,” “Ladder,” “LADR,” or the “Company”). Any statement concerning future events or expectations, express or implied, is a forward-looking statement. Words such as “may,” “will,” “seek,” “should,” “expect,” “anticipate,” “project,” “estimate,” “intend,” “continue,” or “believe” or the negatives thereof or other variations thereon or comparable terminology are intended to identify forward-looking statements that are subject to risk and uncertainties. Such risks and uncertainties are discussed in the Company’s Annual Report on Form 10-K for the year ended December 31, 2025, and its other filings with the U.S. Securities and Exchange Commission. There can be no assurance that any expectations, express or implied, in a forward-looking statement will prove correct or that the contemplated event or result will occur as anticipated. In particular, there can be no assurance that Ladder will achieve any performance objectives set forth in this presentation. Further, any forward-looking statement speaks only as of the date on which it is made. New risks and uncertainties arise over time, and it is not possible for Ladder to predict those events or their effects on the Company. Except as required by law, Ladder is not obligated to, and does not intend to, update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

This presentation is strictly for informational purposes. It is not intended to be relied upon as investment advice and is not, and should not be assumed to be, complete. The contents herein are not to be construed as legal, business or tax advice, and each recipient should consult its own attorney, business advisor and tax advisor as to legal, business and tax advice.

Certain information contained herein is based on, or derived from, information provided by independent third-party sources. Ladder believes that such information is accurate and that the sources from which it has been obtained are reliable. However, Ladder cannot guarantee the accuracy of such information and has not independently verified the assumptions on which such information is based. All data is presented as of March 31, 2026, unless otherwise indicated.

This presentation includes certain non-GAAP financial measures. These non-GAAP financial measures should be considered only as supplemental to, and not as superior to, financial measures prepared in accordance with GAAP. Please refer to the Appendix included herein for a reconciliation of the non-GAAP financial measures included in this presentation to the most directly comparable financial measures prepared in accordance with GAAP.

THE POWER OF INVESTMENT GRADE

ENHANCED BRAND & STRATEGIC DIFFERENTIATION

- Uniquely positions Ladder as the **only IG-rated commercial mortgage REIT**
- Provides third-party validation of financial discipline, risk management and long-term strategy
- Empowers the platform to scale and grow through strategic capital deployment

STRONGER COUNTERPARTY CONFIDENCE

- Bolsters confidence with third parties, including brokers and borrowers
- Enhances certainty and speed of execution without reliance on warehouse lines or CLOs
- Facilitates targeted origination of larger high-quality loans and equity investments

BROADER & MORE RELIABLE ACCESS TO CAPITAL

- Larger and more liquid IG market versus high yield
- IG market remains open, even in dislocations
- Broader investor base with strong institutional demand and increased retail appeal

IMPROVED COST OF FUNDS WITH OPTIMAL FLEXIBILITY

- Not a price-taker – \$1.25B revolver provides ample liquidity and avoids need to issue in volatile markets
- IG pricing offers tighter spreads than high yield
- No change to target leverage (2.0x–3.0x)
- Less secured funding allows for autonomous investment management to protect value and avoid liquidity stress

TIMELINE & KEY "LADDER FIRSTS"

LADDER A CONSISTENT THOUGHT LEADER AND FIRST MOVER IN INDUSTRY

COMPANY INFORMATION

Ladder is an internally-managed real estate investment trust (REIT) that is a leader in commercial real estate finance. Ladder originates and invests in a diverse portfolio of commercial real estate and real estate-related assets, focusing on senior secured assets. Our investment activities include: (i) our primary business of originating senior first mortgage fixed and floating-rate loans collateralized by commercial real estate with flexible loan structures; (ii) owning and operating commercial real estate, including net leased commercial properties; and (iii) investing in investment grade securities secured by first mortgage loans on commercial real estate. Founded in 2008, Ladder is run by a highly experienced management team with extensive expertise in all aspects of the commercial real estate industry, including origination, credit, underwriting, structuring, capital markets and asset management.

SELECTED DEFINITIONS

Adjusted Leverage Ratio (*non-GAAP*)

- Total debt obligations, net of deferred financing costs, adjusted to exclude non-recourse indebtedness related to securitizations that is consolidated on our GAAP balance sheet and liabilities for transfers not considered sales, divided by Total Adjusted Equity.

After-Tax Distributable Return on Average Equity (After-Tax Distributable ROAE) (*non-GAAP*)

- After-Tax Distributable Earnings divided by average shareholders' equity balance excluding total noncontrolling interest in consolidated ventures.

Distributable Earnings (*non-GAAP*)

- Income before taxes adjusted for: (i) net (income) loss attributable to noncontrolling interests in consolidated ventures; (ii) our share of real estate depreciation, amortization and gain adjustments and (earnings) loss from investments in unconsolidated ventures in excess of distributions received; (iii) the impact of derivative gains and losses related to hedging fair value variability of fixed rate assets caused by interest rate fluctuations and overall portfolio market risk as of the end of the specified accounting period; (iv) economic gains or losses on loans sales, certain of which may not be recognized under GAAP accounting in consolidation for which risk has substantially transferred during the period, as well as the exclusion of the related GAAP economics in subsequent periods; (v) unrealized gains or losses related to our investments in securities recorded at fair value in current period earnings; (vi) unrealized and realized provision for loan losses and real estate impairment; (vii) non-cash stock-based compensation; and (viii) certain non-recurring transactional items.

Distributable EPS (*non-GAAP*)

- After-Tax Distributable Earnings divided by weighted-average diluted shares outstanding.

GAAP Book Value per Share

- Total shareholders' equity divided by total shares outstanding.

Loan-to-Value Ratio (LTV)

- Outstanding loan balance divided by the "as-is" third-party Financial Institutions Reform, Recovery and Enforcement Act of 1989 ("FIRREA") appraised value at origination.

Pre-Tax Distributable Return on Average Equity (Pre-Tax Distributable ROAE) (*non-GAAP*)

- Distributable Earnings divided by average shareholders' equity balance excluding total noncontrolling interest in consolidated ventures.

Total Adjusted Equity (*non-GAAP*)

- Total equity adjusted for accumulated depreciation and amortization on real estate and related intangibles and general CECL allowance.

Undepreciated Book Equity and Undepreciated Book Value per Share (*non-GAAP*)

- Total shareholders' equity, adjusted to include our share of total real estate accumulated depreciation and amortization, divided by total shares outstanding.
