NEWS RELEASE

Soliciting dealer group formed for shareholder vote

Toronto, Ontario – September 7, 2010 - Kinross today announced the formation of a soliciting dealer group and engagement of BMO Capital Markets (“BMO”) as soliciting dealer manager in connection with the special meeting of shareholders of Kinross to be held on September 15, 2010 to approve the issuance of Kinross common shares and Kinross common share purchase warrants in connection with the Red Back transaction.

BMO has agreed to form a soliciting dealer group consisting of members of the Investment Industry Regulatory Organization of Canada and The Toronto Stock Exchange. Members of the soliciting dealer group will be invited to solicit proxies from shareholders of Kinross in favour of the shareholder resolution. Subject to certain exceptions, a solicitation fee of CDN \$0.10 for each Kinross common share voted in favour of the shareholder resolution will be payable where (a) such soliciting dealer’s name appears on a form of proxy or voting instruction form, or (b) if no such name is contained on such form of proxy or voting instruction form, the Kinross common share is held in a trading account with such soliciting dealer.

The fees payable to a soliciting dealer are subject to the following: (a) the solicitation fee payable in respect of any single beneficial shareholder shall not be less than CDN \$75 or more than CDN \$1,500 per soliciting dealer; and (b) the minimum fee of CDN \$75 shall only be paid in respect of any one beneficial owner where the number of Kinross common shares owned and so voted by such beneficial shareholders is greater than or equal to 300. BMO will also be reimbursed by Kinross for all reasonable costs and expenses incurred by it. No solicitation fees will be payable if the shareholder resolution is not adopted. Kinross will bear the costs of the solicitation of proxies.

Kinross has filed and mailed a management information circular and form of proxy to shareholders in connection with the special meeting. Copies of the meeting materials may be found on Kinross’ profile on SEDAR at www.sedar.com or on Kinross’ website at www.kinross.com.
