SHAREHOLDER ENGAGEMENT POLICY
(the “Policy”)

The Board of Directors (the “Board”) of Eldorado recognizes the importance of engaging in constructive and meaningful communications with the Company’s shareholders, and values their input and insights. This includes encouraging and facilitating shareholders to express their views on governance and other matters directly to the Board.

The Board and management communicate with shareholders on an ongoing basis in a number of different ways including, but not limited to:

- Management hosts quarterly conference calls related to the quarterly earnings release and other major Company developments. These calls include question and answer periods and are open to all shareholders in listen-only mode. The calls are recorded and are also available on the Company website;
- The Company communicates with shareholders through its Annual Year in Review Report, annual Management Information Circular, Annual Information Form, quarterly Management Discussion and Analysis, news releases, website, social media platforms, meetings in person and via telephone and other correspondence; and
- The Board and management encourage shareholders to attend the annual shareholder meeting as it provides a valuable opportunity to discuss the Company, its corporate governance practices and other relevant topics. At the meeting, the Chair of the Board and members of management are available to respond to shareholder questions.

The Chair and other independent directors, as appropriate, also engage directly with our shareholders on a regular basis, and at least annually, typically in conjunction with the publication of our Management Proxy Circular and in advance of our annual shareholder meeting.

Between annual meetings, the Company supports an open and transparent process for shareholders to contact the Board, including the chairs of the Board committees, through the office of the Corporate Secretary. The Corporate Secretary has been designated by the Board as its agent to receive and review communications and meeting requests addressed to the Board and will report to the Corporate Governance & Nominating Committee (the “CGNC”) with respect to all communications sent to the Board.
