¹ Click an underlined ticker above to view the description of securities filed as an exhibit to the applicable issuer's Annual Report on Form 10-K or, for SOJD and SOJE, the prospectus for the original public offering.

² Units of SOLN are 2019 Series A Corporate Units, which consist of (i) a purchase contract issued by The Southern Company ("Southern Company"), (ii) a 1/40 undivided beneficial ownership interest in \$1,000 principal amount of Southern Company's Series 2019A Remarketable Junior Subordinated Notes due 2024, and (iii) a 1/40 undivided beneficial ownership interest in \$1,000 principal amount of Southern Company's Series 2019B Remarketable Junior Subordinated Notes due 2027.

³ Total annual distributions on each corporate unit are at the rate of 6.75% of the face amount, consisting of quarterly contract adjustment payments under the stock purchase contract in the amount of 4.05% per year and interest on each series of remarketable junior subordinated notes in the amount of 2.70% per year.

⁴ For SOLN, the date shown is the purchase contract settlement date.

⁵ Actual Payment Dates may vary due to weekends, holidays, or other circumstances.

⁶ Excludes weekends and NYSE holidays. Ex-dates are set by the NYSE and may vary due to holidays and other circumstances. Investors should confirm dates with their bank or broker..

⁷ The definition of 'Business Day' for SOLN is contained in the stock purchase contract and is described in the description of securities linked from the ticker symbol. The definition of 'Business Day' for each series of junior subordinated notes is contained in the applicable supplemental indenture and is described in the description of securities linked from the ticker symbol.

⁸ Alabama Power Company's Preferred Stock is both cumulative and redeemable.

⁹ Alabama Power Company's Board of Directors determines the Record Date for its Preferred Stock approximately 45 days prior to the Dividend Payment Date; [click here](#) to view Alabama Power's recent dividend declaration announcements.
